

Thank you for your past support of the Leawood Foundation. This brief, occasional newsletter recognizes recent contributors and lets you know about the good work of the foundation.

Leawood Foundation 2017 Accomplishments! Play4All in City Park - Now Open!!

Play4All is an inclusive, state of the art play area for children of all abilities in Leawood City Park.

A truly inclusive and embracing play experience encompasses individual play elements as well as the overall playground environmental design. It addresses the developmental needs of the whole child by intentionally providing opportunities for Physical, Cognitive, Communicative, Social/Emotional and Sensory Development.

A Grand Opening was held on June 20th. Representatives from Royals Charities and Variety KC, who made contributions to the project, were there to help us celebrate. We invite you to come to City Park and see the new, innovative playground. The foundation continues to accept donations to complete the funding of the project. Your gift will provide the benefits of play for children and families for years to come!
