DONATE. ENHANCE.  
ENJOY LEAWOOD.

2020

LEAWOOD  
FOUNDATION

## OUR MISSION

The Leawood Foundation funds charitable and educational amenities in our community that might not otherwise be funded with tax dollars.

*With the help of many donors, the Leawood Foundation continues to complete projects that Beautify and Enhance our Parks and Public Areas.*

## LEAWOOD TRAIL PERMANENT RESTROOMS

For many years, Leawood's citizens have frequently used the Leawood trails for exercise that exposes us to the beauty of nature in all seasons. For that reason, we will build permanent restrooms along the Tomahawk Creek Trail:

- His and Her seasonably heated and cooled restrooms at the intersection of the North Lake and parking lot.

## "LEAWOOD" DOG PARK

Plans are underway to further enhance Leawood Dog Park with the replacement of the heavily used Agility Course with more substantial amenities. Enjoy an improved way for your dog(s) to play!

## PLAY FOR ALL

Thanks to our citizens, local businesses, and Variety Children's Charity, the All-Inclusive Playground in Leawood City Park became a reality in 2017.

The Playground provides opportunities for all forms of childhood development through play.

## OTHER COMPLETED PROJECTS

Gezer Park Playground, Fire Pit and Havdalah Garden; "Prairie Lessons" Sculpture in Ironwoods Park; Relocation of the Historic Oxford Schoolhouse; Benches at Ironwoods Lake; Three Shade Structures with Benches at Leawood Dog Park.

## POTENTIAL PROJECTS

- Park in north Leawood at 96th Street & Lee Boulevard
- Renovation of Old City Hall, 96th Street & Lee Boulevard

## YOUR DONATION

99% of your donations go toward projects that enhance the community where you live and/or do business. Your donations are fully tax deductible.
