After each phase of work is completed as outlined in the attached list of special inspections, the special inspector of record shall submit a report to the City of Leawood Codes Administration Division, which includes the following information:

- A brief summary of the work performed during the reporting time frame
- Changes and/or discrepancies with the City of Leawood approved drawings or specifications that were observed during the reporting period
- Discrepancies that were resolved or corrected
- A list of nonconforming items requiring resolution

When the work requiring special inspections is completed and all nonconforming items have been resolved, the special inspector of record shall submit a **Final Special Inspections Report** to the City of Leawood Codes Administration Division, the design professional in responsible charge, and the general contractor. A Certificate of Occupancy will not be issued until the final report has been reviewed and approved by the City of Leawood.
