

## Rain Out Policy

The rain out policy was established in 1997 which states; the Leawood Parks, Recreation & Arts Department will schedule 1 additional game per season following the third rain-out.

Coaches, please keep in mind that you and your team should not leave the park until you are sure that your game is cancelled, not just delayed.

The Inclement Weather Line will be updated by 3:00pm on weekdays, 8:00am on Saturdays and 11:00am on Sundays when possible.

In case of inclement weather, the Inclement Weather Line will be updated as soon as possible. *Remember, weather situations can differ in various parts of the city, so please check the Inclement Weather Line if inclement weather is in the forecast.*
