Re: Interact Meeting for Special Use Permit / 10750 Lee Boulevard

Dear Property Owner:

We have confirmed that you own property within 1000 feet of the above-referenced property. We have recently withdrawn our original application for a Special Use Permit for the installation of new wireless communication facilities in order to consolidate our application and request for approval of a single Special Use permit for: (1) the installation of new 4G antennas and related equipment; (2) renewal of the existing 2G and 3G antennas and related equipment; and (3) renewal of the existing tower all to provide high speed internet and other data services for AT&T Mobility. The property is located at 10750 Lee Boulevard. Plans submitted for this project can also be viewed at the City of Leawood Planning and Development Department at 4800 Town Center Drive, Leawood, KS.

In conformance with the City of Leawood's Interact Program, you are invited to an Interact meeting to provide you, as a nearby property owner, an opportunity to learn about the project and to discuss any issues or concerns that you may have. Prior to a public hearing before the Planning Commission, a summary of the meeting will be filed with the City of Leawood Planning Department. Plans submitted for this project can also be views at the Planning & Development Services Department in City Hall, located at 4800 Town Center Drive.

The Interact meeting will be held at 6:00 p.m. on August 18, 2011, at the West Gazebo located in City Park, 10601 Lee Boulevard, Leawood, Kansas.

The Planning Commission public hearing will be held at 6:00 p.m. on **Tuesday, August 23, 2011**, in Leawood City Hall, City Council Chambers, 4800 Town Center Drive, Leawood, Kansas. Any interested parties or property owners are invited to attend. The general public will have an opportunity to comment on the proposed development at this meeting.

If you have any questions or if you cannot attend the meeting, please contact the undersigned.

Sincerely,

Curtis M. Holland
