Resources and Information

If you are the victim of a crime, you may be eligible for compensation for losses from the following sources:

1. **Private Insurance.** You, the defendant, or another party may have an insurance policy that will provide coverage for personal injury or property loss due to a crime.
2. **Court Ordered Restitution.** If the defendant enters diversion or is found guilty of the crime, the Court in certain circumstances may order the offender to make restitution to you. This is generally for direct financial losses only (i.e. not pain and suffering, lost wages, etc.).
3. **Small Claims/Civil Court.** Civil remedies may be available in addition to or in lieu of criminal penalties and restitution.
 - a. For information on filing a case in small claims (max damages \$4,000) in Johnson County, KS, please go to http://courts.jocogov.org/dc_smallclaims.aspx. Attorneys are not allowed in small claims proceedings.
 - b. For information on filing a limited action (max damages \$25,000) in Johnson County, KS, please go to http://courts.jocogov.org/dc_limitaction.aspx.
 - c. For information on filing a general civil action (under Chapter 60), you may want to consult with an attorney. The Kansas Bar Association has a Lawyer Referral Service that might assist you. Go to www.ksbar.org and click on "Find a Lawyer."
4. **Crime Victim's Compensation Board.** The Kansas Crime Victims Compensation Board provides victims with financial assistance for loss of earnings and out-of-pocket loss for injuries sustained as a direct result of violent crime. This includes reasonable medical care, mental health counseling or other services necessary as a result of the injury. In the event of the death of the victim, reasonable medical expenses and the partial cost of funeral, burial or cremation is reimbursable. Personal property loss is not covered, with the exception of clothing and bedding seized as evidence. The program is administered by the Crime Victims Compensation Division of the Attorney General's Office.
