

Challenger Soccer

Challenger Soccer Camp

Challenger Sports' British Soccer Camp is the most popular soccer camp in the country based upon one of the most innovative approaches to coaching youth soccer in the US and Canada. Experienced International staff study the game at all levels and will help players improve their core techniques and become more confident on the ball. With programs for each age, the curriculum includes a variety of foot skills, technical drills, tactical practices, freestyle soccer, small-sided games and coached scrimmages. World Cup style games are held each day where campers compete for their adopted country and are encouraged to learn about different customs and cultures, and our core values of respect, responsibility, integrity, sportsmanship and leadership. Most camps will include a free soccer ball, t-shirt, poster and certificate.

NEW FOR 2018 - participants will be provided free access to the IChallenge App and a collection of skill-building videos!

Campers need to bring a water bottle, shin guards, and a sack lunch to camp each day. It is also recommended that campers wear sunscreen to camp. The Full Day camp will include a supervised lunch.

Fall Soccer League

4 & 5 year olds through 8th Grade • Leawood City Park Soccer Fields

The Leawood Parks and Recreation Soccer league is a recreational league that stresses the development of individual skills with an emphasis on maximum participation and enjoyment of all players in a "non-competitive" atmosphere.

The league does not provide coaches and relies strongly upon dedicated parent volunteers to fill these positions. Individuals will be placed on teams according to school location, whenever possible, with the goal of fostering teamwork and friendship for all involved. Games are played at the Leawood City Park and if necessary Tomahawk Park fields.

7 vs 7 Ages 4 and 5 year olds - 4th Grade

We offer small sided soccer leagues for pre K (4 & 5 year olds) along with Kindergarten through 4th grade children. Teams will play with 7 children on the field, including a goalie, for games.

Groups can be small enough to only have 1 game team or large enough to have 2 game teams that will split for matches. Team sizes should have a minimum of 9 and at least 18 players (for split game teams). Teams are single gender when possible, although some mixed teams are formed through 1st grade.

9 vs 9 5th - 8th Grade

Teams ideally consist of 12 to 14 players from the same school. Games are played on larger fields than the 7 vs 7 group with teams consisting of 9 players on the field at a time.

Ironwoods Challenge Course

The Ironwoods Challenge Course is a state-of-the-art team development and recreation facility located in the 115 acre Ironwoods Park, in south Leawood. The course is open for programs April through October. Programs range from two hour recreation climbs to day-long teambuilding programs.

Ironwoods Challenge Course is comprised of low and high elements. Low elements (Lows) are activities that take place on or low to the ground. High elements (Highs) consist of activities that occur at a height where harnesses, ropes, and other specialty equipment is needed. Recreation programs range from 2-hour to multiple-hour programs. Birthday parties, scouting events, organized sport teams and group rentals can all utilize one of the three 50-foot tall climbing structures. Trained facilitators will provide all necessary equipment and instruction for a fun, adventurous and safe climb.

CAROLINA T-WALL (Rock Wall)

- Over 4,000 feet of climbable space with 12-top rope routes.
- Climbs range from Beginner, Intermediate, Advanced and Expert.

ALPINE TOWER

- A 50-foot tall climbing structure built out of utility poles, rope ladders, nets, dangling logs and climbing holds. Numerous activities for the summit.
- Multiple climbs yield a variety of new challenges to be discovered.

CARIBBEAN COURSE

- Our Caribbean Course is our version of via ferrata with a bonus ride on the giant swing. Three challenges to negotiate between tree houses 50 feet above the ground. You won't find a thrilling experience like this anywhere else in Kansas City!

TEAMBUILDING

- Half-day or full-day teambuilding programs focus on problem-solving tasks, presented through low and/or high elements and various group activities and games.
- Opportunities to discuss how the activities are relevant to their work, school or social lives.

Teambuilding programs assist groups to enhance cooperation among members, improve communication skills, gain trust, improve problem solving, allow for new ways to resolve conflicts and enhance leadership. Teambuilding programs also help individuals increase their willingness to take appropriate risks, increase logical reasoning, improve reflective thinking, and promote a positive view of individual self concept.

Escape the city and venture to Ironwoods Park for your next challenge. Your program will be tailored just for you and your group. We can even bring our teambuilding programs to your location (Kansas only) with our portable equipment.

While perceived risk is one of the key elements in any adventure activity, the Ironwoods Challenge Course is always focused on safety. Knowledge of the activity, careful planning and good judgment are exercised by our well trained facilitators. Participants' commitment to listening to instructions and being mindful of safety during the program is important. Our structures are inspected each month during detailed maintenance as well as a yearly inspection by a professional, certified by the ACCT (Association for Challenge Course Technology).

Information on program availability and pricing is available at 913.696.7772.

Liability release and health information forms required to be signed by a parent if child is under 18. Climbers under 12 must have an adult present.

The First Tee Program

From age 7 through 18, youth progress through levels by demonstrating The First Tee Nine Core Values, life and golf skills, as well as passing an assessment. All participants regardless of age start at the PLAYer level. The pinnacle of The First Tee is completing Ace.

PLAYer (required minimum age 7). Tee it up for the first time and learn the game of golf and The First Tee's Code of Conduct.

Par (recommended minimum age 9). Focus on interpersonal and self-management skills on and off the course.

Birdie (recommended minimum age 11). Emphasis on setting goals and making them a reality.

When moving through the program, participants have a plethora of added benefits once reaching the Par Level (2nd level) and above. Our partnership with the Kansas City Golf Association and Youth on Course provide youth in the Par Level and above a free handicap index and membership to Youth On Course (a \$40 value), included in their program registration, which allows participants to play over 20 golf courses in Kansas City and surrounding areas for just five dollars per round.

On a national level, local participants of The First Tee of Greater Kansas City have the option of applying for special opportunities to improve on their life skills and golf skills gained at The First Tee. Of the ten opportunities the one that stands out the most is the Pure Insurance Championship benefiting The First Tee, where participants have the chance to play the number 1 golf course in America, Pebble Beach and are paired with PGA Tour Champions players while being televised on the golf channel.

Remaining in The First Tee as a participant can serve very beneficial as participants look to higher education. Through a grant, on behalf of The First Tee of Greater Kansas City's founder, the late Al Hoffman, high-schoolers have the opportunity to receive a college scholarship for excellent participation in TFGKC. Overall, of participants in The First Tee 96% of teens in our program say their golf skills have improved and 90% of our alumni consider themselves lifelong golfers; and beyond golf 80% of teens and alumni say The First Tee helped them become a better student.
