THE CITY OF LEAWOOD'S VISION

Leawood prides itself on being a safe, attractive community, which values its distinctive character. The citizens of Leawood are civic-minded and are an important component in shaping Leawood's future. As the City of Leawood looks to the future, it will continue to maintain the residential property values, promote neighborhood-oriented commercial developments, offer a variety of high quality residential neighborhoods, sustain environmental sensitivity, retain natural landscapes and provide public open space. With vision, as articulated in a comprehensive plan, the City of Leawood will continue to grow with distinction.
