LEAWOOD
FOUNDATION

OUR MISSION

The Leewood Foundation funds cultural and educational amenities in our community that might not otherwise be funded with tax dollars.

"When children with disabilities are left out because of their challenges, it hurts. Imagine the boost in confidence when they can participate on a playground and experience the same joy as all of our other children. An accessible playground is a gift that is filled with this joy."

~ Laura, parent of a Leewood child with Williams Syndrome

PROMOTE INCLUSIVENESS & SAFETY

Build "Play for All"

This is the Leewood Foundation's 2015/2016 major focus:

Build an inclusive, state of the art play area for children of all abilities in City Park. A truly inclusive and embracing play experience encompasses individual play elements as well as the overall playground environmental design. It will address the developmental needs of the whole child by intentionally providing opportunities for Physical, Cognitive, Communicative, Social/Emotional, and Sensory Development. Also, accessible playgrounds are vital for kids and youth with disabilities, to enable multi-generational interaction and play. It is essential for families to have the opportunity to play and recreate together.

DONATION GOAL \$450,000

The Leewood Foundation will match the first \$25,000 in donations to this project.
