

City of Leawood

Block Party Permit Request

The City of Leawood allows interested residents to temporarily block residential side streets for the purpose of having a block party. To obtain a permit, signatures of approval are needed from ALL the residents of the block or portion of the block involved. A permit request, including these signatures and a map of the proposed block party area, and a permit application fee of \$15 should be submitted to the Leawood Police Department at least one week in advance for review by the Chief of Police.

Residents must provide their own barricades, which must be moveable in case of an emergency. Saw horses or trash cans are often the best type of item to be used.

Please check here if you would like a visit from Leawood First Responders (not a guarantee – dependent on calls for service). Police Fire
