Upon seizure and impoundment, the animal shall be delivered to a place of confinement which may be with any organization which is authorized by law to accept, own, keep or harbor such animals. If, during the seizing and impounding of any such animal, the animal poses a risk of serious physical harm or death to any person, such person or persons authorized by the city may render the animal immobile by means of tranquilizers or other safe drugs or if that is not safely possible, then the animal may be killed.

Any reasonable expenses incurred by the city in seizing, impounding and confining any dangerous animal shall be charged against the owner, keeper or harborer of such animal. Such charges shall be in addition to any fine or penalty provided for violating this section.

In such event, the vicious animal shall be securely muzzled and restrained with a chain having a minimum tensile strength capable of keeping said animal attached to said chain and not exceeding three feet in length, and shall be under the direct control and supervision of the owner, keeper or harborer of the vicious animal. A similar sign is required to be posted on the secured enclosure, pen or the kennel of the animal.

(e) No vicious animal may be kept on a porch, patio or in any part of a house or structure that would allow the animal to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or when screen windows or screen doors are the only obstacle preventing the animal from exiting the structure.

(f) Unless otherwise ordered by the Judge after being convicted of owning, keeping or harboring a vicious animal, the owner, harborer or keeper shall present satisfactory evidence to the City Clerk that the owner has procured liability insurance in the amount of at least $500,000 covering any damage or injury which may be caused by such vicious animal during any 12 month period for which a license is sought. The policy shall contain a provision requiring the City to be named as additional insured for the sole purpose of the City to be notified by the insurance company of any cancellation, termination or expiration of the liability insurance policy. The owner shall maintain and not voluntarily cancel the liability insurance required by this section during the 12 month period for which the license is being sought, unless the owner shall cease to own the vicious animal prior to the expiration of the license.

(g) Trained police dogs utilized by properly certified law enforcement officers in the course of official duty shall be exempt from the provisions of this section.

(h) A vicious cat must be declawed by a licensed veterinarian.

(i) Upon conviction of a first offense, the general penalty for this Chapter shall apply.
Upon conviction of a second offense, the Court shall order the animal permanently removed from the City within three days or euthanized. Should the order of the Court be appealed, the animal must be removed from the City pending disposition of the appeal. Failure to comply with the removal order shall result in the animal being impounded and shall be punishable by a fine of $500 per day that the vicious animal remains in the City and/or one year confinement in the county jail.

A permit for the keeping of a vicious animal shall be issued for one year upon payment of a fee of $150 to the Police Department and will be deemed to have expired one year from date of issuance. The person to whom a permit is issued shall sign a written agreement permitting the ACO or a law enforcement officer to inspect the permittee's premises quarterly. (b) Any animal alleged to have bitten or otherwise so injured a person causing an abrasion of the skin, shall immediately be confined for a period of not less than 10 days for observation, at the expense of the owner, keeper, or harborer, at an approved animal shelter, with a licensed veterinarian, or home confinement as provided in subsection (f).

(c) If the owner, keeper or harborer of the animal alleged to have bitten or injured a person cannot be immediately contacted, the Leawood Police Department shall immediately impound such an animal at the expense of the owner for not less than 10 days. If the owner can be determined, the Leawood Police Department shall notify the owner by the quickest means possible that the animal has been impounded under the provisions of this section. The owner has the right to redeem the animal if that animal is determined to be free of rabies at the expiration of confinement upon payment of all expenses including the boarding, any veterinarian fees and any license and penalty fees due and owing the City.

(d) In the event the original place of confinement is not the choice of the owner, the owner may request a change of place of confinement to a licensed veterinarian of the owner's choice, or request home confinement. The ACO shall insure that the place of confinement complies with all provisions of this article. The total period of confinement of the animal is a period of not less than 10 days. No credit shall be given for any period of time the animal remained at large.

Code of the City of Leawood
The veterinarian or animal shelter with whom the animal is confined shall provide a written report to the Police Department as to the health of the animal immediately after receiving any information concerning rabies.

The ACO may authorize home confinement with the owner if the animal has a current rabies vaccination certificate and the facts and circumstances of the bite warrant a home confinement, provided that the owner or keeper signs a written agreement to keep the animal confined for the specified period and allows the animal to be periodically examined by an ACO to determine its physical condition during the confinement period. If the owner or keeper is unwilling to sign such an agreement, the animal shall be immediately impounded in accordance with this chapter.

The owner, harborer or keeper of any animal that bites or otherwise so injures a person causing an abrasion of the skin, shall be punished by a fine of not less than $100 but not more than $1,000, or by imprisonment of not more than 180 days, or by both such fine and imprisonment. (a) It shall be unlawful for the owner, keeper or harborer of any animal to allow such animal to be unsecured anywhere in the city. This section shall not apply to dogs in the City’s off-leash dog park, or to cats.

(b) Unsecured or abandoned animals may be immediately euthanized if the ACO or any other agent designated by the city believes that seizure and impoundment are not possible without the risk of serious physical harm or death to any person.

(c) If an animal is unsecured within the city limits, such animal may be seized by the ACO or by any other agent designated by the city, and the animal shall be held five days as provided by the animal shelter or agent, and if within that five days the owner, harborer or keeper of the animal is identified and pays the expenses of seizing, boarding, and caring for the animal, the animal may be released to the owner, harborer or keeper provided that the animal is not vicious or dangerous, that the owner, harborer or keeper can provide a current rabies vaccine inoculation certificate issued by a licensed veterinarian, and that the animal is eligible to be released pursuant to all other provisions of this Chapter.

(a) It shall be unlawful for any person to own, harbor or keep more than two dogs and/or two cats over six months of age in the City of Leawood unless the person has properly obtained a permit allowing the person to keep a greater number of dogs and/or cats.

(b) Any person who desires to own, keep or harbor more than two dogs and/or two cats may apply to the City Clerk for a “Special Animal Permit,” that shall, upon issuance, allow the applicant to own, keep or harbor the animals specifically allowed in that permit.

1. All applicants must adequately show that special circumstances exist that justify the keeping of the subject animals, and that the keeping of additional animals will not create a nuisance in the surrounding neighborhood, that reasonable animal care will be provided and that the premises where the animals are kept is suitable for the keeping of multiple animals and is in conformity with all City zoning requirements. The criteria to be evaluated include, without being limited to the following:
   a. That the animals will be kept or maintained at all times in a safe and sanitary manner.
   b. That the quarters in which such animals are kept or confined will be adequately lighted and ventilated and are so constructed and maintained that they can be kept in a clean and sanitary condition.
   c. That the health and well-being of the animals will not in any way be endangered by the manner of keeping or confinement.
   d. That the keeping of such animals will not harm the surrounding neighborhood or disturb the peace and quiet of the surrounding neighborhood.
   e. That the keeping of such animals will not cause fouling of the air by offensive odors and thereby create or cause unreasonable annoyance or discomfort to neighbors or others in close proximity to the premises where the animals are kept or harbored.
   f. That the animals will not unreasonably annoy humans, endanger the life, health or safety or citizens to the enjoyment of life or property.
   g. That the animals will not repeatedly run or be found at large, will not damage or deposit excretory matter upon the property of anyone other than their owner, and will not chase vehicles or molest or intimidate pedestrians or passersby.

Code of the City of Leawood
h. That the animals will not make disturbing noises, including but not limited to, continued and repeated or untimely howling, barking, whining or other utterances causing unreasonable annoyance, disturbance or discomfort to neighbors and others in close proximity to the premises where the animals are kept or harbored, or otherwise be offensive or dangerous to the public health, safety or welfare, by virtue of their behavior, number, type or manner of keeping.

i. That the applicant or any person who will share in the care, custody and control of the animals, is not currently in violation of, or has not previously violated any applicable City, state or federal laws, codes, rules or regulations, including but not limited to, those pertaining to the reasonable animal care and control of animals and the maintenance of their property, which would reflect adversely on their ability to fully comply with the conditions of the subject permit.

(c) The City Clerk shall deny any application where the applicant fails to show proof of the aforementioned requirements by review of an examination of the documentation submitted by the applicant, or an investigation by the Police Department, reveals that, in the opinion of the Police Department, the applicant has failed to meet the requirements of this Section. The Police Department shall submit a written report of its investigation stating the factual basis for its recommendation to grant or deny any application. Code of the City of Leawood
(d) The City Clerk shall establish an application process to be followed by all individuals seeking a "special animal permit." The permit shall be issued for the period from January 1st through December 31st of each year. The special animal permit shall be for no more than eight [8] animals and shall be issued for the individual animals listed in the application and shall not be transferable to other animals except for a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, which may substitute animals up to a certain number as approved in the special animal permit. The fact an individual has previously been issued a special animal permit may be considered but shall not be controlling in the City Clerk’s decision to issue a special animal permit for a different animal.

(e) The City Clerk may revoke any permit if the person holding the permit refuses or fails to comply with this Chapter, the regulations promulgated by the City Council, or any state or local law such as those governing cruelty to animals, or the keeping of animals, or if the animals’ place of keeping otherwise constitutes a nuisance to the surrounding neighbors or that the permittee had provided false information in the application. Any person whose permit is revoked shall, within 30 days thereafter, sell or otherwise humanely remove the animals from the premises and no part of the permit fee shall be refunded.

(f) As used in this Section, “special circumstances” is defined as any unusual, extraordinary and exceptional situation or condition whereby the strict application of the numerical limits set forth in this Section would be contrary to the intent, purposes and objectives of such limitations and would be contrary to the public interest and welfare.

(g) The provisions of this Section do not apply to service animals otherwise governed under K.S.A. 39-1101 et seq.

(h) Any person who is denied a special animal permit or who has had an existing permit revoked may, within 10 days thereafter, file a written notice or statement of appeal from said decision, ruling, action or finding to the Leawood Municipal Court including the administrative fee, for an administrative hearing thereon.

Code of the City of Leawood
3. The hearing on the appeal shall be conducted by a Leawood Municipal Court judge who will sit as an administrative judge for purposes of this chapter. The sole issue for determination shall be whether decisions, rulings, actions or findings of the Police Department and/or City Clerk were within the scope of their authority, supported by substantial evidence, and not arbitrary nor capricious in nature. The Court shall make specific findings of fact and conclusions of law in each case. If the Court denies the application, then the Court shall set a reasonable time, not to exceed an additional 120 days for the applicant to remove the animals from the applicant’s premises.

(i) An initial permit fee in the amount of $100.00 shall be paid by the owner, keeper or harborer of the animal identified in the permit. The permit may be renewed each year upon re-inspection of the premises and verification by an ACO that the premises and animals meet the requirements set forth above. A permit renewal fee in the amount of $50.00 shall be paid by the owner, keeper or harborer, for each year thereafter. All fees shall be nonrefundable and nontransferable.

a. R-values are minimums. U-factors and SHGC are maximums. When insulation is installed in a cavity which is less than the label or design thickness of the insulation, the installed R-value of the insulation shall not be less than the R-value specified in the table.
b. The fenestration U-factor column excludes skylights. The SHGC column applies to all glazed fenestration.
c. "10/13" means R-10 continuous insulation on the interior or exterior of the home or R-13 cavity insulation at the interior of the basement walls.
d. R-5 shall be added to the required slab edge R-values for heated slabs.
e. The second R-value applies when more than half the insulation is on the interior of the mass wall.
f. Loose-fill insulation shall be installed at the rate recommended by the manufacturer's statement "so many bags per 1000 sq ft." Where the pitch of the roof restricts the "minimum thickness" at the exterior wall line, the insulation shall be blown into the cavity so as to achieve a greater compacted density to a point where the "minimum thickness" can be achieved. An alternative is to install high-density batts around the perimeter edge per R402.2.
g. Where 2 x 6 framing is used, a minimum R-19 insulation is required.

INTERNATIONAL ENERGY CONSERVATION CODE; SECTION R402.4.1.2 TESTING. Section 402.4.1.2 is hereby amended to read as follows:

R402.4.1.2 Testing. Where required by the Building Official, the building or dwelling unit shall be tested and verified as having an air leakage rate not exceeding 5 air changes per hour. Testing shall be conducted with a blower door at a pressure of 0.2 inches w.g. (50 Pascals). Testing shall be conducted by an approved third party. A written report of the results of the test shall be signed by the party conducting the test and provided to the Code Official. Testing shall be performed at any time after creation of all penetrations of the building thermal envelope.

During testing:
1. Exterior windows and doors, fireplace and stove doors shall be closed, but not sealed, beyond the intended weather-stripping or other infiltration control measures;
2. Dampers including exhaust, intake, makeup air, backdraft and flue dampers shall be closed, but not sealed beyond intended infiltration control measures;
3. Interior doors, if installed at the time of the test, shall be open;
4. Exterior doors for continuous ventilation systems and heat recovery ventilators shall be closed and sealed;
5. Heating and cooling systems, if installed at the time of the test, shall be turned off; and
6. Supply and return registers, if installed at the time of the test, shall be fully open.

(Ord. 2598C; 12-03-12)

INTERNATIONAL ENERGY CONSERVATION CODE; SECTION R403.2.2 SEALING (MANDATORY). Section R403.2.2 is hereby amended to read as follows:

R403.2.2 Sealing (mandatory). Ducts, air handlers, and filter boxes shall be sealed. Joints and seams shall comply with the International Mechanical Code or International Residential Code, as applicable.

EXCEPTIONS:
1. Air-impermeable spray foam products shall be permitted to be applied without additional joint seals.
2. Where a duct connection is made that is partially inaccessible, three screws or rivets shall be equally spaced on the exposed portion of the joint so as to prevent a hinge effect.

Code of the City of Leawood
3. Continuously welded and locking-type longitudinal joints and seams in ducts operating at static pressures less than two inches (2") of water column (500 Pa) pressure classification shall not require additional closure systems.

Where required by the Building Official, duct tightness shall be verified by either of the following:

1. Postconstruction test: Total leakage shall be less than or equal to 4 cfm per 100 square feet of conditioned floor area when tested at a pressure differential of 0.1 inches w.g. (25 Pa) across the entire system, including the manufacturer's air handler enclosure. All register boots shall be taped or otherwise sealed during the test.

2. Rough-in test: Total leakage shall be less than or equal to 4 cfm per 100 square feet of conditioned floor area when tested at a pressure differential of 0.1 inches w.g. (25 Pa) across the system, including the manufacturer's air handler enclosure. All registers shall be taped or otherwise sealed during the test. If the air handler is not installed at the time of the test, total leakage shall be less than or equal to 3 cfm per 100 square feet of conditioned floor area.

EXCEPTIONS:

1. The total leakage test is not required for ducts and air handlers located entirely within the building thermal envelope.

2. On the postconstruction test, it is permissible to test for "leakage to the outdoors" versus a "total leakage." Leakage to the outdoors shall be less than or equal to 8 cfm per 100 square feet of conditioned floor area.

HOT WATER PIPE INSULATION (PRESCRIPTIVE). Section R403.4.2 is hereby amended to read as follows:

R403.4.2 Hot water pipe insulation (Prescriptive). Insulation for hot water pipe with a minimum thermal resistance (R-value) of R-3 shall be applied to the following:
1. Piping located under a floor slab.
2. Buried piping.
3. Supply and return piping in recirculation systems other than demand recirculation systems.

4-811. INTERNATIONAL ENERGY CONSERVATION CODE, PENALTIES. Any person violating any provision of this Article or this code is guilty of a public offense, punishable by a fine of not more than five hundred dollars ($500) or by imprisonment not exceeding thirty (30) days or both such fine and imprisonment. Each day that the violation continues shall be deemed a separate offense.

a. R-values are minimums. U-factors and SHGC are maximums. When insulation is installed in a cavity which is less than the label or design thickness of the insulation, the installed R-value of the insulation shall not be less than the R-value specified in the table.

b. The fenestration U-factor column excludes skylights. The SHGC column applies to all glazed fenestration.

c. "10/13" means R-10 continuous insulation on the interior or exterior of the home or R-13 cavity insulation at the interior of the basement walls.

d. R-5 shall be added to the required slab edge R-values for heated slabs.

e. The second R-value applies when more than half the insulation is on the interior of the mass wall.

Code of the City of Leawood
f. Loose-fill insulation shall be installed at the rate recommended by the manufacturer's statement "so many bags per 1000 sq ft." Where the pitch of the roof restricts the "minimum thickness" at the exterior wall line, the insulation shall be blown into the cavity so as to achieve a greater compacted density to a point where the "minimum thickness" can be achieved. An alternative is to install high-density batts around the perimeter edge per R1102.2.

g. Where 2 x 6 framing is used, a minimum R-19 insulation is required.

(d) **Process of Application.** Applications for a Massage Establishment License shall be submitted to the License Clerk, who shall transmit copies of completed applications to the Chief of Police, the Neighborhood Services Administrator and the Building Official for their review and investigation. With the aid and input of the Chief of Police, the License Clerk shall determine whether the information contained in the application is accurate and whether the applicant is qualified to be issued (or reissued) the requested License. 1. 35 feet for residential or collector streets or 45 feet for arterial streets; and
2. 66 inches above the height of existing street light poles along the right-of-way surrounding the facility.

(g) The ROW-user shall not interfere with the facilities of the other ROW-users without their permission. If and when the City requires or negotiates to have a service provider cease using its existing poles and to relocate its facilities underground, all other service providers using the same poles shall also relocate their facilities underground at the same time, subject to the appeal process contained in section 13-327, as amended.

(h) The Public Works Director may assign specific corridors within the right-of-way, or any particular segment thereof as may be necessary, for each type of facility that is currently or, pursuant to current technology, the Public Works Director expects will someday be located within the right-of-way. All right-of-way permits issued by Public Works Director shall indicate the proper corridor for the ROW-user’s facilities. Any ROW-user whose facilities are currently in the right-of-way in a position at a variance with the designated corridors shall, no later than at the time of next reconstruction or excavation of the area where its facilities are located, move the facilities to its assigned position within the right-of-way, unless this requirement is waived by Public Works Director for good cause shown, upon consideration of such factors as the remaining economic life of the facilities, public health, safety or welfare; user service needs and hardship to the ROW-user.

(i) If, in the preparation and planning of a right-of-way project, the Public Works Director deems it appropriate for a conduit to be constructed along, across or under the right-of-way, the Public Works Director shall contact all appropriate ROW-users for their input on the planning and design of such conduit. If a ROW-user desires to construct, maintain or operate facilities along such right-of-way, the Public Works Director may require the ROW-user to use such conduit, and to contribute to the expense of such conduit, provided, however, the ROW-user use of the conduit is reasonable and appropriate under the circumstances.

*Code of the City of Leawood*
(j) All earth, materials, sidewalks, paving, crossings, utilities, other public improvements or improvements of any kind damaged or removed by the ROW-user shall be fully repaired or replaced promptly by the ROW-user at its sole expense and to the reasonable satisfaction of the City. Upon determination by the Public Works Director that such repair or replacement is a public safety matter, all such repair or replacement shall be commenced within 24 hours of notice from the City, or the Public Works Director may direct the City to make such repair or replacement and bill the ROW-user for the City cost. The Public Works Director has the authority to inspect the repair or replacement of the damage, and if necessary, to require the ROW-user to do any necessary additional work.

(k) All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of a ROW-user's facilities in the right-of-way shall be in accordance with applicable federal, state and local law and regulations, including those promulgated by national trade associations commonly associated with the service provided by the ROW-user. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this Ordinance may be in addition to or stricter than such minimum standards. A ROW-user shall not construct or reconstruct any of its facilities located upon, over, under or within the City right-of-way without first having submitted in writing a description of its planned improvement to the Public Works Director and having received a permit for such improvement. The Public Works Director may require that any drawings, plans and/or specifications submitted be certified by a Kansas registered professional engineer stating that such drawings, plans and/or specifications comply with all applicable technical codes, rules and regulations, unless such plans are based directly on nationally recognized codes, which are appropriately cited, and attested to on the plans by the signature of an authorized official of the organization applying for the permit.

(l) The ROW-user shall cooperate promptly and fully with the City and take all reasonable measures necessary to provide accurate and complete on-site information regarding the nature and horizontal and vertical location of its facilities located within the right-of-way, both underground and overhead, when requested by the City or its authorized agent for a public improvement. Such location and identification shall be at the sole expense of the ROW-user without any expense to the City, its employees, agents, or authorized contractors.

(m) The City shall have the authority to prohibit the use or occupancy of a specific portion of the right-of-way by a ROW-user due to public health, safety or welfare considerations.

13-310. FACILITY RELOCATION.

(a) The ROW-user shall promptly remove, relocate or adjust any facilities located in the right-of-way as directed by the City for a public improvement or when reasonably required by the City by reason of public health, safety and welfare. Such removal, relocation, or adjustment shall be performed by the ROW-user at the ROW-user's expense without expense to the City, its employees, agents, or authorized contractors and shall be specifically subject to rules, regulations and schedules of the City pertaining to such. The ROW-user shall proceed with relocations at due diligence upon notice by the City to begin relocation.

(b) The ROW-user shall promptly remove, relocate or adjust any facilities located in private easement, as directed by the City, for a public improvement, at City expense, by moving such facilities to areas within the expanded right-of-way or within remaining private easements or remaining portions of such easements not condemned by nor disclaimed to the City to avoid conflict with City construction and improvements. The ROW-user shall disclaim those parts of its easements which lie within the expanded right-of-way. Should the City, in the future, elect to require the ROW-user to again relocate its facilities to other areas within the expanded right-of-way, the cost of any such future relocation shall be borne by the City.

(c) As soon as working drawings are available for public improvements which will require the ROW-user to relocate its facilities, the City shall provide the ROW-user with written notice of relocations and the anticipated bid letting date of the improvement. The ROW-user shall respond with any conflicts and a proposed construction schedule within 30 days.

(d) Following notice by the City in the form of the delivery of final design plans for such public improvements, the ROW-user shall remove, and relocate its facilities in accordance with the mutually agreed upon schedule, provided the project is not delayed by adverse weather conditions and other factors beyond the control of the ROW-user. The ROW-user shall certify to the City, in writing, that its facilities have been relocated or adjusted to clear construction in accordance with project plans provided by the City.

(e) Any damages suffered by the City, its agents or its contractors to the extent caused by ROW-user's failure to timely relocate or adjust its facilities, or failure to properly relocate or adjust such facilities, shall be borne by the ROW-user.

(f) In the event the ROW-user is required to move its facilities in accordance with this section, any ordinary right-of-way permit fee shall be waived.
It is the intent of this section for both the City and the ROW-user to cooperate with one another so that the need for facility relocation is minimized and, when required and feasible, relocations may be completed prior to receipt of bids by the City for a public improvement.

(Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-311. PROTECTION OF THE PUBLIC.

(a) It shall be the responsibility of the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way from harm and damage.

(b) The City shall not be liable for any damage to or loss of any of the ROW-user's facilities within the right-of-way as a result of or in connection with any construction, excavation, grading, filling or work of any kind, including public improvements by or on the behalf of the City, except to the extent caused by the negligent, willful, intentional, or malicious acts or omissions of the City.

(c) The ROW-user shall be responsible to the City and its agents, representatives, and authorized contractors for all damages suffered by them including, but not limited to delay damages, repair costs, construction delays, penalties or other expenses of any kind arising out of the failure of the ROW-user to timely perform any of its obligations under this Ordinance to the extent caused by the acts or omissions of the ROW-user.

(d) The City or its authorized contractors shall be responsible for taking reasonable precautionary measures including calling for facility locations when constructing its public improvements.

(e) Any ROW-user who for any purpose makes or causes to be made any excavation in, upon, under, through or adjoining any street, sidewalk, alley or other right-of-way, and shall leave any part or portion thereof open, or shall leave any part or portion thereof disrupted with rubbish, building or other material during construction and/or the night time, shall cause the same to be enclosed with good substantial and sufficient barricades or drums equipped with the appropriate type warning lights and orange safety fencing material which is properly secured around the excavation or the disruption.

(f) Whenever a ROW-user shall excavate the full width of any street, sidewalk, alley, driveway approach or other right-of-way, it shall be its duty to maintain an adequate passage for vehicles and pedestrians across or around the excavation until it is refilled as specified.

(g) Any excavation left open overnight on any thoroughfare or collector type street shall be securely covered. The ROW-user assumes the sole responsibility for maintaining proper barricades, plates, safety fencing and/or lights as required from the time of opening of the excavation until the excavation is surfaced and opened for travel.
The Public Works Director, upon the review and approval of a plan and details for trimming trees in the right-of-way, may grant permission by permit to any ROW-user to trim trees upon and overhanging the right-of-way so as to prevent the branches of such trees from coming in contact with the facilities of the ROW-user.

In the event the ROW-user severely disturbs or damages the root structure of any tree in the right-of-way to the detriment of the health and safety of the tree, the ROW-user will be required to remove and replace the tree at the ROW-user's cost. Further, in review of the ROW-user's plan, Public Works Director, in his or her discretion, may require the ROW-user to directionally bore around any tree in the right-of-way.

Upon the appropriate request of any person having satisfied City procedure and ordinances, the ROW-user shall remove, raise, or lower its facilities temporarily to permit the moving of houses or other structures. The expense of such temporary removal, raising or lowering shall be paid by the person requesting the same, and the ROW-user may require such payment in advance. The ROW-user must be given not less than 15 days written notice from the person detailing the time and location of the moving operations, and not less than 24-hours advance notice from the person advising of the actual operation.

(Ord. 1976C; 12-16-02)

13-312. **RIGHT-OF-WAY VACATION.**

(a) If the City vacates a right-of-way which contains the facilities of the service provider, and if the vacation does not require the relocation of the service provider's facilities, the City shall reserve, to and for itself and all service providers having facilities in the vacated right-of-way, an easement for the right to install, maintain and operate any facilities in the vacated right-of-way and to enter upon such vacated right-of-way at any time for the purpose of reconstructing, inspecting, maintaining or repairing the same.

(b) If the vacation requires the relocation of facilities, and

(1) If the vacation proceedings are initiated by the service provider, the service provider must pay the relocation costs.

(2) If the vacation proceedings are initiated by the City, the service provider must pay the relocation costs unless otherwise agreed to by the City and the service provider.

(3) If the vacation proceedings are initiated by a person other than the service provider or the City, such other person must pay the relocation costs.

(Ord. 1976C; 12-16-02)
13-313. **ABANDONED AND UNUSABLE FACILITIES.**

(a) A ROW-user owning abandoned facilities in the right-of-way must either:

1. Remove its facilities and replace or restore any damage or disturbance caused by the removal at its own expense. The Public Works Director may allow underground facilities or portions thereof remain in place if the Public Works Director determines that it is in the best interest of public safety to do so. At such time, the City may take ownership and responsibility of such vacated facilities left in place;

2. Provide information satisfactory to the City that the ROW-user's obligations for its facilities in the right-of-way have been lawfully assumed by another authorized ROW-user; or

3. Submit to the City a proposal and instruments for transferring ownership of its facilities to the City. If the ROW-user proceeds under this section, the City may, at its option purchase the equipment, require the ROW-user, at its own expense, to remove it, or require the ROW-user to post a bond in an amount sufficient to reimburse the City for reasonable anticipated costs to be incurred to remove the facilities.

(b) Facilities of a ROW-user who fails to comply with this section, and whose facilities remain unused for two years, shall be deemed to be abandoned after the City has made a good faith effort to contact the ROW-user, unless the City receives confirmation that the ROW-user intends to use the facilities. Abandoned facilities are deemed to be a nuisance. The City may exercise any remedies or rights it has at law or in equity, including, but not limited to, (a) abating the nuisance, (b) taking possession and ownership of the facility and restoring it to a useable function, or (c) requiring the removal of the facility by the ROW-user.

(Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-314. **PERMIT REQUIREMENT.**

(a) Except as otherwise provided, no ROW-user may excavate any right-of-way or conduct any repair, construction, or reconstruction of facilities located within the right-of-way without first having obtained the appropriate right-of-way permit.

(b) There are two exemptions to this provision:

1. Contractors working on the construction or reconstruction of public improvements.

2. ROW-users performing routine service operations which do not require excavation in the right-of-way and do not disrupt traffic for more than four hours.

(c) No person owning or occupying any land abutting on a public right-of-way shall construct, maintain, or permit in or on the portion of the public right-of-way to which such land is adjacent, any fixed structure, material or object without having obtained the appropriate right-of-way permit.
(d) A right-of-way permit is required for emergency situations. If due to an emergency it is necessary for the ROW-user to immediately perform work in the right-of-way, and it is impractical for the ROW-user to first get the appropriate permit, the work may be performed, and the required permit shall be obtained as soon as possible during the next City working day.

(e) No permittee may excavate the right-of-way beyond the date or dates specified in the right-of-way permit unless the permittee:
   (1) Makes a supplementary application for another right-of-way permit before the expiration of the initial permit; and
   (2) A new right-of-way permit or permit extension is granted.

(f) Right-of-way permits issued shall be conspicuously displayed by the permittee at all times at the indicated work site and shall be available for inspection by the Public Works Director, other City employees and the public.

(g) Prior to the commencement of excavation, the permittee shall identify and locate any buried facilities to be spray painted according to the Uniform Color Code required by the Kansas One Call.

(h) All excavations by the permittee shall have a metal marker inserted into the excavation of the restored pavement, which shall identify the ROW-user.

(i) Before receiving a right-of-way permit, the applicant must show proof of any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC.

(j) Any ROW-user who is found to be working in the public right-of-way without a permit will be directed to stop work until a permit is acquired and properly posted at the work site. The only exception allowed is for emergency repair work.

(k) Any permittee found to be working without providing for required safety and traffic control will be directed to stop work until the appropriate measures are implemented in accordance with the current edition of the Manual on Uniform Traffic Control Devices.

13-315. PERMIT APPLICATIONS.

(a) Application for a right-of-way permit shall be submitted to the Public Works Director by either the ROW-user or by the person who will do the work and/or excavation in the right-of-way. Before an application may be submitted, the Applicant must attend a pre-application conference, unless waived by the City Engineer.
(b) Right-of-way applications shall contain and be considered complete only upon receipt of the following:

1. Compliance with verification of registration;
2. Submission of a completed permit application form, including all required attachments and scaled drawings showing the location and area of the proposed project and the location of all existing and proposed facilities at such location;
3. A traffic control plan;
4. Payment of all money due to the City for permit fees and costs, for prior excavation costs, for any loss, damage or expense suffered by the City because of the applicant's prior excavations of the right-of-way or for any emergency actions taken by the City, unless the payment of such money is in dispute and timely appealed as provided hereafter.

(c) If an Applicant has submitted an application for a permit for the installation, construction, maintenance or repair of multiple Facilities, that Applicant may not submit another application for a permit for the installation, construction, maintenance or repair of multiple Facilities until the first application has been approved or denied. This provision may be waived by the City Engineer.

13-316. LIABILITY INSURANCE, PERFORMANCE AND MAINTENANCE BOND REQUIREMENT.

(a) The permittee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas. The amount will be not less than $1,000,000 per occurrence and $2,000,000 in aggregate. The insurance will protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death, or property damage to the extent caused or alleged to have been caused by the negligent acts or omissions of the permittee. If the permittee is self-insured, it shall provide the City proof of compliance regarding its ability to self insure and proof of its ability to provide coverage in the above amounts.
(b) The permittee shall at all times during the term of the permit, and for two years thereafter, maintain a performance and maintenance bond in a form approved by the City Attorney. The amount of the bond will be $5,000 or the value of the restoration, whichever is greater, for a term consistent with the term of the permit plus two additional years, conditioned upon the permittee's faithful performance of the provisions, terms and conditions conferred by this Ordinance. An annual bond in an amount of $50,000 automatically renewed yearly during this period shall satisfy the requirement of this section. In the event the City shall exercise its right to revoke the permit as granted herein, then the City shall be entitled to recover under the terms of the bond the full amount of any loss occasioned.

(c) A copy of the Liability Insurance Certificate and Performance and Maintenance Bond must be on file with the City Clerk.

(d) No performance and maintenance bond will be required for permits issued for driveway replacement or landscaping work such as irrigation systems and tree planting. No performance and maintenance bond will be required of any governmental entity. No performance and maintenance bond or liability insurance will be required of any residential property owner working in the right-of-way adjacent to his or her residence, who does not utilize a contractor to perform the excavation.

(Ord. 1976C; 12-16-02)

13-317. RIGHT-OF-WAY PERMIT FEES AND COSTS.

(a) The right-of-way permit fee shall be recommended by the Public Works Director, approved by the Governing Body and listed in the Schedule of Fees maintained in the City Clerk's office.

(b) The right-of-way permit fee may include a permit and inspection fee, and an excavation fee.

(c) Fees paid for a right-of-way permit, which is subsequently revoked by the Public Works Director, are not refundable.

(d) Except as provided for in an emergency situation, when a ROW-user is found to have worked or is working in the right-of-way without having obtained a permit, the fee for the permit will be double the amount had the ROW-user obtained a permit prior to beginning work.
The City may also charge and collect any necessary repair and restoration costs.

(Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-318. ISSUANCE OF PERMIT.

(a) If the Public Works Director determines that the applicant has satisfied the requirements of this Ordinance, the Public Works Director shall issue a right-of-way permit.

(b) The Public Works Director may impose reasonable conditions upon the issuance of a right-of-way permit and the performance of the permittee in order to protect the public health, safety and welfare, to ensure the structural integrity of the right-of-way, to protect the property and safety of other users of the right-of-way, and to minimize the disruption and inconvenience to the traveling public.

(c) When a right-of-way permit is requested for purposes of installing additional facilities and the performance and maintenance bond for additional facilities is reasonably determined to be insufficient, the posting of an additional or larger performance and maintenance bond for the additional facilities may be required.

(d) Issued permits are not transferable.

(e) If work is being done for the ROW-user by another person, a subcontractor or otherwise, the person doing the work and the ROW-user shall be liable and responsible for all damages, obligations, and warranties herein described.

(Ord. 1976C; 12-16-02)

13-319. PERMITTED WORK.

(a) The permittee shall not make any cut, excavation or grading of right-of-way other than excavations necessary for emergency repairs without first securing a right-of-way permit.

(b) The permittee shall not at any one time open or encumber more of the right-of-way than shall be reasonably necessary to enable the permittee to complete the project in the most expeditious manner.

(c) The permittee shall, in the performance of any work required for the installation, repair, maintenance, relocation and/or removal of any of its facilities, limit all excavations to those excavations that are necessary for efficient operation.

(d) The permittee shall not permit such an excavation to remain open longer than is necessary to complete the repair or installation.

(e) The permittee shall notify the City no less than three working days in advance of any construction, reconstruction, repair, location or relocation of facilities which would require any street closure or which reduces traffic flow to less than two lanes of moving traffic for more than four hours. Except in the event of an emergency as reasonably determined by the permittee, no such closure shall take place without notice and prior authorization from the City.

Code of the City of Leawood
(f) Non-emergency work on arterial and collector streets may not be accomplished during the hours of 7:00 a.m. to 8:30 a.m. and 4:00 p.m. to 6:00 p.m., in order to minimize disruption of traffic flow.

(g) All work performed in the right-of-way or which in any way impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at the permittee's expense. Such signage shall be in conformance with the latest edition of the Administration's Manual on Uniform Traffic Control Devices, unless otherwise agreed to by the City.

(h) The permittee shall identify and locate any underground facilities in conformance with the Kansas Underground Utility Damage Prevention Act "Kansas One Call" system, and notice shall be provided directly to Water District No. 1 and either to Kansas City Power and Light (KCPL) or to the Traffic Operations Section of the Public Works Department with respect to any municipal traffic signal and street light systems, as appropriate.

(i) The permittee shall be liable for any damages to underground facilities due to excavation work prior to obtaining location of such facilities, or for any damage to underground facilities that have been properly identified prior to excavation. The permittee shall not make or attempt to make repairs, relocation or replacement of damaged or disturbed underground facilities without the approval of the owner of the facilities.

(j) Whenever there is an excavation by the permittee, the permittee shall be responsible for providing adequate traffic control to the surrounding area as determined by Public Works Director of the City. The permittee shall perform work on the right-of-way at such times that will allow the least interference with the normal flow of traffic and the peace and quiet of the neighborhood. In the event the excavation is not completed in a reasonable period of time, the permittee may be liable for actual damages to the City for delay caused by the permittee pursuant to this Ordinance.

(k) All facilities and other appurtenances laid, constructed and maintained by the permittee shall be laid, constructed and maintained in accordance with acceptable engineering practice and in full accord with any and all applicable engineering codes adopted or approved by the parties and in accordance with applicable statutes of the State of Kansas, as well as the rules and regulations of the Kansas Corporation Commission or any other local, state or federal agency having jurisdiction over the parties.

Code of the City of Leawood
Following completion of permitted work for new construction, the permittee shall keep, maintain and provide to the City accurate records and as-built drawings, drawn to scale and certified to the City as accurately depicting the location of all utility facilities constructed pursuant to the permit. When available to the permittee, maps and drawings provided will be submitted in AUTOCAD.DXF or AUTOCAD.DWG automated formats if available, or in hard copy otherwise. The Public Works Director may waive this requirement. Such information shall be subject in all respects and shall have the benefit of protection as set forth in the section entitled "Mapping Requirements of Service Provider" contained herein.

The City may use the as-built records of the service provider's facilities in connection with public improvements.

(Ord. 1976C; 12-16-02)

13-320. RIGHT-OF-WAY REPAIR AND RESTORATION.

(a) The work to be done under the right-of-way permit and the repair and restoration of the right-of-way as required herein must be completed within the dates as specified in the permit. However, in the event of circumstances beyond the control of the permittee or when work was prohibited by unseasonable or unreasonable conditions, the Public Works Director may extend the date for completion of the project upon receipt of a supplementary application for a permit extension.

(b) All earth, materials, sidewalks, paving, crossing, utilities, public improvement or improvements of any kind damaged or removed by the permittee shall be fully repaired or replaced promptly by the permittee at its sole expense and the reasonable satisfaction of the City. The Public Works Director has the authority to inspect the repair or replacement of the damage, and if necessary, to require the permittee to do the additional necessary work. Notice of the unsatisfactory restoration and the deficiencies found will be provided to the permittee and a reasonable time not to exceed 15 days will be provided to allow for the deficiencies to be corrected.

(c) After any excavation, the permittee shall, at its expense, restore all portions of the right-of-way to the same condition or better condition than it was prior to the excavation thereof.

(d) In addition to repairing its own street cuts, the permittee must restore any area within five feet of the new street cut that has previously been excavated, including the paving and its aggregate foundations.

Code of the City of Leawood
(e) If the permittee fails to restore the right-of-way in the manner and to the condition required by the Public Works Director, or fails to satisfactorily and timely complete all restoration the City may, at its option, serve written notice upon the permittee and its surety that, unless within five days after serving of such notice, a satisfactory arrangement can be made for the proper restoration of the right-of-way, the City shall immediately serve notice of failure to comply upon the surety and the permittee, and the surety shall have the right to take over and complete the work; provided, however, that if the surety does not commence performance thereof within 10 days from the date of notice, the City may take over the work and prosecute same to completion, by contract or otherwise, at the expense of the permittee, and the permittee and its surety shall be liable to the City for any and all excess cost assumed by the City by reason of such prosecution and completion.

(f) The permittee responsible for the excavation who leaves any debris in the right-of-way shall be responsible for providing safety protection in accordance with the latest edition of the Manual of Uniform Traffic Control Devices and any applicable federal or state requirement.

(g) If an excavation cannot be back-filled immediately and left unattended, the permittee shall securely and adequately cover the unfilled excavation. The permittee has sole responsibility for maintaining proper barricades, safety fencing and/or lights as required, from the time of the opening of the excavation until the excavation is surfaced and opened for travel.

(h) In restoring the right-of-way, the permittee guarantees its work and shall maintain it for 24 months following its completion. During the 24 months the permittee shall, upon notification from the Public Works Director, correct all restoration work to the extent necessary, using any method as required by the Public Works Director. The work shall be completed within a reasonable time, not to exceed 30 calendar days, of the receipt of notice from the Public Works (not including days during which work cannot be done because of circumstances constituting force Majeure or days when work is prohibited as unseasonable or unreasonable). In the event the permittee is required to perform new restoration pursuant to the foregoing guarantee, the Public Works Director shall have the authority to extend the guarantee period for such new restoration for up to an additional 24 months from the date of the new restoration, if the Public Works Director determines any overt action by the permittee not to comply with the conditions of the right-of-way permit and any restoration requirements.

(i) The 24 month guarantee period shall be applicable to failure of the pavement surface as well as failure below the pavement surface.

(j) Payment of an excavation fee shall not relieve the permittee of the obligation to complete the necessary right-of-way restoration.

13-322. **SUPPLEMENTARY APPLICATIONS.**

(a) A right-of-way permit shall only be valid for the area of the right-of-way specified within the permit. No permittee may cause any work to be done outside the area specified in the permit, except as provided herein. Any permittee who determines that an area greater than that which is specified in the permit must be excavated must do the following prior to the commencement of work in that greater area: (a) make application for a permit extension and pay any additional fees required thereby; and (b) receive a new right-of-way permit or permit extension.

(b) A right-of-way permit shall be valid only for the dates specified in the permit. No permittee may commence work before the permit start date or, except as provided herein, may continue working after the end date. If a permittee does not complete the work by the permit end date, the permittee must apply for and receive a new right-of-way permit or a permit extension for additional time. This supplementary application must be submitted to the City prior to the permit end date.

(Ord. 1976C; 12-16-02)

13-323. **OTHER OBLIGATIONS.**

(a) Obtaining a right-of-way permit under this Ordinance shall not relieve the permittee of its duty to obtain any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, and to pay any fees required by any other City, County, State, or Federal rules, laws, or regulations. A permittee shall perform all work in full accord with any and all applicable engineering codes adopted or approved by the parties and in accordance with applicable statutes of the State of Kansas, and the rules and regulations of the KCC or any other local, state or federal agency having jurisdiction over the parties. A permittee shall perform all work in conformance with all applicable codes and established rules and regulations and shall be responsible for all work done in the right-of-way pursuant to its permit, regardless by whom the work is done by.

(b) Except in cases of an emergency or with approval of the Public Works Director, no right-of-way work may be done when conditions are unreasonable for such work.

(c) A permittee shall not disrupt a right-of-way such that the natural free and clear passage of water through the gutters or other waterways is interfered with. Private vehicles may not be parked within or next to the permit area.

(Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-324. DENIAL OF PERMIT.

(a) The Public Works Director may deny a permit or prohibit the use or occupancy of a specific portion of the right-of-way to protect the public health, safety and welfare, to prevent interference with the safety and convenience of ordinary travel over the right-of-way, or when necessary to protect the right-of-way and its users. The Public Works Director, at his or her discretion, may consider all relevant factors including but not limited to:

1. The extent to which the right-of-way space where the permit is sought is available;
2. The competing demands for the particular space in the right-of-way;
3. The availability of other locations in the right-of-way or in other right-of-way for the facilities of the applicant;
4. The applicability of any ordinance or other regulations that affect location of facilities in the right-of-way;
5. The degree of compliance of the applicant with the terms and conditions of its franchise, this Ordinance, and other applicable ordinances and regulations;
6. The degree of disruption to surrounding communities and businesses that will result from the use of that part of the right-of-way;
7. The balancing of costs of disruption to the public and damage to the right-of-way, against the benefits to that part of the public served by the construction in the right-of-way;
8. Whether the applicant maintains a current registration with the City;
9. Whether the issuance of a right-of-way permit for the particular dates and/or time requested would cause a conflict or interferes with an exhibition, celebration, festival, or any other event. In exercising this discretion, the Public Works Director shall be guided by the safety and convenience of anticipated travel of the public over the right-of-way.

Code of the City of Leawood
(b) Notwithstanding the above provisions, the Public Works Director may in his or her discretion issue a right-of-way permit in any case where the permit is necessary to:

1. Prevent substantial economic hardship to a user of the applicant's service;
2. Allow such user to materially improve the service provided by the applicant.

(Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-325. REVOCATION OF PERMIT.

(a) Permittees hold right-of-way permits issued pursuant to this Ordinance as a privilege and not as a right. The City reserves its right as provided herein, to revoke any right-of-way permit, without refund of the permit fee, in the event of a substantial breach of the terms and conditions of any law or the right-of-way permit. A substantial breach shall include, but not be limited to the following:

1. The violation of any material provision of the right-of-way permit;
2. An evasion or attempt to evade any material provision of the right-of-way permit, or the perpetration or attempt to perpetrate any fraud or deceit upon the City or its citizens;
3. Any material misrepresentation of any fact in the permit application;
4. The failure to maintain the required bond or insurance;

6. The failure to correct a condition indicated on an order issued pursuant to this Ordinance;
7. Repeated traffic control violations; or
8. Failure to repair facilities damaged in the right-of-way.

(b) If the Public Works Director determines that the permittee has committed a substantial breach of any law or condition placed on the right-of-way permit, the Public Works Director shall make a written demand upon the permittee to remedy such violation. The demand shall state that the continued violation may be cause for revocation of the permit, or legal action if applicable. Further, a substantial breach, as stated above, will allow the Public Works Director, at his or her discretion, to place additional or revised conditions on the right-of-way permit, specifically related to the manner in which the breach is cured by the permittee. Within five calendar days of receiving notification of the breach, permittee shall contact the Public Works Director with a plan, acceptable to the Public Works Director, for correction of the breach. Permittee’s failure to contact the Public Works Director, permittee’s failure to submit an acceptable plan, or permittee’s failure to reasonably implement the approved plan shall be cause for immediate revocation of the right-of-way permit.
If a right-of-way permit is revoked, the permittee shall also reimburse the City for the City's reasonable costs, including administrative costs, restoration costs and the costs of collection and reasonable attorneys’ fees incurred in connection with such revocation.

13-326. WORK REQUIREMENTS AND INSPECTIONS.

(a) Any excavation, back filling, repair and restoration, and all other work performed in the right-of-way shall be done in conformance with the City's Manual of Infrastructure Standards as promulgated by the Public Works Director.

(b) The permittee shall employ a testing laboratory as approved by the Public Works Director, which shall certify the proper backfilling on any street cut. The permittee shall pay all costs associated with such testing. This provision shall be waived when flowable fill is used as backfill or with the permission of the Public Works Director.

(c) The permittee shall notify the office of the Public Works Director upon completion of the authorized work permit.

(d) The permittee will notify the Public Works Director to schedule an inspection at the start of backfilling. Upon completion of all right-of-way restoration activities, the permittee will schedule a closeout inspection.

(e) When any corrective actions required have been completed and inspected to the Public Works Director's satisfaction, the two year maintenance period will begin.

(f) In addition to the required scheduled inspections, the Public Works Director may choose to inspect the ongoing permitted work in the right-of-way at any time to ensure that all requirements of the approved permit are being met by the permittee.

(g) At the time of any inspection, the Public Works Director may order the immediate cessation of any work, which poses a serious threat to the life, health, safety, or well being of the public. The Public Works Director may issue a citation to the permittee for any work, which does not conform, to the applicable standards, conditions, code or terms of the permit. The citation shall state that failure to correct the violation will be cause for revocation of the permit.

The Governing Body shall give due consideration to the purposes of the rules in preserving public safety and convenience, integrity of public infrastructure, and the operational safety and function of the public right-of-way.

(e) Pending a decision of the Governing Body, the order of the Public Works Director shall be stayed, unless the Public Works Director determines that such action will pose a threat to public safety or the integrity of the public infrastructure.

If a person still deems themselves aggrieved after the appeal to the Governing Body, such person shall have 30 days after the effective date of the Governing Body’s final decision to institute an action in the District Court of Johnson County, Kansas.

13-334. **RESERVATION OF RIGHTS.**
(a) In addition to any rights specifically reserved to the City by this Ordinance, the City reserves unto itself every right and power which is required to be reserved by a provision of any ordinance under any registration, permit or other authorization granted under this Ordinance. (Ord. 1834C, 12-06-99)
(Ord. 1976C; 12-16-02)

13-336. **Reserved for future use.**

13-337. **PLACEMENT OF GATES ON PUBLIC STREETS.**

(a) **Intent.** It is the stated policy of the Governing Body of the City of Leawood, Kansas, that the installation of limited access gates between residential subdivisions is not in the overall general interest of the citizens of Leawood and its neighboring communities. The installation of a limited access gate should be a rare exception with any installation being clearly demonstrated to the Governing Body by professional documentation that the positive impact of such an installation significantly exceeds the potential detrimental impact created by the presence of the limited access gate. Additionally, any limited access gate permitted and installed subsequent to the effective date of this ordinance, should be subject to periodic review with regard to maintenance.

(b) **Gates prohibited; exceptions.** Subject to the terms of this section, no person or entity shall install or maintain a limited access gate on or along any public street. Limited access gates installed prior to the effective date of this ordinance shall not be subject to the terms of this ordinance. Limited access gates on public streets may only be installed upon approval of the Governing Body.

(c) **Procedure for approval.** A person or entity desiring to install a limited access gate on or along a public street shall provide information and documentation to the City Administrator proving the following factors:

1. The City has not previously decided that a limited access gate located at or near the site should be denied;
2. The street connection involved has been constructed;
3. There are at least two existing unobstructed access points within any directly affected subdivision;
4. The furthest linear travel surface distance between the closest unobstructed access point and any home site is less than or equal to 1,500 feet;

*Code of the City of Leawood*
(5) The magnitude of the density, defined as dwelling unit per acre, between the affected subdivisions varies by at least 50%.

If the City Administrator determines that these factors have been met, then the applicant shall remit to the City the amount necessary for the City to commission a traffic study to evaluate the vehicle and pedestrian traffic and the capacity of the street design and street construction of the affected streets with and without having the proposed limited access gate. The study shall then be distributed to any directly affected neighboring city and subdivision, with a request for a formal response by a date certain. Upon expiration of the date certain, the City Administrator shall make a recommendation as to compliance with these conditions and shall compile this information and his findings and shall submit the information to the Planning Director. The applicant may then, upon filing the proper development application and fees, proceed with a proposed final development plan amendment with the Planning Commission.

If the City Administrator finds that any of the above referenced elements have not been met, then the applicant may not proceed with a request for amendment to the final development plan. The City Administrator shall inform the applicant of this decision. The applicant may then seek appeal to the Governing Body and the matter shall be scheduled on the next available agenda for hearing. If the Governing Body by majority vote of its membership determines that the factors have been met, then the applicant may proceed with filing the proper development application and fees necessary to request amendment to its final development plan.

13-401(a). PURPOSE

The purpose of this article is to preserve, protect, replace and properly maintain Street Trees within the City of Leawood, because trees are an important part of the community infrastructure, similar to waterlines, storm water systems and roadways. They improve our air, water and land quality by virtue of their biological functions. Trees provide aesthetic value to our community by increasing property values and improving our quality of life. Trees are long-lived and their services and value improve with age. For these reasons, Street Trees are recognized as important green infrastructure in our community. Examples of how Street Trees provide services to our community include:

1. Street Trees improve air quality by absorbing carbon dioxide, filtering out pollutants and providing oxygen.
2. Street Trees preserve and enhance the physical and aesthetic environment.
3. Street Trees reduce energy consumption, by shading roofs and streetscapes.
4. Street Trees reduce costs associated with gray infrastructure.
5. Street Trees absorb and intercept stormwater and help to reduce flooding and erosion.
6. Street Trees provide habitat for wildlife and food for birds and insects.
7. Street Trees improve physical and psychological health and social behavior.

(b) An exemption may only be given for final plat approval or for building permits for nonresidential development for which no final plat is required on the subject property for which access, as described in subsection (a) above, is assured.

(c) An applicant must apply for an exemption in conjunction with final plat approval or at the time of application for a building permit for nonresidential development for which no final plat is required. The petition shall contain the information required and shall be processed in accordance with the procedure set forth in Section 13-612(c) above. If an advance determination has been granted, the applicant shall submit evidence of same at the time of application for final plat approval or, for nonresidential development for which no final plat is required, at the time of application for building permit, thereby permitting concurrent action by the City.

(Ord. 1031C; 02-01-88)

(b) The amount of the credit shall be equal to the difference between collector and secondary arterial front-foot street costs, as determined by the City, multiplied by the length (in front feet) of the abutting arterial street as improved by the property owner; provided, however, that the credit shall not exceed the amount of the otherwise applicable Impact Fee.

(c) The Director of Planning and Development shall determine the applicability and amount of a credit based upon information to be submitted by the applicant including, but not limited to: a statement by the property owner or a duly designated agent of the property owner certifying that the applicant is the current owner of the property; documentary evidence of the ownership of the property at the time of occurrence of the event giving rise to the claim for a credit; a certified copy of the latest recorded deed for the subject property; and a statement of the reasons for which the credit is being sought.

This ordinance shall not affect, in any manner, the permissible use of property, density of development, design and improvement standards and requirements or any other aspect of the development of land or requirements for the provision of public improvements that may be imposed by the City pursuant to the zoning and subdivision regulations or other regulations of the City, which shall be operative and remain in full force and effect without limitation with respect to all such development.

(Ord. 1031C; 02-01-88)

13-616. IMPACT FEE AS ADDITIONAL AND SUPPLEMENTAL REQUIREMENT. The Impact Fee is additional and supplemental to, and not in substitution of, any other requirements imposed by the City as a condition of the development of land or the issuance of building permits; provided, however, that the Impact Fee requirement and the payment of such fee by a developer for the transportation improvements described herein shall not be duplicative of other street improvement requirements imposed pursuant to City zoning, subdivision, planned unit development or other applicable ordinances or regulations and the payment of the Impact Fee shall not be used to meet such requirements. The Impact Fee requirement is intended to be consistent with and to further the objectives and policies of the Master Plan and Major Street Plan and to be coordinated with other City policies, ordinances and resolutions by which the City seeks to ensure the provision of an adequate street system in conjunction with the development of land. In no event shall a property owner be obligated to pay an Impact Fee in an amount in excess of the amount calculated pursuant to this Ordinance; but, provided that a property owner may be required, pursuant to City zoning and subdivision regulations to dedicate land and/or to construct or escrow money for the construction of local and collector streets and on-site and abutting arterial streets, to collector street standards, in addition to meeting the Impact Fee requirements set forth herein.

(Ord. 1839C, 01-03-00)

15-502. APPLICABILITY. The provisions of this article shall extend and apply to all land within the corporate limits of the City.

(Ord. 1839C, 01-03-00)

15-503. INTERPRETATIONS. The provisions of this article are intended to supplement existing zoning and land use ordinances of the City. In their interpretations and application, the provisions herein shall be held to be the minimum requirements for the promotion of the public health, safety, protection of property and general welfare and where a conflict occurs the most stringent interpretation will apply.

(Ord. 1839C, 01-03-00)
15-504. **OBJECTIVES.** To promote the public health, safety, protection of property and general welfare of the citizens of Leawood, this “Stormwater Management Ordinance” is enacted for the general purpose of assuring the proper balance between use of land and the preservation of a safe and beneficial environment. More specifically, the provisions of these regulations, as amended from time to time, are intended to reduce property damage and to minimize the hazards of personal injury and loss of life due to flooding and erosion of soil through the following:

(a) Establishment of a Stormwater Management System.
(b) Definition and establishment of Stormwater Management Practice.
(c) Establishment of methods and guidelines for attenuating or avoiding flooding and erosion within the City from cumulative effects of increased volume and peak discharge of surface water runoff.
(d) Establishment of an appeal board to review disputed decisions of the Director of Public Works or Building Official and to resolve disputes regarding the interpretation and implementation of the provisions of this article. The Board of Zoning Appeals (BZA) will hear disputes regarding interpretations of the Director of Public Works or Building Official as appropriate.

(Ord. 1839C, 01-03-00)

15-505. **RELATIONSHIP TO OTHER LAWS.** These regulations shall not be construed as abating any action now pending under, or by virtue of prior regulations or ordinances, or as discontinuing, abating, modifying or altering any penalty accruing or about to accrue, or as affecting the liability of any person, firm or corporation, by lawful action of the City, except as shall be expressly provided for in these regulations.

(Ord. 1839C, 01-03-00)

15-506. **DISCLAIMER OF LIABILITY.** The performance standards and design criteria set forth herein establish minimum requirements, which must be implemented with good engineering practice and workmanship. Use of the requirements contained herein shall not constitute a representation, guarantee or warranty of any kind by the City, or its officers and employees, of the adequacy or safety of any stormwater management structure or use of land. Nor shall the approval of a Stormwater Management Plan and the issuance of a permit imply that land uses permitted will be free from damages caused by stormwater runoff. The degree of protection required by these regulations is considered reasonable for regulatory purposes and is based on historical records, engineering and scientific methods of study. Larger storms may occur or stormwater runoff heights may be increased by man-made or natural causes. These regulations therefore shall not create liability on the part of the City or any officer with respect to any legislative or administrative decision lawfully made hereunder.

(Ord. 1839C, 01-03-00)
15-507. SEVERABILITY. The property owner shall cooperate with the City by placing debris and tree limbs on the side of the street for collection by the Public Works Department.
Failure to Maintain — If the Director of Public Works determines that the owners, occupants or agents in charge of any lot piece or parcel of land on which a drainage control structure exists or abuts has failed to properly maintain such facility as previously set forth, the Director of Public Works shall notify the owners, occupants or agents in charge of the violation in writing. If the owners, occupants or agents in charge fail, neglect or refuse to comply with the requirements specified in the notice, within 10 days, the City Clerk shall issue notice requiring the owner or agent of the owner of the premises to repair, remove, and/or abate from the premises the thing or things therein described as a defect(s) and/or nuisance and perform the necessary remedial work within 10 days. The notice shall state that before the expiration of the waiting period, the recipient thereof may request a hearing before the governing body or its designated representative. The notice shall be served by delivering a copy thereof to the owner or agent of such owner of the property or, if the owner or owner’s agent cannot be located, then by mailing a notice by registered mail to the last known address of the owner or agent of the owner and by posting the notice in a conspicuous place on the property. If the owner or agent fails to comply with the requirement of the notice for a period longer than the 10 day time period set forth above, then the city shall proceed to cause the necessary remedial work to be performed and thereby have the things described in the notice repaired, removed, and/or abated from the lot or parcel of ground. The city shall give notice to the owner, occupant or agent by registered mail of the total cost of such repair, abatement or removal incurred by the city. Such notice also shall state that payment of such cost is due and payable within 30 days following receipt of such notice. If cost of such repair, removal, and/or abatement is not paid within the 30 day period, the cost shall be collected in the manner provided by appropriate legal action or shall be assessed and charged against the lot or parcel of ground on which the nuisance was located. If the cost is to be assessed, the City Clerk at the timing of certifying other city taxes to the county clerk shall certify the aforesaid costs, and the county clerk shall extend the same on the tax roll of the county against the lot or parcel of ground, and it shall be collected by the county treasurer and paid to the city as other city taxes are collected and paid.

If approved, a permit for the construction shall be granted. If disapproved, the application and data shall be returned to the applicant for corrective action and resubmittal.

(Ord. 1839C, 01-03-00)
DESIGN CRITERIA AND PERFORMANCE STANDARDS.

Unless otherwise approved by the Director of Public Works, the following rules shall govern the design of improvements with respect to managing stormwater runoff:

(a) **Development Design** - Streets, blocks, depth of lots, parks, and other public grounds shall be located and laid out in such a manner as to minimize the velocity of overland flow and allow maximum opportunity for infiltration of stormwater into the ground, and to preserve and utilize existing and planned streams, channels and detention basins, and include, whenever possible, streams, and floodplains within park and other public grounds.

(b) **Stormwater System Design** - Unless otherwise provided by the Director of Public Works, the latest approved edition of the Standard Specifications and Design Criteria, Division II, Section 2600, Construction and Material Specifications, adopted April 1996, (except Section 2602.2 B Corrugated Steel Pipe and Division V) and Section 5600, Storm Drainage Systems and Facilities, of the Standard Specifications and Design Criteria, adopted February 15, 2006, prepared by the Kansas City Metropolitan Chapter American Public Works Association or the latest edition as amended, which is by reference made a part hereof as though expressly rewritten and incorporated in the ordinance, shall govern the design and construction of storm sewer systems within the City except as otherwise noted herein.

(c) **Methods of Controlling Downstream Flooding** - The Stormwater Drainage Study shall identify downstream flooding impacts of the proposed development. If the Stormwater Drainage Study indicates the proposed development will cause or increase downstream local flooding conditions during the design storm, provisions to minimize such flooding conditions shall be included in the design of storm drainage improvements and/or the temporary controlled detention of stormwater runoff and its regulated discharge to the downstream storm drainage system.

(d) **Downstream Improvements** - Improvements to minimize downstream flooding conditions may include the construction of dams, dikes, levees, and floodwalls; culvert enlargements; and channel clearance and modification projects.

(1) Detention Basins - All detention basins shall be designed in accordance with Chapter 5608. All modeling of detention basins shall use either HEC-1 or the KU Penn State Runoff, (enhanced version PSRM Version 7) or subsequent editions, or as otherwise approved in advance by the City Engineer.

(2) Outlet Control Works - Outlet works shall not include any mechanical components or devices and shall function without requiring attendance or control during operation. Size and hydraulic characteristics shall be such that all water in detention storage is released to the downstream storm drainage system within 24 hours after the end of the design rainfall.
(e) *Other Design Considerations* - All stormwater detention basins shall be designed with the capability of passing a 100-year storm event from a fully developed watershed basin through the outlet works without causing failure of the embankment. It is not the intent of this requirement to entail any additional reduction of the peak runoff rate; but to assure the integrity and safety of the structure. All underground pipe systems to the detention basin shall tie directly into the outlet structure and not discharge directly into the basin unless waived by the Director of Public Works, in accordance with good engineering practices.

(f) *Appearance* - Pipes, drainage structures, outlet works, or other necessary structural features such as a fence and a gate of detention basins shall be devised so as to be minimum in number and inconspicuous. Screening and/or landscaping shall be included and shall be in accordance with plans sealed by an Engineer.

15-520. PERFORMANCE STANDARDS.

(a) *Stormwater Channel Location* — Acceptable locations of stormwater runoff channels in the design of a subdivision may include the following:

(1) Channels are permitted as outlined in Chapter 5600 of the Standard Specifications and Design Criteria adopted March 1991, prepared by the Kansas City Metropolitan Chapter American Public Works Association or current edition.

(2) Channels shall be centered on back lot lines or entirely within the rear yards of a single row of lots or parcels.

(3) In each of the foregoing cases, if the improved channel is to be maintained by the City a drainage easement to facilitate access maintenance and design flow shall be provided and shown on the plat. No structures will be allowed to be constructed within or across stormwater channels.

(4) Maintenance of such channels shall be the responsibility of adjoining property owners except as noted in section 15-515(a)(3).

(b) *Stormwater Sewer Outfall* — The storm sewer outfall shall be designed so as to provide adequate protection against downstream erosion and scouring. All pipe discharge shall be in the direction of the channel flow. The flow line of the pipe outfall shall be at the normal pool elevation or channel bottom if dry.
(c) **Lot Lines** — Whenever the plans call for the grading of swales for the passage of floodwater, surface runoff, or stormwater along lot lines, the grading of all such lots shall be prescribed and established for the passage of waters. No structure may be erected in these areas, which will obstruct the flow of stormwater. In addition, installation of fences and the planting of shrubbery or trees within the areas will not be permitted. Changes in the grade and contours of the floodwater or stormwater runoff channels or facilities will not be permitted unless approved in writing by the Director of Public Works.

(d) **Easements** — Permanent easements for the detention and conveyance of stormwater, including easements for access to structures and facilities, shall be dedicated to the City at no additional cost for those structures maintained by the City.

(e) **Permits** — A permit for projects including detention facilities may be granted by the Director of Public Works only after Final Construction Plans have been approved and all easements have been dedicated, accepted, and recorded, and all required maintenance assurances and required bonds have been executed.

15-525. EROSION AND SEDIMENT CONTROL REGULATIONS. Sections 15-525 through 15-544 shall be known as the Erosion and Sediment Control Regulations. The purpose of these standards is to promote and protect the public interest by regulating land disturbance, landfill, and soil storage in connection with the clearing and grading of land for construction related or other purposes. It is also the purpose of these standards to encourage responsible development and minimize the cost to the development community as a result of these regulations.

These erosion control regulations establish administrative, implementation and enforcement procedures for the protection and enhancement of the water quality of watercourses, water bodies, and wetlands by controlling erosion, sedimentation, and related environmental damage caused by construction-related or other activities.

Neither these ordinances nor any administrative decision made hereunder exempts the applicant or any other person from other requirements of the City's ordinances, state and federal laws, or from procuring other required permits, or limits the right of any person to maintain, at any time, any appropriate action, at law or in equity, for relief or damages against the applicant or any person arising from the activity regulated by these ordinances.

For such purposes, the Building Official shall have the powers of a law enforcement officer to issue written orders and take any other legal actions in the enforcement of these ordinances. The Building Official shall have the power to render interpretations of these regulations and to adopt and enforce rules and supplemental regulations in order to clarify the application of its provisions. Such interpretations, rules and regulations shall be in conformance with the intent and purpose of these regulations. When it is necessary to make an inspection or to enforce the provisions of these regulations, the Building Official may enter the property involved.

(Ord. 1973C; 12-02-02)

15-527. **LAND DISTURBANCE PERMIT.** Unless exempted by section 15-528, no person may perform land disturbing activities, including clearing, grading, excavating, filling, storing or disposing of soil and earth materials without first obtaining a land disturbance permit from the Building Official as set forth in these regulations.

(Ord. 1839C, 01-03-00)

15-528. **EXEMPTIONS.** Persons performing land disturbance activities that meet any of the criteria below are not required to apply for a land disturbance permit pursuant to this chapter:

(a) Land disturbances less than or equal to 400 square feet. Land disturbances, other than those set forth in exemptions (b) through (e) of this subsection, impacting land less than or equal to 400 square feet in area; provided however, that persons performing such work on such parcels who are not otherwise exempt under exemptions (b) through (e) of this subsection, must comply with the Erosion and Sediment Control Standards promulgated pursuant to section 15-541 if such land remains unprotected for more than seven calendar days.

The fee for each permit shall be as set forth by the City Council from time to time.

(Ord. 1839C, 01-03-00)

15-532. COORDINATION WITH OTHER PERMITS. When a person is developing a site, and a land disturbance permit is required in accordance with section 15-527, no construction permits shall be issued to make improvements on that site until the person has secured the land disturbance permit for the same site. The Building Official may simultaneously issue a land disturbance permit and a grading permit in accordance with a plan approved by Director of Public Works.

(Ord. 1839C, 01-03-00)

The site will be considered stabilized when either perennial vegetation, pavement, buildings, or structures using permanent materials cover all areas that have been disturbed. In order to terminate the land disturbance permit, the applicant shall submit a request to terminate permit to the Building Official. The Building Official will then inspect the site and make a determination as to whether the permit can be terminated. The applicant will be notified in writing of the determination.

If the applicant sells the property before the termination of the land disturbance permit, the permit may be assigned to the new owner, if such assignment is approved in writing by the Building Official.

If the applicant sells any portion of the property before the termination of the land disturbance permit, the applicant will remain responsible for that portion until one of the following events occur:

(a) The new owner of the property obtains a land disturbance permit.
(b) The new owner of the property obtains or is required to obtain a building permit.

(Ord. 1839C; 01-03-00)

As a complete alternative to other enforcement measures, the Building Official may suspend the land disturbance permit and issue a written Stop Work Order, and the applicant shall cease all work on the site, except work necessary to remedy the cause of the suspension, upon notification of such suspension when:

(a) Applicant fails to submit reports timely and in accordance with this Article;
(b) Inspection by the Building Official reveals the site is not in substantial compliance with the erosion and sediment control plan;
(c) Applicant fails to comply with an Order to bring the site into compliance with the permit within time limits imposed by the Building Official; or

*Code of the City of Leawood*
(d) Applicant fails to pay any required permit fee. The Building Official shall reinstate a suspended land disturbance permit upon the applicant’s correction of the cause of the suspension.

The applicant shall at all times maintain all erosion and sediment control measures in good order and in compliance with the erosion and sediment control plan for the site and with the City’s adopted standards, for the duration of the permit as defined in section 15-533. In determining the Applicant’s compliance with the erosion and sediment control plan for the site, the Building Official shall take into consideration any results the applicant has obtained through sampling.

(Ord. 1839C, 01-03-00)

15-537. SAMPLING. The applicant shall have the option of including a system of regular sampling by individuals approved to perform such sampling by the Building Official as a part of the applicant’s Erosion and Sediment Control Plan. The Building Official may require sampling to determine the effectiveness of the erosion control plan or to obtain information to investigate complaints regarding the site. Sampling shall not be the only item reviewed to determine compliance with the erosion and sediment control plan for the site. The Building Official may also perform sampling.

(Ord. 1839C, 01-03-00)

Code of the City of Leawood
15-538. **REMOVAL OF CONTROL MEASURES.** The applicant shall receive the Building Official’s approval before any structural erosion and sediment control measure identified on the plans is removed or made ineffective. Removal of erosion and sediment control measures must be performed in the manner described in the erosion and sediment control plan and in accordance with the City’s adopted standards. When determining whether an erosion and sediment control measures may be removed or made ineffective, the Building Official shall take into consideration testing results furnished by the applicant.  
(Ord. 1839C, 01-03-00)

15-539. **INSPECTIONS GENERALLY.** It shall be the duty of the land disturbance permit holder to install, routinely inspect, and maintain effective erosion and sediment control measures as specified in the permit holder’s approved erosion control plan. The applicant shall inspect the land disturbance site at least every 14 days or more frequently if required by the plan, and within 24 hours following each rainfall event of ½ inch or more within any 24-hour period. The Building Official shall also perform regular inspections of the land disturbance site to ensure compliance with the erosion and sediment control plan for the site and the City’s adopted standards. Should it be found that required erosion and sedimentation control measures have not been installed properly, the Building Official may refuse any inspection requests for work requiring inspections until such time as the site complies with the requirements of this Article. Subsequent inspections may be refused if the erosion and siltation control measures are ineffective, or not being maintained.  
(Ord. 1839C, 01-03-00)  
(Ord. 1973C; 12-02-02)

15-540. **ENFORCEMENT.** The Building Official may enforce this ordinance through the normal routine activities that include receiving inspection reports from the applicant, inspecting the site, communicating, negotiating, and written warnings to the applicant to resolve issues of non-compliance. However, as a complete alternative to the normal activities referred to above, the Building Official may proceed with any of the methods set forth in Sections 15-534 [suspension or revocation], 15-545 [bonds, maintenance assurances and permits] or may proceed with a citation for violation of this Article and seek the penalties set forth in § 15-550.  
(Ord. 1839C, 01-03-00)

15-601. TITLE. This Article 6 of Chapter 15 shall be known as the Illicit Discharge Code.  

(Ord. 2173C; 07-17-06)

15-602. PURPOSE AND FINDINGS. 
(a) The purpose of this Code shall be to prevent the discharge of pollutants from land and activities within the City into the municipal separate storm sewer system (MS4) and/or into surface waters.
(b) The Governing Body of the City hereby finds that pollutants are discharged into surface waters, both through inappropriate non-stormwater discharges into the MS4 or the surface waters directly, and through the wash off and transport of pollutants found on the land and built surfaces by stormwater during rainfall events.
(c) Further, the Governing Body of the City hereby finds that such discharge of pollutants may lead to increased risks of disease and harm to individuals, particularly children, who come into contact with the water; may degrade the quality of such water for human uses, such as drinking, irrigation, recreation, and industry; and may damage the natural ecosystems of rivers, streams, lakes and wetlands, leading to a decline in the diversity and abundance of plants and animals.
(d) Further, the Governing Body of the City hereby finds that this ordinance will promote public awareness of the hazards involved in the improper discharge of trash, yard waste, lawn chemicals, pet waste, wastewater, oil, petroleum products, cleaning products, paint products, hazardous waste, sediment and other pollutants into the storm drainage system.

Code of the City of Leawood
Further, the Governing Body of the City hereby finds that such discharges are inconsistent with the provisions and goals of the Clean Water Act, the National Pollutant Discharge Elimination System (NPDES), and other federal and state requirements for water quality and environmental preservation.

Further, the Governing Body of the City hereby finds that a reasonable establishment of restrictions and regulations on activities within the City is necessary to eliminate or minimize such discharges of pollutants, to protect the health and safety of citizens, to preserve economic and ecological value of existing water resources within the City and within downstream communities, and to comply with the provisions of the City's responsibilities under the Clean Water Act and the NPDES program.

ARTICLE 7. POST CONSTRUCTION STORMWATER RUNOFF CONTROL

15-701. TITLE. This Article 7 of Chapter 15 shall be known as the Post-Construction Storm Water Runoff Control Ordinance (“Ordinance”).

(Ord. 2287C; 12-17-07)

15-702. PURPOSE AND FINDINGS.

(a) The purpose of this Ordinance is to minimize and prevent the discharge of pollutants from developed land into the surface waters of the City by establishing reasonable requirements for the treatment of stormwater runoff from new development and redevelopment activities.

(b) The Governing Body finds that land development and the associated increases in impervious cover can increase the quantity and nature of pollutants carried by stormwater runoff, increase stormwater runoff rates and volumes, aggravate stream channel erosion and sediment transport, alter the hydrologic response of watersheds, and degrade the ecological function of downstream rivers, creeks, streams, lakes and other water bodies.

(c) Further, the Governing Body finds that stormwater treatment facilities and requirements can minimize those impacts by reducing pollutant levels carried in stormwater runoff, removing or reducing the concentrations of those pollutants that are carried, reducing stream bank erosion, and by restoring stormwater runoff rates and volumes to levels closer to the pre-development hydrologic regimes.

(c) Calculations: Hydrologic and hydraulic design calculations for the pre-
development and post-development conditions for the design storms specified in
this ordinance. Such calculations shall include (i) description of the design storm

registered engineer responsible for the design of the BMP’s.

ii. Maintenance Easements: The applicant must ensure access to all
stormwater BMPs at the site for the purpose of inspection and repair by
securing all the maintenance/access easements needed on a permanent

Prior to the issuance of any building permit for activities involving building a development resulting in land disturbance, except as specified in Section 15-705 is required, the City shall require the applicant to execute an inspection and maintenance agreement binding on all subsequent owners of land served by a private stormwater management facility. Such agreement shall provide for access to the facility at reasonable times for regular inspections by the City or its authorized representative to ensure that the facility is maintained in proper working condition to meet design standards.

2. The agreement shall be recorded by the applicant and/or owner in the land records of the County.

3. The agreement shall also provide that, if after notice by the City to correct a violation requiring maintenance work, satisfactory corrections are not made by the owner(s) within a reasonable period of time (30 days maximum), the owner will be cited for violation of the ordinance in accordance with Section 15-723.
(b) Maintenance Responsibility

1. The owner of the property on which work has been done pursuant to this Ordinance for private stormwater management facilities, or any other person or agent in control of such property, shall maintain in good condition and promptly repair and restore all grade surfaces, walls, drains, dams and structures, vegetation, erosion and sediment control measures, and other protective devices. Such repairs or restoration and maintenance shall be in accordance with approved plans.

(a) The Planning Commission or Governing Body may, in the process of approving preliminary plats, final plats, preliminary development plans or final development plans, or a building permit or land disturbance permit, if none of the above are required by other sections of this Chapter, approve deviations from the specific terms of this Ordinance which would not be contrary to the public interest and where, owing to special conditions, a literal enforcement of the provisions of this Ordinance would result in unnecessary hardship for the applicant, and provided that the spirit of this Ordinance shall be observed, the public safety and welfare secured and substantial justice done for the applicants.

(b) An application for a deviation may only be granted upon a finding that all of the following conditions have been met:

1. That the granting of the deviation will not adversely affect the rights of adjacent landowners.
2. That the strict application of the provisions of this Ordinance would constitute unnecessary hardship upon the landowner represented in the application.
3. That the deviation desired will not adversely affect the public health, safety, morals, order, convenience, prosperity or general welfare.
4. That granting the deviation will comply with the general spirit and intent of this Ordinance.
5. That it has been determined the granting of a deviation will not result in extraordinary public expense, create nuisances, cause fraud on or victimization of the public or conflict with existing local, federal, or state laws.

Upon consideration of the factors listed above and the purposes of this Ordinance, the City may attach such conditions to the granting of deviations as it deems necessary to further the purpose of this Chapter.

(c) In considering deviation applications, the City has the discretion of using any or all of the following project evaluations when, in the judgment of the Planning Commission or Governing Body, these evaluations are relevant and appropriate. No individual or combination of evaluations are necessarily required for an application to be approved and the Planning Commission or Governing Body may weigh these evaluations in light of all relevant considerations in determining whether or not to approve an application.

1. That alternative standards for stormwater management, water quality protection, and ecological preservation have been established, and/or that mitigation measures are undertaken.
2. That existing physical or natural characteristics of the site make strict application of the Ordinance infeasible.

Code of the City of Leawood
3. That concerns for flooding, stream bank erosion, stream instability, and maintenance of culverts, bridges or other structures are addressed.

e. Roof drain – A pipe system which conveys only runoff from building roofs.

f. Storm water detention facility – A facility which controls the maximum release rate from a site. It is considered to be separate by definition from the storm sewer system for regulation and specification purposes.

a. 15-inch diameter, 18-inch diameter and 24-inch diameter HDPE pipe is allowed only for private storm sewer systems.

b. A private system using HDPE pipe may enter the public right-of-way to connect with a public storm sewer at a structure. However, HDPE pipe is not allowed to be installed underneath public streets.

If the owner or agent fails to comply with the requirement of the notice for a period longer than the 10 day time period set forth above, then the city shall proceed to cause the necessary remedial work to be performed and thereby have the things described in the notice repaired, removed, and/or abated from the lot or parcel of ground. The city shall give notice to the owner, occupant or agent by registered mail of the total cost of such repair, abatement or removal incurred by the city. Such notice also shall state that payment of such cost is due and payable within 30 days following receipt of such notice. If cost of such repair, removal, and/or abatement is not paid within the 30 day period, the cost shall be collected in the manner provided by appropriate legal action or shall be assessed and charged against the lot or parcel of ground on which the nuisance was located. The submittal of the final plans shall coincide with application for final approval of the development and shall constitute a refinement of the concepts approved in the study. It is important to note that if a project is to be phased, the total area of the conceptual project is to be considered in all calculations and the facility shall be designed for each phase, which will be compatible with those of the total development plan.

The Director of Public Works shall review the Final Construction Plans. If it is determined according to current engineering practice that the proposed plan will provide control of stormwater runoff in accordance with the purposes, design criteria and performance standards of these regulations and will not be detrimental to the public health, safety and protection of property and general welfare, the Director of Public Works shall approve the plan or conditionally approve the plan, setting forth the conditions thereof. If approved, a permit for the construction shall be granted. If disapproved, the application and data shall be returned to the applicant for corrective action and resubmittal.

(Ord. 1839C, 01-03-00)

15-519. DESIGN CRITERIA AND PERFORMANCE STANDARDS.

Unless otherwise approved by the Director of Public Works, the following rules shall govern the design of improvements with respect to managing stormwater runoff:

(a) Development Design - Streets, blocks, depth of lots, parks, and other public grounds shall be located and laid out in such a manner as to minimize the velocity of overland flow and allow maximum opportunity for infiltration of stormwater into the ground, and to preserve and utilize existing and planned streams, channels and detention basins, and include, whenever possible, streams, and floodplains within park and other public grounds.
(b) **Stormwater System Design** - Unless otherwise provided by the Director of Public Works, the latest approved edition of the Standard Specifications and Design Criteria, Division II, Section 2600, Construction and Material Specifications, adopted April 1996, (except Section 2602.2 B Corrugated Steel Pipe and Division V) and Section 5600, Storm Drainage Systems and Facilities, of the Standard Specifications and Design Criteria, adopted February 15, 2006, prepared by the Kansas City Metropolitan Chapter American Public Works Association or the latest edition as amended, which is by reference made a part hereof as though expressly rewritten and incorporated in the ordinance, shall govern the design and construction of storm sewer systems within the City except as otherwise noted herein.

(c) **Methods of Controlling Downstream Flooding** - The Stormwater Drainage Study shall identify downstream flooding impacts of the proposed development. If the Stormwater Drainage Study indicates the proposed development will cause or increase downstream local flooding conditions during the design storm, provisions to minimize such flooding conditions shall be included in the design of storm drainage improvements and/or the temporary controlled detention of stormwater runoff and its regulated discharge to the downstream storm drainage system.

(d) **Downstream Improvements** - Improvements to minimize downstream flooding conditions may include the construction of dams, dikes, levees, and floodwalls; culvert enlargements; and channel clearance and modification projects.

1. **Detention Basins** - All detention basins shall be designed in accordance with Chapter 5608. All modeling of detention basins shall use either HEC-1 or the KU Penn State Runoff, (enhanced version PSRM Version 7) or subsequent editions, or as otherwise approved in advance by the City Engineer.

2. **Outlet Control Works** - Outlet works shall not include any mechanical components or devices and shall function without requiring attendance or control during operation. Size and hydraulic characteristics shall be such that all water in detention storage is released to the downstream storm drainage system within 24 hours after the end of the design rainfall.

(e) **Other Design Considerations** - All stormwater detention basins shall be designed with the capability of passing a 100-year storm event from a fully developed watershed basin through the outlet works without causing failure of the embankment. It is not the intent of this requirement to entail any additional reduction of the peak runoff rate; but to assure the integrity and safety of the structure. All underground pipe systems to the detention basin shall tie directly into the outlet structure and not discharge directly into the basin unless waived by the Director of Public Works, in accordance with good engineering practices.

*Code of the City of Leawood*
(f) **Appearance** - Pipes, drainage structures, outlet works, or other necessary structural features such as a fence and a gate of detention basins shall be devised so as to be minimum in number and inconspicuous. Screening and/or landscaping shall be included and shall be in accordance with plans sealed by an Engineer.

15-520. **PERFORMANCE STANDARDS.**

(a) **Stormwater Channel Location** — Acceptable locations of stormwater runoff channels in the design of a subdivision may include the following:

(1) Channels are permitted as outlined in Chapter 5600 of the Standard Specifications and Design Criteria adopted March 1991, prepared by the Kansas City Metropolitan Chapter American Public Works Association or current edition.

(2) Channels shall be centered on back lot lines or entirely within the rear yards of a single row of lots or parcels.

(3) In each of the foregoing cases, if the improved channel is to be maintained by the City a drainage easement to facilitate access maintenance and design flow shall be provided and shown on the plat. No structures will be allowed to be constructed within or across stormwater channels.

(4) Maintenance of such channels shall be the responsibility of adjoining property owners except as noted in section 15-515(a)(3).

(b) **Stormwater Sewer Outfall** — The storm sewer outfall shall be designed so as to provide adequate protection against downstream erosion and scouring. All pipe discharge shall be in the direction of the channel flow. The flow line of the pipe outfall shall be at the normal pool elevation or channel bottom if dry.

(c) **Lot Lines** — Whenever the plans call for the grading of swales for the passage of floodwater, surface runoff, or stormwater along lot lines, the grading of all such lots shall be prescribed and established for the passage of waters. No structure may be erected in these areas, which will obstruct the flow of stormwater.

In addition, installation of fences and the planting of shrubbery or trees within the areas will not be permitted. Changes in the grade and contours of the floodwater or stormwater runoff channels or facilities will not be permitted unless approved in writing by the Director of Public Works.

*Code of the City of Leawood*
(d)  *Easements* — Permanent easements for the detention and conveyance of stormwater, including easements for access to structures and facilities, shall be dedicated to the City at no additional cost for those structures maintained by the City.

(e)  *Permits* — A permit for projects including detention facilities may be granted by the Director of Public Works only after Final Construction Plans have been approved and all easements have been dedicated, accepted, and recorded, and all required maintenance assurances and required bonds have been executed.

15-525. **EROSION AND SEDIMENT CONTROL REGULATIONS.** Sections 15-525 through 15-544 shall be known as the Erosion and Sediment Control Regulations. The purpose of these standards is to promote and protect the public interest by regulating land disturbance, landfill, and soil storage in connection with the clearing and grading of land for construction related or other purposes. It is also the purpose of these standards to encourage responsible development and minimize the cost to the development community as a result of these regulations.

These erosion control regulations establish administrative, implementation and enforcement procedures for the protection and enhancement of the water quality of watercourses, water bodies, and wetlands by controlling erosion, sedimentation, and related environmental damage caused by construction-related or other activities.

Neither these ordinances nor any administrative decision made hereunder exempts the applicant or any other person from other requirements of the City’s ordinances, state and federal laws, or from procuring other required permits, or limits the right of any person to maintain, at any time, any appropriate action, at law or in equity, for relief or damages against the applicant or any person arising from the activity regulated by these ordinances.

(Ord. 1839C, 01-03-00)

15-526. **ADMINISTRATION.** The Building Official or his or her designee ['Building Official'] shall administer and enforce these erosion control standards. For such purposes, the Building Official shall have the powers of a law enforcement officer to issue written orders and take any other legal actions in the enforcement of these ordinances. The Building Official shall have the power to render interpretations of these regulations and to adopt and enforce rules and supplemental regulations in order to clarify the application of its provisions. Such interpretations, rules and regulations shall be in conformance with the intent and purpose of these regulations. When it is necessary to make an inspection or to enforce the provisions of these regulations, the Building Official may enter the property involved.

Land disturbance permits may be issued for each land disturbance phase of a specific site. The land disturbance permit when issued in phases shall be a separate permit for each land disturbance phase. The Building Official shall review the submitted documents for compliance with the City’s regulations and adopted standards. The site will be considered stabilized when either perennial vegetation, pavement, buildings, or structures using permanent materials cover all areas that have been disturbed. In order to terminate the land disturbance permit, the applicant shall submit a request to terminate permit to the Building Official. The Building Official will then inspect the site and make a determination as to whether the permit can be terminated. The applicant will be notified in writing of the determination.

If the applicant sells the property before the termination of the land disturbance permit, the permit may be assigned to the new owner, if such assignment is approved in writing by the Building Official.

If the applicant sells any portion of the property before the termination of the land disturbance permit, the applicant will remain responsible for that portion until one of the following events occur:

(a) The new owner of the property obtains a land disturbance permit.
(b) The new owner of the property obtains or is required to obtain a building permit.

(Ord. 1839C; 01-03-00)

15-534. **SUSPENSION OR REVOCATION OF PERMIT.** The Building Official shall follow the procedures outlined in this Section before any action is taken against the security as provided under Section 15-545.

As a complete alternative to other enforcement measures, the Building Official may suspend the land disturbance permit and issue a written Stop Work Order, and the applicant shall cease all work on the site, except work necessary to remedy the cause of the suspension, upon notification of such suspension when:

(a) Applicant fails to submit reports timely and in accordance with this Article;
(b) Inspection by the Building Official reveals the site is not in substantial compliance with the erosion and sediment control plan;
(c) Applicant fails to comply with an Order to bring the site into compliance with the permit within time limits imposed by the Building Official; or

The applicant shall at all times maintain all erosion and sediment control measures in good order and in compliance with the erosion and sediment control plan for the site and with the City’s adopted standards, for the duration of the permit as defined in section 15-533. In determining the Applicant’s compliance with the erosion and sediment control plan for the site, the Building Official shall take into consideration any results the applicant has obtained through sampling.

15-537. SAMPLING. The applicant shall have the option of including a system of regular sampling by individuals approved to perform such sampling by the Building Official as a part of the applicant’s Erosion and Sediment Control Plan. The Building Official may require sampling to determine the effectiveness of the erosion control plan or to obtain information to investigate complaints regarding the site. Sampling shall not be the only item reviewed to determine compliance with the erosion and sediment control plan for the site. The Building Official may also perform sampling.

(Ord. 1839C, 01-03-00)
(Ord. 1973C; 12-02-02)

Removal of erosion and sediment control measures must be performed in the manner described in the erosion and sediment control plan and in accordance with the City’s adopted standards. When determining whether an erosion and sediment control measures may be removed or made ineffective, the Building Official shall take into consideration testing results furnished by the applicant.

(Ord. 1839C, 01-03-00)

15-539. **INSPECTIONS GENERALLY.** It shall be the duty of the land disturbance permit holder to install, routinely inspect, and maintain effective erosion and sediment control measures as specified in the permit holder’s approved erosion control plan. The applicant shall inspect the land disturbance site at least every 14 days or more frequently if required by the plan, and within 24 hours following each rainfall event of ½ inch or more within any 24-hour period. The Building Official shall also perform regular inspections of the land disturbance site to ensure compliance with the erosion and sediment control plan for the site and the City’s adopted standards. Should it be found that required erosion and sedimentation control measures have not been installed properly, the Building Official may refuse any inspection requests for work requiring inspections until such time as the site complies with the requirements of this Article. Subsequent inspections may be refused if the erosion and siltation control measures are ineffective, or not being maintained.

(Ord. 1839C, 01-03-00)
(Ord. 1973C; 12-02-02)

15-540. **ENFORCEMENT.** The Building Official may enforce this ordinance through the normal routine activities that include receiving inspection reports from the applicant, inspecting the site, communicating, negotiating, and written warnings to the applicant to resolve issues of non-compliance. However, as a complete alternative to the normal activities referred to above, the Building Official may proceed with any of the methods set forth in Sections 15-534 [suspension or revocation], 15-545 [bonds, maintenance assurances and permits] or may proceed with a citation for violation of this Article and seek the penalties set forth in § 15-550.

(Ord. 1839C, 01-03-00)

ARTICLE 6. ILLICIT DISCHARGE

15-601. TITLE.  This Article 6 of Chapter 15 shall be known as the Illicit Discharge Code.

(Ord. 2173C; 07-17-06)

15-602. PURPOSE AND FINDINGS.

(a) The purpose of this Code shall be to prevent the discharge of pollutants from land and activities within the City into the municipal separate storm sewer system (MS4) and/or into surface waters.

(b) The Governing Body of the City hereby finds that pollutants are discharged into surface waters, both through inappropriate non-stormwater discharges into the MS4 or the surface waters directly, and through the wash off and transport of pollutants found on the land and built surfaces by stormwater during rainfall events.

(c) Further, the Governing Body of the City hereby finds that such discharge of pollutants may lead to increased risks of disease and harm to individuals, particularly children, who come into contact with the water; may degrade the quality of such water for human uses, such as drinking, irrigation, recreation, and industry; and may damage the natural ecosystems of rivers, streams, lakes and wetlands, leading to a decline in the diversity and abundance of plants and animals.

(d) Further, the Governing Body of the City hereby finds that this ordinance will promote public awareness of the hazards involved in the improper discharge of trash, yard waste, lawn chemicals, pet waste, wastewater, oil, petroleum products, cleaning products, paint products, hazardous waste, sediment and other pollutants into the storm drainage system.

(e) Further, the Governing Body of the City hereby finds that such discharges are inconsistent with the provisions and goals of the Clean Water Act, the National Pollutant Discharge Elimination System (NPDES), and other federal and state requirements for water quality and environmental preservation.

(f) Further, the Governing Body of the City hereby finds that a reasonable establishment of restrictions and regulations on activities within the City is necessary to eliminate or minimize such discharges of pollutants, to protect the health and safety of citizens, to preserve economic and ecological value of existing water resources within the City and within downstream communities, and to comply with the provisions of the City’s responsibilities under the Clean Water Act and the NPDES program.

ARTICLE 7. POST CONSTRUCTION STORMWATER RUNOFF CONTROL

15-701. TITLE.
This Article 7 of Chapter 15 shall be known as the Post-Construction Storm Water Runoff Control Ordinance ("Ordinance"). (Ord. 2287C; 12-17-07)

15-702. PURPOSE AND FINDINGS.
(a) The purpose of this Ordinance is to minimize and prevent the discharge of pollutants from developed land into the surface waters of the City by establishing reasonable requirements for the treatment of stormwater runoff from new development and redevelopment activities.

(b) The Governing Body finds that land development and the associated increases in impervious cover can increase the quantity and nature of pollutants carried by stormwater runoff, increase stormwater runoff rates and volumes, aggravate stream channel erosion and sediment transport, alter the hydrologic response of watersheds, and degrade the ecological function of downstream rivers, creeks, streams, lakes and other water bodies.

(c) Further, the Governing Body finds that stormwater treatment facilities and requirements can minimize those impacts by reducing pollutant levels carried in stormwater runoff, removing or reducing the concentrations of those pollutants that are carried, reducing stream bank erosion, and by restoring stormwater runoff rates and volumes to levels closer to the pre-development hydrologic regimes. (a) The Planning Commission or Governing Body may, in the process of approving preliminary plats, final plats, preliminary development plans or final development plans, or a building permit or land disturbance permit, if none of the above are required by other sections of this Chapter, approve deviations from the specific terms of this Ordinance which would not be contrary to the public interest and where, owing to special conditions, a literal enforcement of the provisions of this Ordinance would result in unnecessary hardship for the applicant, and provided that the spirit of this Ordinance shall be observed, the public safety and welfare secured and substantial justice done for the applicants.

(b) An application for a deviation may only be granted upon a finding that all of the following conditions have been met:

1. That the granting of the deviation will not adversely affect the rights of adjacent landowners.
2. That the strict application of the provisions of this Ordinance would constitute unnecessary hardship upon the landowner represented in the application.

Nothing in this grant shall be construed to franchise or authorize the use of the Grantee’s Distribution Facilities or Right-of-Way by the Grantee or others, for any purpose other than the provision of natural gas. The Grantee may not allow a subsidiary, affiliate, or a third party to acquire rights to occupy the Right-of-Way under this Franchise Ordinance, provided, that nothing in this section shall prevent Grantee from allowing the use of its Distribution Facilities by others for the purpose of providing Transport Gas to Transportation Consumers when the City is compensated for such use, pursuant to the provisions of this Franchise Ordinance.

d. Upon written request by the Grantee to the City, the compensation provisions of this Franchise Ordinance shall be reopened and renegotiated if energy consumers within the City have access to alternative natural gas suppliers or other suppliers of energy which use the Right-of-Way and/or easements granted on publicly owned property and pay a franchise fee or other payment which results in a material or economic disadvantage to the Grantee. Upon written request by the Grantee to the City, the compensation provisions of this Franchise Ordinance and the use of the Right-of-Way provisions of this Franchise Ordinance shall be reopened and renegotiated if energy consumers within the City have access to alternative natural gas suppliers or other suppliers of energy which use the Right-of-Way and do not have requirements on the use of the Right-of-Way substantially equivalent to the requirements of this Franchise Ordinance, which results in a material or economic disadvantage to the Grantee.

e. Such payments shall be made on or before the last day of each month and shall be based upon such Gross Receipts charges and collected for the preceding month.

SECTION 5. Use of Right-of-Way

a. The Grantee’s use of the Right of Way granted by the City shall be subject to all rules, regulations, ordinances, resolutions and policies now or hereafter adopted or promulgated by the City in the reasonable exercise of its police power. In addition, the Grantee shall be subject to all rules, regulations, ordinances, resolutions and policies now or hereafter adopted or promulgated by the City relating to permits, sidewalk and pavement cuts, utility location, construction coordination, and other requirements on the use of the Right of Way; provided however, that nothing contained herein shall constitute a waiver of or be construed as waiving the right of the Grantee to oppose, challenge, or seek judicial review of, in such manner as is now or may hereafter be provided by law, any such rules, regulation or policy proposed, adopted, or promulgated by the City.

b. All mains, services, and pipe which shall be laid or installed under this grant shall be so located and laid as not to obstruct or interfere with any water pipes, drains, sewers, or other structures already installed. Grantee shall provide, prior to commencing work, information to the City concerning work to be performed in the Right-of-Way, as the City may from time to time require for purposes of record keeping.
c. Grantee shall, in doing the work in connection with its said gas mains, pipes, and services, avoid, so far as may be practicable, interfering with the use of any street, alley, avenue, or other public thoroughfare. It shall, without expense to the City, and in a manner satisfactory to the duly authorized representatives of the City, replace such paving or surface in accordance with the City’s requirements.

d. It is recognized that the natural gas to be delivered hereunder is to be supplied from a pipeline system transporting natural gas from distant sources of supply; and the Grantee, by its acceptance of this Franchise Ordinance as hereinafter provided, does obligate itself to furnish natural gas in such quantity and for such length of time, limited by the terms hereof, as the said sources and said pipelines are reasonably capable of supplying.

e. Grantee, its successors and assigns, in the construction, maintenance, and operation of its natural gas system, shall use all reasonable and proper precaution to avoid damage or injury to persons and property, and shall hold and save harmless the City from any and all damage, injury, and expense caused by the negligence of said Grantee, its successors and assigns, or its or their agents or servants.

SECTION 6. Acceptance of Terms by Grantee and Effective Date of Ordinance.

Code of the City of Leawood
SECTION 8. Indemnity
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representative, while installing, repairing or maintaining Distribution Facilities in the Right-of-Way or in regards any action or inaction related to Grantee’s obligations set forth in this Franchise.

The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under the state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and the Grantee and does not create or grant any rights, contractual or otherwise, to any other person or Entity.

a. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Franchise Ordinance.

Code of the City of Leawood
b. As an alternative to the requirements of subsection A, Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in the aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page.

d. Grantee shall, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $5,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Distribution Facilities located in the Right-of-Way. The required performance bond must be with good and sufficient sureties, issued by a surety authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance. Alternatively, if the Grantee anticipates that it will be engaged in the construction and/or maintenance of its Facilities in the Right-of-Way multiple times during the course of a year, the Grantee may choose to meet the bond requirements by providing a bond of $50,000 annually.

SECTION 10. Payment of Costs.
Grantee shall be responsible for payment of all costs and expense of publishing this Franchise Ordinance and any amendments thereof.

SECTION 11. Authority.
This Franchise Ordinance is granted pursuant to the provisions of K.S.A. 12-2001 and amendments thereto.

SECTION 12. Actions by the Kansas Corporation Commission.
Should the Kansas Corporation Commission take any action with respect to this Franchise Ordinance and any amendments thereto which precludes Grantee from recovering from its customers any costs or fees provided for hereunder, the parties shall renegotiate this Franchise Ordinance in accordance with the Commission’s ruling.
SECTION 13. Revocation and Termination.
In case of failure on the part of Grantee to comply with any of the provisions of this Franchise Ordinance, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Franchise Ordinance, Grantee shall forfeit all right, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Franchise Ordinance shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have ninety (90) days thereafter in which to comply with the conditions and requirements of this Franchise Ordinance. If a cure cannot be reasonably affected within ninety (90) days, Grantee shall be afforded such additional time to cure, as the City and Grantee shall agree. If at the end of such period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Franchise Ordinance shall be deemed revoked and terminated at the end of this thirty-day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment and any appeal therefrom. Provided, however, that the failure of Grantee to comply with any of the provisions of this Franchise Ordinance or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Franchise Ordinance shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

Upon expiration of this Franchise Ordinance, whether by lapse of time, by agreement between the Grantee and the City, or by forfeiture thereof, the Grantee shall have the right to remove any and all of its mains and pipes, laterals, appurtenances, and equipment used in its business within a reasonable time and after such expiration, but in such event, it shall be the duty of the Grantee, immediately upon and during such removal to restore the streets, avenues, alleys, and other public ways and grounds from which said pipes, laterals, and other equipment have been removed, to the equivalent condition as the same were before said removal was effects.

Code of the City of Leawood
SECTION 15. Conditions of Franchise.
This non-exclusive franchise, grant, and privilege is granted under and subject to all applicable laws and under and subject to all of the orders, rules, and regulations now or hereafter adopted by governmental bodies now or hereafter having jurisdiction, and each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other causes beyond City’s or Grantee’s control.

SECTION 16. Failure to Enforce.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Franchise Ordinance shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 17. Repeal of Conflicting Ordinances.
Ordinance No. 1509C and amendments thereto which heretofore granted a non-exclusive franchise to the Grantee, and which became a contract between the City and the Grantee in accordance with its terms and all other ordinances and resolutions or parts thereof inconsistent or in conflict with the terms hereof, are hereby repealed, effective as of the first cycle of the monthly billing cycle which begins in August 2015.

b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way., This Contract franchise does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;

2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or,

3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on property or facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. Access to the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee has the right to construct, maintain and operate it Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. When the City requests removal, relocation or adjustment of Grantee’s Facilities within the Public right-of-way for construction or maintenance activities related to improvements that are, in whole or in part, for private benefit, such private party or parties shall reimburse Grantee for the cost of removal, relocation or adjustment, in an amount equal to the percentage of the private benefit received. Grantee shall not be obligated to commence the removal, relocation or adjustment until receipt of funds for the costs from such private party or parties. Further, Grantee shall have no liability for delays caused by a private party’s failure to reimburse costs. Grantee understands, however, that the City has no obligation to collect such reimbursement.

d. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the month for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

Code of the City of Leawood
d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein pursuant to K.S.A. 12-2001(j) as amended shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and K.S.A. 17-1902, and amendments thereto. The franchise fee shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunication local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

a. It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

b. Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee or subcontractor of Grantee, while installing, repairing or maintaining Facilities in the Public right-of-way.

Code of the City of Leawood
c. The indemnity provided by this section does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

d. Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with insurers rated at least A-VII by AM Best and that are lawfully permitted to do business in the state of Kansas. Grantee shall provide the following insurance:

The City shall be included as an additional insured as its interests may appear with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may self-insure and, as such, Grantee has the ability to provide coverage in an amount not less than One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) in aggregate, to protect the City from and against claims by any person for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred as respects this Contract franchise. If Grantee elects to self-insure, it shall furnish to the City a certificate of self-insurance listing the City as additionally insured with respect to liability arising from Grantee’s operations under this Contract franchise. In the event Grantee elects to self-insure its obligation to include City as an additional insured, the following provisions shall apply:

1. City shall promptly and no later than thirty (30) days after notice thereof provide Grantee with written notice of any claim, demand, lawsuit or the like, for which it seeks coverage pursuant to the section and provide Grantee with copies of any demands, notices, summonses or legal papers received in connection with such claim, demand, lawsuit or the like;
2. City shall not settle any such claim, demand, lawsuit or the like without the prior written consent of Grantee; and,

Grantee shall timely notify the City if the insurance is cancelled or non-renewed and not replaced. Upon renewal or replacement of any such insurance policies, the Grantee shall notify the City, in writing, and provide a current Certificate of Insurance.

d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a construction bond in the amount of Fifty Thousand Dollars ($50,000), payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the state of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.

a. In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures:

1. Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice, pursuant to Section 12 of this Contract franchise, upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise;

2. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided, pursuant to Section 12 of this Contract franchise, reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter.
3. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

b. Nothing herein shall prevent the City or Grantee from invoking any other remedy that may otherwise exist at law.

SECTION 8. RESERVATION OF RIGHTS.

a. To the extent permitted by law, the City specifically reserves its right and authority as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee's rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee's property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of: the laws of the State of Kansas as the same may be amended; its Home Rule powers and other authority established pursuant to the Constitution of the State of Kansas; nor, any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of: the laws of the State of Kansas or applicable federal laws and regulations as the same may be amended; under the Constitution of the State of Kansas; nor, any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City's nor Grantee's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of the Contract franchise or any present or future laws, non-franchise ordinances (e.g. the City's right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings that may be the basis for parties entering into this Contract franchise.
SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of six (6) years from the effective date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional two (2) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least ninety (90) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.
SECTION 11.  MOST FAVORED NATION
Pursuant to K.S.A. 12-2001 and K.S.A. 17-1902, and amendments thereto, City represents and warrants that all benefits, terms and conditions in this Contract franchise are and, during the term of this Contract franchise, will continue to be no less favorable to Grantee in the same or similar circumstances than those currently being offered to or that may be offered and agreed to by City and any other local exchange carrier, telecommunications carrier, or video services provider, or Internet Protocol services provider, regardless of the form or nature of the agreement with any such other carrier or provider, and that the City shall treat Grantee in a competitively neutral, non-discriminatory manner.

Franchisee shall not be required in any instance to remove buried cables.

(b) Said City may declare abandoned any property of said franchisee remaining in place ninety (90) days after notification as herein above provided, and the same shall be considered permanently abandoned property unless said City extends the time for removal for a period not to exceed an additional thirty (30) days.

The franchisee shall have the authority to trim trees which are located upon and overhang the public streets and other public ways of said City, so as to prevent the branches of such trees from coming into contact with the franchisee’s properties.

(7) That the system uses components having a voltage standing wave ratio (VSWR) of 1.4 or less; and

(8) That the system will and does produce a picture upon any subscriber's television screen in black and white or color (provided the subscriber's set is capable of producing a color picture) that is undistorted and free from ghost images and accompanied by proper sound, assuming standard production television sets in good repair, and in any event, the picture shall be as good as the state of the art allows; and

(9) That the system transmits or distributes signals of adequate strength to produce good pictures with good sound at all television receivers of all subscribers, without causing cross-modulation in the cables or interfering with other electromagnetic radiation or the reception of other television or radio receivers in the area not connected to the system.

The franchisee agrees that the cable television system to be operated pursuant to this franchise shall be upgraded in terms of its channel capacity and shall no later than December 31, 1991, be capable of technical transmission of a minimum of fifty-four (54) standard television channels to subscribers.

The franchisee will limit system failures to a minimum by locating and correcting malfunctions promptly but in no event longer than 24 hours after notice has been given, except said time shall be extended during such time as performance of this obligation is prevented by an act of God or the same is otherwise made impossible because of circumstances over which the franchisee has no control; provided further that the franchisee will maintain and provide to its subscribers an office near the City, which shall be available to said subscribers during normal business hours of every day Monday through Friday inclusive, for the purpose of receiving complaints or requests for repairs, adjustments, or other service caused by some failure or malfunction of the system, and that said franchisee shall provide its subscribers with facilities for receiving requests and complaints for service at a time other than that herein provided.

Should franchisee find equipment or devices have been connected to franchisee's cable television system by any persons and that said equipment or devices are causing interference to the system or degradation of the quality of transmission received by subscribers, or impairing franchisee's ability to comply with any laws and regulations governing cable television transmissions, franchisee is hereby empowered immediately to disconnect said equipment or devices from the cable television system.

Section 20. RIGHTS RESERVED TO THE CITY. Without limitation upon the rights which the City might otherwise have, said City does hereby expressly reserve the following rights, powers and authorities:

Code of the City of Leawood

(b)  The right to grant additional cable television franchises within said City subject to the provisions of Section 3 hereof.

The City's failure to enforce and remedy any noncompliance by the franchisee of the terms and conditions of this franchise ordinance shall not constitute a waiver of said City's rights hereunder, and said franchisee shall continue to perform its obligations as herein provided.

Section 21. CONDITIONS FOR FORFEITURE OF FRANCHISE. In addition to all other rights and powers herein reserved or otherwise enjoyed by the City, said City reserves as an additional and separate remedy the right to revoke the franchise herein granted and all rights and privileges of said franchisee conferred hereunder, upon the occurrence of any of the following events:

(a)  That franchisee fails to remedy within thirty (30) days following the date upon which written notice is received of said franchisee's failure to comply with the provisions of this franchise ordinance whether the same be committed by act or omissions, the violation set forth in said notice; or

(b)  That any provisions of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body of said City to constitute such a material consideration for the granting of said franchise as to cause the same to become null and void; or

(c)  Franchisee is adjudged a bankrupt, becomes insolvent, suffers a transfer of its properties pursuant to an action of its creditors upon an instrument or judicial declaration securing said creditor's interest in said properties, and thereafter the same be not redeemed by said franchisee within thirty (30) days from the date of said transfer, or said franchisee is otherwise unable or unwilling to pay its debts and obligations as the same accrue; or

(d)  The franchisee commits an act of fraud or deceit against said City in obtaining the grant of the franchise herein conferred, or upon being granted said franchisee commits such an act against said City; or
(e) Franchisee shall give to any person, firm, corporation or other business association, preference or advantage over some other person in assessing and levying its rates and charges, or in serving its subscribers, or in enforcing its rules and regulations, or in any other respect; provided that no revocation shall be effective unless, or until, the Governing Body of said City shall find at one of its regular meetings or such other special meeting as may be required, that a violation of the terms and conditions of said franchise ordinance as herein set forth, was committed or occurred by said franchisee; provided further that the revocation and repeal of this franchise ordinance shall become effective only upon the enactment of an ordinance by said Governing Body of said City adopted not sooner than a date thirty (30) days following the date upon which said franchisee is notified of any alleged act or commission for which said franchise may be revoked, as herein provided.

Provided further that any allegation of violation of subparagraph (E) herein above by franchisee shall be given to franchisee in writing and that franchisee shall have a period of thirty (30) days in which to correct said allegation or provide sufficient information to said City so City could determine that no such violation in fact occurred, before City may proceed with the franchise revocation process provided herein.

Provided further that nothing herein contained in this section shall be construed to prevent the franchisee from offering its subscribers occasional temporary discounts and promotions for the purpose of attracting subscribers or persuading existing subscribers to order additional optional services, nor shall franchisee be prohibited by this section from offering discounts on its service to cable television employees.

Section 22. SERVICE TO SCHOOLS AND OTHER PUBLIC FACILITIES.

(a) Upon the request of any private, parochial or public elementary or secondary school or any college or university located in the City, said franchisee shall furnish a single service drop to such institution free of installation charge and monthly service charge for basic cable television services, except where the installation of said service drop involves extraordinary expense related to the difficulty of installation, in which case franchisee is authorized to charge such school, college or university those portions of the installation expense beyond the normal and routine.

(b) (1) Franchisee shall provide the public school districts located within the corporate limits of said City a channel, to be used jointly by such districts, upon which the districts may receive or transmit electromagnetic radiation, and
(2) Franchisee shall provide said City with a channel to be used jointly with other franchising authorities served by franchisee from its common head end, for receiving or transmitting electromagnetic radiation.

Should said City or any other franchise authority within Johnson County, Kansas, served by franchisee from a common head end site desire a second such governmental channel for joint use by the franchising authorities, franchisee agrees to provide said channel no later than December 31, 1991, provided however that such second governmental channel's frequency may be specified by the franchisee and is not required to be in that portion of the VHF television spectrum commonly known as channels two (2) through thirteen (13).

Section 23. EMERGENCY USE OF FRANCHISEE’S SYSTEM. In the event of a civil disaster or other emergency which occurs within said City, the franchisee shall upon request of the Mayor or designated representative, permit said City to transmit information over the cable television system advising the subscribers regarding the nature and extent of the disaster or emergency as may be required to protect said persons for their safety and welfare; provided that any such transmission shall be conducted by or with the assistance of franchisee’s authorized personnel.

21 herein, then the City shall be entitled to recover under the terms of said bond the full amount of any loss occasioned said City by such act or occurrence as enumerated in Section 21 hereof.

Section 26. **FRANCHISEE IS WITHOUT REMEDY AGAINST THE CITY.** The franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from any of the provisions or requirements of this franchise ordinance, or because of the enforcement thereof by said City, or for the failure of said City to have the authority to grant, all, or any part, of the franchise herein granted; provided that said franchisee expressly acknowledges that it accepted the franchise herein granted in reliance upon its independent and personal investigation and understanding of the power of authority of said City to grant the franchise herein conferred upon said franchisee; provided further that the franchisee acknowledges by its acceptance of said franchise that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of said City, or by any other person concerning any term or condition of this franchise not expressed herein; provided further that the franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions hereof and is willing to, and does accept, all of the risk attendant to said provisions, terms, and conditions.

Section 27. **LIMITATION UPON FRANCHISEE'S RIGHT TO TRANSFER THIS FRANCHISE.** The franchisee shall not sell or transfer its plant or cable television system or any portion thereof, nor any right, title or interest in the same, nor shall the franchisee transfer any rights under this franchise to any other person without prior approval of the Governing Body of said City, as expressed by resolution adopted at one of its regular or special meetings; provided further that such approval shall not be unreasonably withheld.

Section 28. **CITY'S RIGHT TO EQUAL TREATMENT.** In the event the franchisee is granted a cable television system franchise in any other political subdivision within Johnson County, Kansas, and the provisions of such franchise are more favorable to such political subdivision and the residents thereof than the provisions of the franchise hereby granted, then the City shall have the right to request franchisee to modify and amend the provisions of the franchise hereby granted to conform to any such more favorable provisions contained in the franchise of another political subdivision of Johnson County, Kansas; provided that said franchisee may offer to the City evidence and statements distinguishing any such other franchise from the franchise hereby granted, or evidence of the existence of state or federal laws or rules preventing the franchisee from making the change requested by the City; provided further that, in the event the City shall request franchisee to amend and modify said franchise in the manner herein above provided and the City determines that said franchisee has not offered sufficient evidence and statements to justify its not conforming to said City's request, then, and in that event, either the City or said franchisee may refer the

Section 29. FRANCHISEE'S DUTY TO INDEMNIFY THE CITY. At the time the franchisee files its acceptance of this franchise, franchisee thereby agrees to indemnify the City against any and all claims, demands, actions, suits and proceedings by other persons against any and all liability to such other persons by reason of liability for damages arising out of any failure by said franchisee to obtain consent from owner, authorized distributors and licensees of programs transmitted or distributed by the franchisee under its cable television system and against any loss, cost, expense or damages resulting therefrom and including reasonable attorneys fees incurred in the defense of any such action.

Section 30. NEW DEVELOPMENTS. It shall be the policy of the City to amend reasonably this franchise ordinance upon application of franchisee when necessary to enable franchisee to take advantage of any developments in the field of transmission of television, radio signals, cable television or other forms of electromagnetic radiation.

Further, Grantee is hereby granted the right to lease its Facilities in whole or in part to affiliates or third parties, provided that the Grantee maintains ownership of such Facilities. This contract Franchise shall not be construed, in any manner, as relieving lessees of their obligation to obtain a Contract franchise.

Code of the City of Leawood
b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;
2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a quarterly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement, or comparable documents showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.
g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 17-1902, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.
The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

**SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND.**

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.

2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force. Grantee shall provide thirty (30) days’ prior written notice of cancellation or material change to its insurance. Grantee shall make available to the City on request and at Grantee’s office the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

*Code of the City of Leawood*
d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION

In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council's consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

Code of the City of Leawood
SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.

The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least one hundred eighty days (180) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.
b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.
SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to a wholly owned parent or subsidiary, or between wholly owned subsidiaries, upon notice to the City.

SECTION 13. CONFIDENTIALITY.
Information provided to the City under K.S.A. 12-2001 shall be governed by confidentiality procedures in compliance with K.S.A. 45-215 and 66-1220a, et seq., and amendments thereto. Grantee agrees to indemnify and hold the City harmless from any and all penalties or costs, including attorney’s fees, arising from the actions of Grantee, or of the City at the written request of Grantee, in seeking to safeguard the confidentiality of information provided by Grantee to the City under this Contract franchise.

SECTION 14. ACCEPTANCE OF TERMS.
Grantee shall have sixty (60) days after the final passage and approval of this Contract franchise to file with the City Clerk its acceptance in writing of the provisions, terms and conditions of this Contract franchise, which acceptance shall be duly acknowledged before some officer authorized by law to administer oaths; and when so accepted, this Contract franchise and acceptance shall constitute a contract between the City and Grantee subject to the provisions of the laws of the state of Kansas, and shall be deemed effective on the date Grantee files acceptance with the City.

SECTION 15. PAYMENT OF COSTS.
In accordance with statute, Grantee shall be responsible for payment of all costs and expense of publishing this Contract franchise, and any amendments thereof.

Code of the City of Leawood
SECTION 16. SEVERABILITY.
If any clause, sentence, or section of this Contract franchise, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Contract franchise is invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Contract franchise.

SECTION 17. FORCE MAJEURE.
Each and every provision hereof shall be reasonably subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond Grantee’s or the City’s control.

SECTION 1. DEFINITIONS.
For the purposes of this Ordinance the following words and phrases shall have the meaning given herein. When not inconsistent within the context, words used in the present tense include the future tense and words in the single number include the plural number. The word "shall" is always mandatory, and not merely directory.

"Access line" - shall mean and be limited to retail billed and collected residential lines; business lines; ISDN lines; PBX trunks and simulated exchange access lines provided by a central office based switching arrangement where all stations served by such simulated exchange access lines are used by a single customer of the provider of such arrangement. Access line may not be construed to include interoffice transport or other transmission media that do not terminate at an end user customer's premises, or to permit duplicate or multiple assessment of access line rates on the provision of a single service or on the multiple communications paths derived from a billed and collected access line. Access line shall not include the following: Wireless telecommunications services, the sale or lease of unbundled loop facilities, special access services, lines providing only data services without voice services processed by a telecommunications local exchange service provider or private line service arrangements.

d. "Access line remittance" - means the amount to be paid by Grantee to City, the total of which is calculated by multiplying the Access line fee, as determined in the City, by the number of Access lines served by Grantee within the City for each month in that calendar quarter.

e. "City" - means the City of Leawood, Kansas.

f. "Contract franchise" - means this Ordinance granting the right, privilege and franchise to Grantee to provide local exchange telecommunications services within the City.

Gross receipts shall be reduced by bad debt expenses. Uncollectible and late charges shall not be included within gross receipts. If Grantee offers additional services of a wholly local nature which if in existence on or before July 1, 2002 would have been included with the definition of Gross Receipts, such services shall be included from the date of the offering of such services within the City.

"Local exchange service" - means local switched telecommunications service within any local exchange service area approved by the state Corporation Commission, regardless of the medium by which the local telecommunications service is provided. The term local exchange service shall not include wireless communication services.

"Public right-of-way" - means only the area of real property in which the City has a dedicated or acquired right-of-way interest in the real property. It shall include the area on, below or above the present and future streets, alleys, avenues, roads, highways, parkways or boulevards dedicated or acquired as right-of-way. The term does not include the airwaves above a right-of-way with regard to wireless telecommunications or other non-wire telecommunications or broadcast service, easements obtained by utilities or private easements in platted subdivisions or tracts.

"Telecommunication services" – shall have the meaning ascribed to it in 47 U.S.C. § 153(53) and the implementing orders and regulations of the Federal Communications Commission.

SECTION 2. GRANT OF CONTRACT FRANCHISE.

a. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of any telecommunication service or system, including, but not limited to supplying local exchange services to the consumers or recipients of such service located within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.
b. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

c. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

d. This authority shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Ordinance, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be consistent with Federal and State law, competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No. 1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

d. The grant of this usage of the Public right-of-way by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated herein. It does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;

2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. The access line fee shall be a maximum of $2.75. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement, or comparable documents, showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Ordinance, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Ordinance.
h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City. The franchise fee is compensation pursuant to K.S.A. 12-2001(j) and shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or a gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage by its negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

Code of the City of Leawood
SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Ordinance, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

1. Workers’ compensation as provided for under any worker's compensation or similar law in the jurisdiction where any work is performed with an employers' liability limit equal to the amount required by law.
2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Ordinance.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Ordinance, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

d. Grantee shall, as a material condition of this Ordinance, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.
SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Ordinance, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Ordinance, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Ordinance shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Ordinance, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Ordinance. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Ordinance by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Ordinance is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and Grantee shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the either party from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Ordinance, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Ordinance shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Ordinance or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Ordinance shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.

a. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

b. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, or under any relevant federal statutes or rules implementing such statutes, nor any of its rights and powers under or by virtue of present or future ordinances of the City.
c. In entering into this Ordinance, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Ordinance, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Ordinance), and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Ordinance shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of six (6) years from the effective date of this Contract franchise. Thereafter, this Contract Franchise shall renew for two (2) additional two (2) year terms, unless either party notifies the other party of its intent to terminate the Ordinance at least ninety (90) days before termination of the then current term. If the Grantee wishes to renew this Contract franchise, it will cause the performance bond as discussed in Section 6d of this franchise to remain in force through the renewal terms. Any additional term made pursuant to the renewal shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Ordinance shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Ordinance granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Ordinance. In the event of such invalidity, if Grantee is required by law to enter into an Ordinance with the City, the parties agree to act in good faith in promptly negotiating a new Ordinance.

d. Amendments under this Section, if any, shall be made by ordinance as prescribed by statute. This Ordinance shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new franchise or an amendment to this Ordinance upon the termination date of this Ordinance, the parties by written mutual agreement may extend the termination date of this Ordinance to allow for further negotiations. Such extension period shall be deemed a continuation of this Ordinance and not as a new franchise ordinance or amendment.
SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery with receipt confirmation, overnight delivery by a nationally recognized carrier with receipt confirmation, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile with transmission confirmation. Notices shall be effective upon actual receipt, refusal of delivery, in each case as reflected by the receipt or transmission confirmation. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

As a condition of this grant, Axon Telecom is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity. This
ordinance does not grant Axon Telecom the right, privilege or franchise to provide telecommunications services (as defined by 47 U.S.C. § 153), cable service (as defined by 47 U.S.C. § 522), open video system service (as defined by 47 U.S.C. § 573) or any other service, or to install its own cable; provided that this restriction shall not preclude Axon Telecom from installing the facilities or cable of other duly franchised or otherwise authorized entities.

Section 3. **USE OF PUBLIC RIGHT-OF-WAY AND UTILITY EASEMENTS.** Axon Telecom’s facilities shall be located in the right-of-way and utility easements in accordance with the plans currently proposed and approved by the Public Works Director. Modifications to such plans and/or any future requests for additional placement shall only be allowed as approved and authorized by the Public Works Director. Placement, modification, replacements, maintenance and repairs to Axon Telecom’s facilities shall be conducted in compliance with all applicable laws, statutes, ordinances and permit requirements. Axon Telecom will be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, Axon Telecom shall be subject to all technical specifications, design criteria, policies now or hereafter adopted or promulgated by the City, or any other appropriate governmental entity. In its use of the right-of-way and utility easements within the City, Axon Telecom shall be subject to all applicable rules, regulations, policies, laws, orders, resolutions, and ordinances now or hereafter adopted or promulgated by any appropriate governmental entity now or hereafter having jurisdiction, including, but not limited to the City in the reasonable exercise of its police powers, including, but not limited to the City’s ordinance regarding the Use and Excavation of the Public Right-Of-Way.

Further, Axon Telecom shall pay the City one (1%) percent of all gross revenues collected for any and all leases and sales of its innerducts and other facilities in the right-of-way and utility easements within the City of Leawood. Such payments shall be made on a semiannual basis for any lease, and within thirty (30) days of the execution of any sale. All payments herein provided shall be in addition to, not in lieu of, all other taxes, charges, assessments, fees and impositions of general applicability that are or may be imposed by the City. Section 6. **TERM.** This ordinance shall be effective for a term of one (1) year from the effective date. Thereafter, this ordinance will renew for ten (10) renewable one (1) year terms, unless either party notifies the other party of its intent to terminate the agreement created by this ordinance prior to one hundred eighty (180) days before the termination of the then current term.

Section 7. **RENEGOTIATION OF ORDINANCE PROVISIONS.** If the City has a good faith belief that Axon Telecom is offering telecommunications, cable, OVS or any other service within the City beyond those services contemplated and granted by this ordinance, the City may seek renegotiation of this ordinance or require a separate franchise ordinance for such services. Axon Telecom agrees to negotiate with the City in good faith in a timely manner, and to pay for any prior unauthorized use in accordance with the terms of the amended or new ordinance. The purpose of this provision is to allow the City to ensure that Axon Telecom is paying a fee for all services for which a franchise fee is appropriate.

Section 8. **DESCRIPTION OF SERVICE.** In the event Axon Telecom offers new services other than the lease or sale of its innerducts and the installation of other duly franchised entities’ cable or other facilities therein, Axon Telecom shall immediately notify the City.

Section 9. **AXON TELECOM’S INFORMATION.** Axon Telecom shall, at its own expense, annually submit to the City a summary of the previous year’s development of its facilities, including but not limited to, the location of facilities during the year, and Axon Telecom’s plan of development of facilities for the next year — Note: In lieu of this requirement, Axon Telecom’s agent may meet in person with the City’s Public Works Director to discuss these issues.

Section 10. **USE OF FACILITIES BY OTHER ENTITIES.**

a. Axon Telecom may sell, transfer or lease its innerducts and related facilities to duly franchised entities; provided that such transaction shall not constitute authorization by the City for such entities to operate within the City, or a transfer in whole or part of the right, privilege or franchise herein granted. Axon Telecom shall timely notify the City of the identity of all entities that have leased or purchased in whole or in part the use of Axon Telecom’s facilities.

b. Axon Telecom shall not interfere with any City right-of-way or franchise requirements regarding any entity leasing in whole or in part the use of Axon Telecom’s facilities. Further, Axon Telecom shall not interfere with or oppose any line charge fee imposed upon such entity.

c. Axon Telecom understands that the City may request service providers to reasonably utilize any available space or capacity within Axon Telecom’s facilities. In such event Axon Telecom will charge a fairly priced rate and will make a reasonable attempt to negotiate an appropriate agreement with any such service provider.
Section 11. **TRANSFER OF RIGHT, PRIVILEGE OR FRANCHISE.** Pursuant to permission of the City, which shall not be unreasonably withheld, Axon Telecom shall have the right to assign as a whole the right, privilege or franchise herein granted to any person who, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations under this ordinance or any applicable governmental requirement. Notice of Axon Telecom’s intent to assign its right, privilege or franchise granted by this ordinance shall be in writing. Upon completion of the assignment, an authenticated copy thereof shall be filed with the city clerk. The right, privilege or franchise granted by this ordinance shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the right, privilege or franchise granted herein by the City or Axon Telecom’s facilities not conforming with the requirements of this section shall be null and void. This section is not intended to apply to or prevent Axon Telecom’s leasing or sale of its innerducts to other entities, nor shall the same be considered a transfer of any right, privilege or franchise granted herein.

Section 12. **NOTIFICATION PROCEDURE.** Any required or permitted notice under this ordinance shall be in writing. Notice upon the City shall be delivered to the city clerk by first class United States mail or by personal delivery. Notice upon Axon Telecom shall be delivered by first class United States mail or by personal delivery to: Attn: Legal Department, Axon Telecom, L.L.C., 450 Pryor Blvd., P.O. Box 409, Sturgis, KY 42459.

Section 13. **INDEMNIFICATION.** Axon Telecom shall fully indemnify, release, defend and hold harmless the City, and agents of the City when acting in their capacity as municipal officials, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees, to the extent caused by negligent acts or omissions of Axon Telecom in the performance of the permitted work. The City agrees to timely notify Axon Telecom of such claim, demand, suit, proceeding, and/or action by providing written notice to Axon Telecom. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve Axon Telecom from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.
Section 14. **LIABILITY INSURANCE REQUIREMENT.** Axon Telecom shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Axon Telecom, or alleged to so have been caused or occurred. If Axon Telecom is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

Section 15. **PERFORMANCE AND MAINTENANCE BOND REQUIREMENT.** Axon Telecom shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this ordinance plus one additional year, conditioned upon Axon Telecom's faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.

Section 16. **RESERVATION OF RIGHTS.** In addition to any rights specifically reserved to the City by this ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of this ordinance, except those required by federal or state law, if the City determines: (a) that it is in the public interest to do so, and (b) that the enforcement of such provision will impose an undue hardship on Axon Telecom or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

Section 17. **FORFEITURE OF RIGHT, PRIVILEGE OR FRANCHISE.** In case of the failure of Axon Telecom to comply with any of the provisions of this ordinance, or if Axon Telecom should do or cause to be done any act or thing prohibited by or in violation of the terms of this ordinance, Axon Telecom shall forfeit any right, privilege or franchise granted by this ordinance and any such right, privilege or franchise shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:

*Code of the City of Leawood*
a. For violations concerning the use of the right-of-way and/or utility easements as described in Section 3 of this ordinance and deemed by the Public Works Director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to Axon Telecom of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Axon Telecom shall have fourteen (14) days subsequent to receipt of such notice to inform the City in writing of the action Axon Telecom shall take to correct the violation. Such corrective action shall be completed within thirty (30) days subsequent to receipt of notice unless otherwise agreed to by the City. If at the end of such period the City deems that the conditions created by this ordinance have not been complied with by Axon Telecom and that this ordinance is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which this ordinance is to be canceled and terminated. If Axon Telecom fails to take corrective action within the thirty (30) day period set forth above, nothing herein shall preclude the City from maintaining an action against Axon Telecom to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of this ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to Axon Telecom of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Axon Telecom shall have ninety (90) days after the mailing of such notice in which to comply with the conditions of this ordinance. If at the end of such period the City deems that the conditions have not been complied with by Axon Telecom and that this ordinance is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which this ordinance is to be canceled and terminated.

c. If within thirty (30) days after the effective date of an ordinance to terminate this ordinance, in accordance with the provisions herein, Axon Telecom shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not Axon Telecom has violated the terms of this ordinance and that this ordinance is subject to cancellation by reason thereof, this ordinance shall be canceled and terminated at the end of such thirty (30) day period. If within such thirty (30) day period Axon Telecom does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that this ordinance is subject to cancellation by reason of the violation of the terms, this ordinance shall immediately terminate after such final judgment is rendered and all available appeals exhausted.
In addition to any other remedy available herein or and at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this ordinance and/or to abate nuisances maintained in violation thereof.

Section 18. **REVOCATION OF THIS ORDINANCE.** In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this ordinance and all right, privilege or franchise of Axon Telecom as a result of and in response to any of the following events or reasons:

a. Any provision of this ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this ordinance as to cause the same to become null and void; or

b. Axon Telecom commits an act of fraud or deceit against the City in obtaining the grant of this ordinance, or upon being granted Axon Telecom commits such an act against the City.

To revoke this ordinance in accordance with the provisions of this section, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which this ordinance is to be canceled and terminated. Prior to the enactment of such ordinance, Axon Telecom shall be provided with timely written notice by certified mail, and Axon Telecom shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty (30) days after the effective date of such ordinance to terminate this ordinance Axon Telecom shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not this ordinance was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, this ordinance shall be canceled and terminated at the end of such thirty (30) day period. If within such thirty (30) day period Axon Telecom does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that this ordinance is subject to cancellation by the reason addressed by this section, this ordinance shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

Section 19. **MISCELLANEOUS PROVISIONS.**

a. **Nonexclusive Clause.** The privilege to construct, erect, operate and maintain Axon Telecom’s facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other rights, privileges or franchises to other persons. However, no such additional grant shall in any way affect the rights or obligations of Axon Telecom.
b. **Exclusive Benefit of Axon Telecom.** The right, privilege or franchise granted to Axon Telecom by this ordinance shall be for the sole use of Axon Telecom to provide conduit services as authorized herein. These rights are for the exclusive benefit of Axon Telecom, except where otherwise provided herein, or when authorized by the City.

c. **Axon Telecom is Without Remedy Against the City.** Axon Telecom shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this ordinance, or for the failure of the City to have the authority to grant, all, or any part, of this ordinance granted. Second, Axon Telecom expressly acknowledges that it accepted this ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the right, privilege or franchise conferred upon Axon Telecom. Finally, Axon Telecom acknowledges by the acceptance of this ordinance that it has carefully read the provisions, terms, and conditions of this ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.

d. **Federal, State and City Jurisdiction.** This ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this ordinance to the contrary, the construction, operation and maintenance of Axon Telecom’s facilities by Axon Telecom or its agent shall be in accordance with all laws and regulations of the United States the state, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, Axon Telecom shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Axon Telecom shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power. Finally, Axon Telecom’s failure to comply with any law or regulation governing the operation of said facilities may result in a forfeiture of the granting of the right, privilege or franchise created by this ordinance.

e. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of the agreement created by this ordinance shall not constitute a waiver of rights nor a waiver of the other party’s obligations as provided herein.

Code of the City of Leawood
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. The access line fee shall be a maximum of $2.25 per month per access line in 2006, a maximum of $2.50 per access line in 2009, and a maximum of $2.75 per access line in 2012 and thereafter. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the month for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement, or comparable documents, showing the manner in which the franchise fee was calculated.
e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 17-1902, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

Code of the City of Leawood
The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee's activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

1. Workers' compensation as provided for under any worker's compensation or similar law in the jurisdiction where any work is performed with an employers' liability limit equal to the amount required by law.
2. Commercial general and umbrella liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee's operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and shall endeavor that said insurance will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.
d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance. Grantee has represented to the City that it is currently unable to obtain such a bond but has, in lieu of bond, provided a Letter of Credit naming the City of Leawood as beneficiary, in the amount of $50,000.00, issued by Citibank, irrevocable and automatically extended without amendment for additional periods if necessary, for the length of this franchise, in a form acceptable to the City Attorney. Grantee acknowledges that, prior to any renewal of this Contract Franchise, as set forth below, that it shall produce the required bond or shall produce evidence that it has been unable to obtain a bond from three recognized surety companies. The City reserves its right to reject renewal of this Contract Franchise if Grantee is unable to provide such a bond.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

Code of the City of Leawood
SECTION 8. RESERVATION OF RIGHTS.
a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.
b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.
c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.
d. In entering into this Contract franchise, neither the City's nor Grantee's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City's right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract Franchise may be renewed for two (2) additional one (1) year terms, provided, however, if the Grantee wishes to renew this Contract franchise, it will reapply for a performance bond as discussed in Section 6 (d) of this franchise and shall submit the required bond prior to the renewal date. Any additional term made pursuant to the renewal shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of

Code of the City of Leawood
the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to a wholly owned parent or subsidiary, or between wholly owned subsidiaries, upon notice to the City.

SECTION 13. CONFIDENTIALITY.

Grantee agrees to indemnify and hold the City harmless from any and all penalties or costs, including attorney's fees, arising from the actions of Grantee, or of the City at the written request of Grantee, in seeking to safeguard the confidentiality of information provided by Grantee to the City under this Contract franchise.

SECTION 14. ACCEPTANCE OF TERMS.
Grantee shall have sixty (60) days after the final passage and approval of this Contract franchise to file with the City Clerk its acceptance in writing of the provisions, terms and conditions of this Contract franchise, which acceptance shall be duly acknowledged before some officer authorized by law to administer oaths; and when so accepted, this Contract franchise and acceptance shall constitute a contract between the City and Grantee subject to the provisions of the laws of the state of Kansas, and shall be deemed effective on the date Grantee files acceptance with the City.

SECTION 15. PAYMENT OF COSTS.
In accordance with statute, Grantee shall be responsible for payment of all costs and expense of publishing this Contract franchise, and any amendments thereof.

SECTION 16. SEVERABILITY.
If any clause, sentence, or section of this Contract franchise, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Contract franchise is invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Contract franchise.

SECTION 17. FORCE MAJEURE.

For the purposes of this Ordinance the following words and phrases shall have the meaning given herein. When not inconsistent within the context, words used in the present tense include the future tense and words in the single number include the plural number. The word "shall" is always mandatory, and not merely directory.

Gross receipts shall be reduced by bad debt expenses. Uncollectible and late charges shall not be included within gross receipts. If Grantee offers additional services of a wholly local nature which if in existence on or before July 1, 2002 would have been included with the definition of Gross Receipts, such services shall be included from the date of the offering of such services within the City.

j. "Local exchange service" - means local switched telecommunications service within any local exchange service area approved by the state Corporation Commission, regardless of the medium by which the local telecommunications service is provided. l. “Telecommunication services” - means providing the means of transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.

SECTION 2. GRANT OF CONTRACT FRANCHISE.

a. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of supplying Telecommunication services to the consumers or recipients of such service located within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.
b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;
2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

Code of the City of Leawood
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.
In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed the maximum Access line fee allowed by Statute. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back; provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

a. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

b. Grantee shall pay on a quarterly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

c. Upon forty-five (45) days prior written request by the City, but no more than once per quarter, Grantee shall submit to the City a certified statement showing the manner in which the franchise fee was calculated.

d. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

Code of the City of Leawood
e. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

f. Unless previously paid, within sixty (60) days of the effective date of this Ordinance, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Ordinance.

g. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City. The franchise fee is compensation pursuant to K.S.A. 12-2001(j) and shall in no way be deemed a tax of any kind.

h. Grantee shall remit an access line (franchise) fee or a gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.
The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.

2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.
d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council's consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.
a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee's rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee's property in good repair.
b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City's nor Grantee's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City's right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least one hundred and eighty (180) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.
c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to any entity controlling, controlled by or under common control with Grantee. The parties acknowledge that said City consent shall only be with regard to the transfer or assignment of this Contract franchise, and that, in accordance with Kansas Statute, the City does not have the authority to require City approval of transfers of ownership or control of the business or assets of Grantee.

SECTION 13. CONFIDENTIALITY.
Information provided to the City under K.S.A. 12-2001 shall be governed by confidentiality procedures in compliance with K.S.A. 45-215 and 66-1220a, et seq., and amendments thereto. SECTION 14. ACCEPTANCE OF TERMS.
Grantee shall have sixty (60) days after the final passage and approval of this Contract franchise to file with the City Clerk its acceptance in writing of the provisions, terms and conditions of this Contract franchise, which acceptance shall be duly acknowledged before some officer authorized by law to administer oaths; and when so accepted, this Contract franchise and acceptance shall constitute a contract between the City and Grantee subject to the provisions of the laws of the state of Kansas, and shall be deemed effective on the date Grantee files acceptance with the City.

SECTION 15. PAYMENT OF COSTS.
In accordance with statute, Grantee shall be responsible for payment of all costs and expense of publishing this Contract franchise, and any amendments thereof.

SECTION 16. SEVERABILITY.
If any clause, sentence, or section of this Contract franchise, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Contract franchise is invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Contract franchise.

a. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of supplying Telecommunication services to the consumers or recipients of such service located within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.
b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:
   1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;
   2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
   3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.
c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC. Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).
d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.
e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.
a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.75 per access in line. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the month for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement, or comparable documents, showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.
g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 17-1902, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Code of the City of Leawood
Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND
a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:
   1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.
   2. Commercial general and umbrella liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and shall endeavor that said insurance will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

Code of the City of Leawood
d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance. Grantee has represented to the City that it is currently unable to obtain such a bond but has, in lieu of bond, provided a Letter of Credit naming the City of Leawood as beneficiary, in the amount of $50,000.00, issued by Citibank, irrevocable and automatically extended without amendment for additional periods if necessary, for the length of this franchise, in a form acceptable to the City Attorney. Grantee acknowledges that, prior to any renewal of this Contract Franchise, as set forth below, that it shall produce the required bond or shall produce evidence that it has been unable to obtain a bond from three recognized surety companies. The City reserves its right to reject renewal of this Contract Franchise if Grantee is unable to provide such a bond.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.
SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City's nor Grantee's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.

The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract Franchise may be renewed for two (2) additional one (1) year terms, provided, however, if the Grantee wishes to renew this Contract franchise, it will reapply for a performance bond as discussed in Section 6 (d) of this franchise and shall submit the required bond prior to the renewal date. Any additional term made pursuant to the renewal shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.
b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES

Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to a wholly owned parent or subsidiary, or between wholly owned subsidiaries, upon notice to the City.

SECTION 13. CONFIDENTIALITY.
Information provided to the City under K.S.A. 12-2001 shall be governed by confidentiality procedures in compliance with K.S.A. 45-215 and 66-1220a, et seq., and amendments thereto. Grantee agrees to indemnify and hold the City harmless from any and all penalties or costs, including attorney’s fees, arising from the actions of Grantee, or of the City at the written request of Grantee, in seeking to safeguard the confidentiality of information provided by Grantee to the City under this Contract franchise.

SECTION 14. ACCEPTANCE OF TERMS.
Grantee shall have sixty (60) days after the final passage and approval of this Contract franchise to file with the City Clerk its acceptance in writing of the provisions, terms and conditions of this Contract franchise, which acceptance shall be duly acknowledged before some officer authorized by law to administer oaths; and when so accepted, this Contract franchise and acceptance shall constitute a contract between the City and Grantee subject to the provisions of the laws of the state of Kansas, and shall be deemed effective on the date Grantee files acceptance with the City.

SECTION 15. PAYMENT OF COSTS.
In accordance with statute, Grantee shall be responsible for payment of all costs and expense of publishing this Contract franchise, and any amendments thereof.

SECTION 16. SEVERABILITY.
If any clause, sentence, or section of this Contract franchise, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Contract franchise is invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Contract franchise.

SECTION 17. FORCE MAJEURE.
Each and every provision hereof shall be reasonably subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond Grantee’s or the City’s control.

Section 2. Grant. Franchisee is hereby granted the right, privilege and franchise to construct, operate, and maintain facilities in, through and along the City’s right-of-way and utility easements for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein set forth within this ordinance. As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, subject to franchisee’s right to challenge in good faith such requirements as established by the FCC, KCC or other City ordinance.
This franchise does not provide franchisee the right to provide cable service as a
cable operator [as defined by 47 USC § 522(5)] within the City. Upon 
franchisee’s request for a franchise to provide cable service as a cable operator 
as defined by 47 USC § 522(5)] within the City, the City agrees to timely 
negotiate such franchise in good faith with franchisee. Franchisee agrees that 
this franchise does not permit franchisee to operate an open video system 
without payment of fees permitted by 47 USC § 573(c)(2)(B) and without 
complying with FCC regulations promulgated pursuant to 47 USC § 573.

Section 3. Use of Public Right-of-Way and Utility Easements. Franchisee’s facilities 
shall be located in the right-of-way and utility easements as now constructed and 
as further authorized by the City in accordance with all applicable laws, statutes 
and/or ordinances. Nothing in this agreement shall authorize Franchisee to 
locate its facilities on or within any City owned parkland property or any other City 
owned property unless authorized by separate agreement. Placement, changes, 
additions, replacements, maintenance and repairs to franchisee’s facilities shall 
be conducted in compliance with any applicable ordinance and/or permit 
requirement. Franchisee will be responsible for obtaining all necessary permits 
as required by the City for work performed in the right-of-way and utility 
easements, as well as paying any associated permit fee. In addition, franchisee 
shall be subject to all technical specifications, design criteria, policies now or 
hereafter adopted or promulgated by the City, or any other appropriate 
governmental entity. In its use of the right-of-way and utility easements within 
the City, franchisee shall be subject to all right-of-way management ordinances 
and all other applicable rules, regulations, policies, laws, orders, resolutions, and 
ordinances now or hereafter adopted or promulgated by any appropriate 
governmental entity now or hereafter having jurisdiction, including, but not limited 
to the City in the reasonable exercise of its police powers.

Section 4. Franchise Fee. Franchisee shall pay the greater of $12,000 or an annual 
sum of $2.50 per lineal foot for all fiber in the right-of-way. This payment shall be 
due on the effective date of the ordinance and annually thereafter. In the event 
franchisee provides local service to customers within the City, franchisee shall 
notify the City Clerk. At such time, the franchise fee shall be the greater of the 
above prescribed amount, or five [5%] percent of its gross revenues as defined 
herein. Payment on the basis of gross revenues shall be made on a monthly 
basis without invoice or reminder from the City, and paid within forty-five [45] 
days after the last day of the applicable month.

All payments herein provided shall be in addition to, not in lieu of, all other taxes, 
charges, assessments, fees and impositions of general applicability that are or 
may be imposed by the City, with the exception of any annual occupation license. 
Franchisee shall pay interest at an annual rate of ten [10%] percent for each 
month or fraction thereof on any late payment of the charge provided for in this 
franchise ordinance.
Section 5. **City’s Right to Audit and Access to Records.** If franchisee is providing service within the City, franchisee shall annually file with the City of Leawood a gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and proprietary and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. § 45-221(18), as amended, such information does not constitute public records subject to K.S.A. § 45-218, as amended. In the event the City is required by to disclose such information, the City shall provide franchisee seven [7] days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at all reasonable times, all books, receipts, files, records and documents of the franchisee necessary to verify the correctness of such statement and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten [10%] percent.

Regardless of whether franchisee is providing service within the City, the City’s acceptance of any payment determined as hereinbefore provided to be deficient shall not be construed as a release of liability from the City or an accord or satisfaction of any claim that the City may have for additional sums owed by franchisee. In addition to access to the records of franchisee for audits, upon request, franchisee shall provide reasonable access to records necessary to verify compliance with the terms of this franchise ordinance.

Section 6. **Term.** This franchisee ordinance shall be effective for a term of one [1] year from the effective date.

Section 7. **Renegotiation of Franchise.** If the City has a good faith belief that franchisee is offering local telecommunications services within the City beyond those telecommunications services contemplated by this ordinance, the City may seek renegotiation of this franchise if the City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. § 12-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to negotiate with the City in good faith in a timely manner. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering services other than telecommunications services that are subject to a franchise fee under K.S.A. § 12-2001. The purpose of this provision is to allow the City to ensure that franchisee is paying a franchise fee for all services for which a franchise fee is appropriate.

*Code of the City of Leawood*
Section 8. **Description of Service.** Franchisee shall on a semi-annual basis provide the City with a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services [other than telecommunications services, extended area service, unbundled network elements, nonregulated services, carrier and end user access and long distance], franchisee shall notify the City of such services on a semi-annual basis.

Section 9. **Franchisee Information.** Franchisee shall, at its own expense, annually submit to the City the following information:

a. A report of the franchisee’s gross revenues as referenced by Section 5 herein [only if franchisee is providing service within the City]; and

b. A summary of the previous year’s development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee’s plan of development of facilities for the next year – Note: in lieu of this requirement, franchisee’s right-of-way director may meet in person with the City’s Public Works Director to discuss these issues; and

c. Information as to the number of subscribers in the City of Leawood [only if franchisee is providing service within the City]. Note: this requirement does not include giving the identification of the subscribers.

Section 10. **Subscriber Rates.** Franchisee’s charges to subscribers will comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of current rates in effect when such rates are not on file and publicly available from the KCC. When provided so by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

Section 11. **Use of Facilities by Other Service Providers.** On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City on a semi-annual basis of the identity of entities with which franchisee has entered into an interconnection and/or resale agreement within the State of Kansas.

*Code of the City of Leawood*
Section 12. **Transfer of Franchise.** Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations in accordance with this franchise ordinance or any other appropriate governmental requirement. If franchisee should seek approval to assign this franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the City Clerk. This franchise shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the rights granted herein by the City or franchisee’s facilities not conforming with the requirements of this section shall be null and void.

Section 13. **Other Service Providers.** Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider cease to use its existing poles and to relocate its facilities underground, all other service providers using the same poles, including franchisee when applicable, shall also relocate their facilities underground at that time; provided, however, that such placement is economically reasonable. The City shall not unreasonably enter into such an agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

Section 14. **Notification Procedure.** Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the City shall be delivered to the City Clerk by first class United States Mail or by personal delivery. Notice upon franchisee shall be delivered by first class United States Mail or by personal delivery to:

Qwest Communications Corporation
13952 Denver West Parkway
Building # 53, Suite # 200
Golden, CO  80401
Section 15. **Indemnification.** Upon notice by the City, franchisee shall fully indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee’s actions and operations of its telecommunications service in accordance to this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve franchisee from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

Section 16. **Liability Insurance Requirement.** Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than One Million Dollars [$1,000,000] per occurrence and Two Million Dollars [$2,000,000] in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by the service provider, or alleged to so have been caused or occurred. If franchisee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

Section 17. **Performance and Maintenance Bond Requirements.** Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee’s faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.
Section 18. **Reservation of Rights.** In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of the franchise, except those required by federal or state law, if the City determines: [a] that it is in the public interest to do so; and [b] that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this franchise ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

Section 19. **Forfeiture of Franchise.** In case of the failure of franchisee to comply with any of the provisions of this franchise ordinance, or if franchisee should do or cause to be done any act or thing prohibited by or in violation of the terms of this franchise ordinance, franchisee shall forfeit all rights and privileges granted by this franchise and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:
a. For violations concerning the use of the right-of-way and/or utility easements as described in Section 3 of this franchise ordinance and deemed by the Public Works Director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have fourteen [14] days subsequent to receipt of such notice to inform the City in writing of the action franchisee shall take to correct the violation. Such corrective action shall be completed within thirty [30] days subsequent to receipt of notice unless otherwise agreed to by the City. If, at the end of such period, the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. If franchisee fails to take corrective action within the 30-day period set forth above, nothing herein shall preclude the City from maintaining an action against franchisee to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety [90] days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.

c. If within thirty [30] days after the effective date of an ordinance to terminate the franchise, in accordance with 19(a) or 19(b) herein, the franchisee shall have not have instituted an action in the District Court of Johnson County, Kansas, to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty [30] day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.
In addition to any other remedy available herein or and at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this franchise ordinance and/or to abate nuisances maintained in violation thereof.

Section 20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this franchise ordinance as to cause the same to become null and void; or

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee commits such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with timely written notice by certified mail, and franchisee shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty [30] days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas, to determine whether or not the franchise was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If, within such thirty [30] day period, the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the Court finds that the franchise is subject to cancellation by the reason addressed by this section, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

a. Nonexclusive Clause. The privilege to construct, erect, operate and maintain franchisee’s facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.
b. **Exclusive Benefit of Franchise Right by Franchisee.** The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of franchisee, except where otherwise provided herein, or when authorized by the City.

c. **Franchisee is Without Remedy Against the City.** Franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this franchise ordinance, or for the failure of the City to have the authority to grant, all, or any part, of the franchise ordinance granted. Second, franchisee expressly acknowledges that it accepted the franchise ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the franchise conferred upon franchisee. Third, franchisee acknowledges by its acceptance of this franchise ordinance that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of the City, or by any other person concerning any term or condition of this franchise ordinance not expressed herein. Finally, franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions of this franchise ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.

d. **Federal, State and City Jurisdiction.** This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this franchise ordinance to the contrary, the construction, operation and maintenance of franchise facilities by franchisee or its agent shall be in accordance with all laws and regulations of the United States, the State, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, franchisee shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Franchisee's rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power. Finally, franchisee's failure to comply with any law or regulation governing the operation of said franchise facilities may result in a forfeiture of the franchise in accordance with the provisions of this franchise ordinance.

e. **Attachment to Poles.** Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either the City or franchisee on the poles of the other. If such attachments are desired by either party, then a separate non-contingent agreement shall be prerequisite to such attachments.

*Code of the City of Leawood*
f. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of this franchise shall not constitute a waiver of rights nor a waiver of the other party’s obligations as provided herein.

g. **Force Majeure.** Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond franchisee’s or the City’s control.

h. **Severability.** Any section, subsection, sentence, clause, phrase, or portion of this franchise ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

Section 22. **Repeal of Other Ordinances.** All other ordinances, agreements and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this franchise ordinance shall not take effect or become in force until the requirements for adopting a franchise ordinance under Kansas statute have occurred.

Section 23. **Effectiveness.** This franchise ordinance is made under and in conformity with the laws of the State of Kansas. Before the final passage of this ordinance, it shall be read at three [3] regular meetings of the Governing Body. After final passage, this ordinance shall take effect and be in force after the expiration of sixty [60] days from the date of final passage by the Governing Body and after publication in the official City newspaper for two [2] consecutive weeks following final passage, unless a proper protest is filed, or franchisee fails to provide written acceptance within the sixty [60] day period.

SECTION 1. DEFINITIONS
For the purposes of this Ordinance the following words and phrases shall have the meaning given herein. When not inconsistent within the context, words used in the present tense include the future tense and words in the single number include the plural number. The word "shall" is always mandatory, and not merely directory.

Gross receipts shall be reduced by bad debt expenses. Uncollectible and late charges shall not be included within gross receipts. If Grantee offers additional services of a wholly local nature which if in existence on or before July 1, 2002 would have been included with the definition of Gross Receipts, such services shall be included from the date of the offering of such services within the City.

j. “Local exchange service” - means local switched telecommunications service within any local exchange service area approved by the state Corporation Commission, regardless of the medium by which the local telecommunications service is provided. l. “Telecommunication services” - means providing the means of transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.

SECTION 2. GRANT OF CONTRACT FRANCHISE.

a. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of any telecommunication service or system, including, but not limited to supplying local exchange services to the consumers or recipients of such service located within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.

b. The grant of this usage of the Public right-of-way by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated herein. It does not:

Code of the City of Leawood
1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;

2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or

3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. § 17-1902, and amendments thereto, and subject to the provisions of this Ordinance, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No. 1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.
SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. The access line fee shall be a maximum of $2.25 per month per access line in 2006, a maximum of $2.50 per access line in 2009, and a maximum of $2.75 per access in line in 2012 and thereafter. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement, or comparable documents, showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Ordinance, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Ordinance.

h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City. The franchise fee is compensation pursuant to K.S.A. 12-2001(j) and shall in no way be deemed a tax of any kind.

Code of the City of Leawood
i. Grantee shall remit an access line (franchise) fee or a gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage by its negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Ordinance, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

Code of the City of Leawood
1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.

2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Ordinance.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars (2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Ordinance, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force. Grantee will provide to the City a minimum of 30 days’ prior written notice prior to cancellation or material change in areas and entities covered. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

d. Grantee shall, as a material condition of this Ordinance, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Ordinance, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Ordinance, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Ordinance shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Ordinance, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Ordinance. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Ordinance by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Ordinance is to be revoked and terminated; provided, to

Code of the City of Leawood
afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the either party from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Ordinance, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Ordinance shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Ordinance or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Ordinance shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Ordinance, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Ordinance, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Ordinance), and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Ordinance shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

Code of the City of Leawood
SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract Franchise may be renewed for two (2) additional one (1) year terms, provided, however, if the Grantee wishes to renew this Contract franchise, it will reapply for a performance bond as discussed in Section 6 (d) of this franchise and shall submit the required bond prior to the renewal date. Any additional term made pursuant to the renewal shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.
b. Upon written request of either the City or Grantee, this Ordinance shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Ordinance granted to Grantee or the compensation to be received by the City hereunder.
c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Ordinance. In the event of such invalidity, if Grantee is required by law to enter into an Ordinance with the City, the parties agree to act in good faith in promptly negotiating a new Ordinance.
d. Amendments under this Section, if any, shall be made by ordinance as prescribed by statute. This Ordinance shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.
e. In the event the parties are actively negotiating in good faith a new franchise or an amendment to this Ordinance upon the termination date of this Ordinance, the parties by written mutual agreement may extend the termination date of this Ordinance to allow for further negotiations. Such extension period shall be deemed a continuation of this Ordinance and not as a new franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact's name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

SECTION 16. SEVERABILITY.
If any clause, sentence, or section of this Ordinance, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Ordinance is invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Ordinance.

SECTION 17. FORCE MAJEURE.
Each and every provision hereof shall be reasonably subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond Grantee’s or the City’s control.

As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, subject to franchisee’s right to challenge in good faith such requirements as established by the FCC, KCC or other City ordinance.

*Code of the City of Leawood*
This franchise does not provide franchisee the right to provide cable service as a cable operator [as defined by 47 USC § 522(5)] within the City. Upon franchisee’s request for a franchise to provide cable service as a cable operator [as defined by 47 USC § 522(5)] within the City, the City agrees to timely negotiate such franchise in good faith with franchisee. Franchisee agrees that this franchise does not permit franchisee to operate an open video system without payment of fees permitted by 47 USC § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 USC § 573.

Section 3. Use of Public Right-of-Way and Utility Easements. Franchisee’s facilities shall be located in the right-of-way and utility easements as now constructed and as further authorized by the City in accordance with all applicable laws, statutes and/or ordinances. Nothing in this agreement shall authorize Franchisee to locate its facilities on or within any City owned parkland property or any other City owned property unless authorized by separate agreement. Placement, changes, additions, replacements, maintenance and repairs to franchisee’s facilities shall be conducted in compliance with any applicable ordinance and/or permit requirement. Franchisee will be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, franchisee shall be subject to all technical specifications, design criteria, policies now or hereafter adopted or promulgated by the City, or any other appropriate governmental entity. In its use of the right-of-way and utility easements within the City, franchisee shall be subject to all right-of-way management ordinances and all other applicable rules, regulations, policies, laws, orders, resolutions, and ordinances now or hereafter adopted or promulgated by any appropriate governmental entity now or hereafter having jurisdiction, including, but not limited to the City in the reasonable exercise of its police powers.

Section 4. Franchise Fee. Franchisee shall pay the greater of $12,000 or an annual sum of $2.50 per lineal foot for all fiber in the right-of-way. At such time, the franchise fee shall be the greater of the above prescribed amount, or five [5%] percent of its gross revenues as defined herein. Payment on the basis of gross revenues shall be made on a monthly basis without invoice or reminder from the City, and paid within forty-five [45] days after the last day of the applicable month.

All payments herein provided shall be in addition to, not in lieu of, all other taxes, charges, assessments, fees and impositions of general applicability that are or may be imposed by the City, with the exception of any annual occupation license. Franchisee shall pay interest at an annual rate of ten [10%] percent for each month or fraction thereof on any late payment of the charge provided for in this franchise ordinance.

Code of the City of Leawood
Section 5. **City’s Right to Audit and Access to Records.** If franchisee is providing service within the City, franchisee shall annually file with the City of Leawood a gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and proprietary and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. § 45-221(18), as amended, such information does not constitute public records subject to K.S.A. § 45-218, as amended. In the event the City is required by to disclose such information, the City shall provide franchisee seven [7] days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at all reasonable times, all books, receipts, files, records and documents of the franchisee necessary to verify the correctness of such statement and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten [10%] percent.

Regardless of whether franchisee is providing service within the City, the City’s acceptance of any payment determined as hereinbefore provided to be deficient shall not be construed as a release of liability from the City or an accord or satisfaction of any claim that the City may have for additional sums owed by franchisee. In addition to access to the records of franchisee for audits, upon request, franchisee shall provide reasonable access to records necessary to verify compliance with the terms of this franchise ordinance.

Section 6. **Term.** This franchisee ordinance shall be effective for a term of one [1] year from the effective date.

Section 7. **Renegotiation of Franchise.** If the City has a good faith belief that franchisee is offering local telecommunications services within the City beyond those telecommunications services contemplated by this ordinance, the City may seek renegotiation of this franchise if the City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. § 12-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to negotiate with the City in good faith in a timely manner. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering services other than telecommunications services that are subject to a franchise fee under K.S.A. § 12-2001. The purpose of this provision is to allow the City to ensure that franchisee is paying a franchise fee for all services for which a franchise fee is appropriate.
Section 8. **Description of Service.** Franchisee shall on a semi-annual basis provide the City with a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services [other than telecommunications services, extended area service, unbundled network elements, nonregulated services, carrier and end user access and long distance], franchisee shall notify the City of such services on a semi-annual basis.

Section 9. **Franchisee Information.** Franchisee shall, at its own expense, annually submit to the City the following information:

a. A report of the franchisee’s gross revenues as referenced by Section 5 herein [only if franchisee is providing service within the City]; and

b. A summary of the previous year’s development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee’s plan of development of facilities for the next year – Note: in lieu of this requirement, franchisee’s right-of-way director may meet in person with the City’s Public Works Director to discuss these issues; and

c. Information as to the number of subscribers in the City of Leawood [only if franchisee is providing service within the City]. Note: this requirement does not include giving the identification of the subscribers.

Section 10. **Subscriber Rates.** Franchisee’s charges to subscribers will comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of current rates in effect when such rates are not on file and publicly available from the KCC. When provided so by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

Section 11. **Use of Facilities by Other Service Providers.** On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City on a semi-annual basis the identity of entities with which franchisee has entered into an interconnection and/or resale agreement within the State of Kansas.
Section 12. **Transfer of Franchise.** Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations in accordance with this franchise ordinance or any other appropriate governmental requirement. If franchisee should seek approval to assign this franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the City Clerk. This franchise shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the rights granted herein by the City or franchisee’s facilities not conforming with the requirements of this section shall be null and void.

Section 13. **Other Service Providers.** Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider cease to use its existing poles and to relocate its facilities underground, all other service providers using the same poles, including franchisee when applicable, shall also relocate their facilities underground at that time; provided, however, that such placement is economically reasonable. The City shall not unreasonably enter into such an agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

Section 14. **Notification Procedure.** Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the City shall be delivered to the City Clerk by first class United States Mail or by personal delivery. Notice upon franchisee shall be delivered by first class United States Mail or by personal delivery to:

**XO Kansas, Inc.**  
Director, Regulatory and External Affairs  
2700 Summit Ave., Suite 172  
Plano, TX  75074
Section 15. **Indemnification.** Upon notice by the City, franchisee shall fully indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee's actions and operations of its telecommunications service in accordance to this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve franchisee from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

Section 16. **Liability Insurance Requirement.** Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than One Million Dollars [$1,000,000] per occurrence and Two Million Dollars [$2,000,000] in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by the service provider, or alleged to so have been caused or occurred. If franchisee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

Section 17. **Performance and Maintenance Bond Requirements.** Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee's faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.

Section 18. **Reservation of Rights.** In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of the franchise, except those required by federal or state law, if the City determines: [a] that it is in the public interest to do so; and [b] that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such
instance nor be deemed a waiver of any other provision of this franchise ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

Section 19. Forfeiture of Franchise. In case of the failure of franchisee to comply with any of the provisions of this franchise ordinance, or if franchisee should do or cause to be done any act or thing prohibited by or in violation of the terms of this franchise ordinance, franchisee shall forfeit all rights and privileges granted by this franchise and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:

a. For violations concerning the use of the right-of-way and/or utility easements as described in Section 3 of this franchise ordinance and deemed by the Public Works Director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have fourteen [14] days subsequent to receipt of such notice to inform the City in writing of the action franchisee shall take to correct the violation. Such corrective action shall be completed within thirty [30] days subsequent to receipt of notice unless otherwise agreed to by the City. If, at the end of such period, the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. If franchisee fails to take corrective action within the 30-day period set forth above, nothing herein shall preclude the City from maintaining an action against franchisee to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety [90] days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.
c. If within thirty [30] days after the effective date of an ordinance to terminate the franchise, in accordance with 19(a) or 19(b) herein, the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas, to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty [30] day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

In addition to any other remedy available herein or at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this franchise ordinance and/or to abate nuisances maintained in violation thereof.

Section 20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this franchise ordinance as to cause the same to become null and void; or

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee commits such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with timely written notice by certified mail, and franchisee shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty [30] days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas, to determine whether or not the franchise was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period.
If, within such thirty [30] day period, the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the Court finds that the franchise is subject to cancellation by the reason addressed by this section, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

a. Nonexclusive Clause. The privilege to construct, erect, operate and maintain franchisee’s facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

b. Exclusive Benefit of Franchise Right by Franchisee. The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of franchisee, except where otherwise provided herein, or when authorized by the City.

c. Franchisee is Without Remedy Against the City. Franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this franchise ordinance, or for the failure of the City to have the authority to grant, all, or any part, of the franchise ordinance granted. Second, franchisee expressly acknowledges that it accepted the franchise ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the franchise conferred upon franchisee. Third, franchisee acknowledges by its acceptance of this franchise ordinance that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of the City, or by any other person concerning any term or condition of this franchise ordinance not expressed herein. Finally, franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions of this franchise ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.

d. Federal, State and City Jurisdiction. This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this franchise ordinance to the contrary, the construction, operation and maintenance of franchise facilities by franchisee or its agent shall be in accordance with all laws and regulations of the United States, the State, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, franchisee shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Franchisee’s rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power.

Code of the City of Leawood
Finally, franchisee’s failure to comply with any law or regulation governing the operation of said franchise facilities may result in a forfeiture of the franchise in accordance with the provisions of this franchise ordinance.

e. **Attachment to Poles.** Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either the City or franchisee on the poles of the other. If such attachments are desired by either party, then a separate non-contingent agreement shall be prerequisite to such attachments.

f. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of this franchise shall not constitute a waiver of rights nor a waiver of the other party’s obligations as provided herein.

g. **Force Majeure.** Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond franchisee’s or the City’s control.

h. **Severability.** Any section, subsection, sentence, clause, phrase, or portion of this franchise ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

**Section 22. Repeal of Other Ordinances.** All other ordinances, agreements and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this franchise ordinance shall not take effect or become in force until the requirements for adopting a franchise ordinance under Kansas statute have occurred.

**Section 23. Effectiveness.** This franchise ordinance is made under and in conformity with the laws of the State of Kansas. Before the final passage of this ordinance, it shall be read at three [3] regular meetings of the Governing Body. After final passage, this ordinance shall take effect and be in force after the expiration of sixty [60] days from the date of final passage by the Governing Body and after publication in the official City newspaper for two [2] consecutive weeks following final passage, unless a proper protest is filed, or franchisee fails to provide written acceptance within the sixty [60] day period.

As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back, provided the City provides Grantee with written notice ninety days (90) before the end of the calendar year. Notwithstanding any of the foregoing, City acknowledges Grantee’s right to add to its end users customers bill a surcharge equal to the pro rata share of any such gross receipts or access line fee as set forth in K.S.A. 12-2001(r).

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a quarterly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.
d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a gross receipts or access line statement showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 17-1902, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

It shall be the responsibility of Grantee to take reasonably adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.
2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than One Million Dollars ($1,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability and umbrella or excess liability insurance of not less than One Million Dollars ($1,000,000) per occurrence, One Million Dollars ($1,000,000) aggregate. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

Code of the City of Leawood
b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page.

d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.

In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas.
This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.

The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

Code of the City of Leawood
SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least one hundred and eighty (180) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES

Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

Code of the City of Leawood
SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to a wholly owned parent or subsidiary, or between wholly owned subsidiaries, or to an entity with which Grantee is under common ownership or control, upon written notice to the City.

SECTION 13. CONFIDENTIALITY.
Information provided to the City under K.S.A. 12-2001 shall be governed by confidentiality procedures in compliance with K.S.A. 45-215 and 66-1220a, et seq., and amendments thereto. Grantee agrees to indemnify and hold the City harmless from any and all penalties or costs, including attorney's fees, arising from the actions of Grantee, or of the City at the written request of Grantee, in seeking to safeguard the confidentiality of information provided by Grantee to the City under this Contract franchise.

k. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City a statement, executed by an authorized officer of Grantee or his or her designee, showing the amount of Gross Revenues for the period covered by the payment, and the manner in which the franchise fee was calculated.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including observing marker posts when working near Grantee's Facilities.
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the degree that it is found by a court of competent jurisdiction to be caused by the negligence, gross negligence or wrongful act of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT.

e. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the State of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

(1) Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.

(2) Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

f. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.
g. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council's consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.
e. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee's rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee's property in good repair.

Code of the City of Leawood
f. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers and other authority established under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

g. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

h. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
f. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise ordinance. Thereafter, this Contract franchise will automatically renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate or renegotiate the Contract franchise at least one hundred and eighty (180) days before the termination of the then current term. The additional terms shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

g. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

h. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

Code of the City of Leawood
i. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 1. DEFINITIONS.
For the purposes of this Ordinance the following words and phrases shall have the meaning given herein. When not inconsistent within the context, words used in the present tense include the future tense and words in the single number include the plural number. The word "shall" is always mandatory, and not merely directory.

a. "Access line" - shall mean and be limited to retail billed and collected residential lines; business lines; ISDN lines; PBX trunks and simulated exchange access lines provided by a central office based switching arrangement where all stations served by such simulated exchange access lines are used by a single customer of the provider of such arrangement. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of supplying Telecommunication services to the consumers or recipients of such service located within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.

Code of the City of Leawood
b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;
2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate it Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.
b. Grantee's use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City's Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed the maximum Access line fee allowed by Statute. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back; provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

a. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

b. Grantee shall pay on a quarterly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the quarter for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

c. Upon forty-five (45) days prior written request by the City, but no more than once per quarter, Grantee shall submit to the City a certified statement showing the manner in which the franchise fee was calculated.

d. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is, in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.
e. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

f. Unless previously paid, within sixty (60) days of the effective date of this Ordinance, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Ordinance.

g. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City. The franchise fee is compensation pursuant to K.S.A. 12-2001(j) and shall in no way be deemed a tax of any kind.

h. Grantee shall remit an access line (franchise) fee or a gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunications local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities. Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.
The indemnity provided by this subsection does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the state of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:
   1. Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.
   2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one millions dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

Code of the City of Leawood
d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council's consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

SECTION 8. RESERVATION OF RIGHTS.
a. The City specifically reserves its right and authority as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.
b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City's nor Grantee's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances, (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of two (2) years from the Effective Date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least one hundred and eighty (180) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.

Code of the City of Leawood
c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.

d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:

1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;

2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or

3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the Facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or City regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public or private property).
d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances (hereinafter “Laws”) adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto and the City’s zoning and land-use laws to specifically include the City’s Development Ordinance and related rules and regulations and amendments thereto, to the extent such laws do not conflict with or are preempted by any Federal law or regulation.

c. Grantee shall participate in the Kansas One Call utility location program.
SECTION 4. COMPENSATION TO THE CITY.
In consideration of this Contract franchise, Grantee agrees to remit to the City an annual franchise fee of 5% of Gross Revenues. To determine the franchise fee, Grantee shall calculate its Gross Revenues and multiply such amount by 5%.

a. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the month for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

b. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City a statement, executed by an authorized officer of Grantee or his or her designee, showing the amount of Gross Revenues for the period covered by the payment, and the manner in which the franchise fee was calculated.

c. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City.

d. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

e. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

f. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 17-1902, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their gross negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including observing marker posts when working near Grantee’s Facilities.

Code of the City of Leawood
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the degree that it is found by a court of competent jurisdiction to be caused by the negligence, gross negligence or wrongful act of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND.

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed to do business in the State of Kansas. Should Grantee elect to use the services of an affiliated captive insurance company for this purpose, that company shall possess a certificate of authority from the Kansas Insurance Commissioner. Grantee shall provide not less than the following insurance:

(1) Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed with an employers’ liability limit equal to the amount required by law.

(2) Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of not less than Two Million Dollars ($2,000,000) combined single limit per occurrence for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may demonstrate to the satisfaction of the City that it is self-insured and as such Grantee has the ability to provide coverage in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred.
Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force and will not be cancelled or materially changed with respect to areas and entities covered without first giving the City thirty (30) days prior written notice. Grantee shall make available to the City on request the policy declarations page and a certified copy of the policy in effect, so that limitations and exclusions can be evaluated for appropriateness of overall coverage.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

Code of the City of Leawood
SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers and other authority established under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances and/or rulings.

SECTION 9. FAILURE TO ENFORCE.

The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of two (2) years from the effective date of this Contract franchise ordinance. Thereafter, this Contract franchise will automatically renew for two (2) additional one (1) year terms, unless either party notifies the other party of its intent to terminate or renegotiate the Contract franchise at least one hundred and eighty (180) days before the termination of the then current term. The additional terms shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.
c. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

d. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address.    3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on property or facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or city regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public property).

d. Grantee shall not provide any additional services for which a franchise is required by the City without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. Access to the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 17-1902, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee has the right to construct, maintain and operate it Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

Code of the City of Leawood
b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to, the City’s Ordinance for Managing the Use and Occupancy of Public Right-of-way, adopted as Ordinance No.1834C, and amendments thereto.

c. When the City requests removal, relocation or adjustment of Grantee’s Facilities within the Public right-of-way for construction or maintenance activities related to improvements that are, in whole or in part, for private benefit, such private party or parties shall reimburse Grantee for the cost of removal, relocation or adjustment, in an amount equal to the percentage of the private benefit received. Grantee shall not be obligated to commence the removal, relocation or adjustment until receipt of funds for the costs from such private party or parties. Further, Grantee shall have no liability for delays caused by a private party’s failure to reimburse costs. Grantee understands, however, that the City has no obligation to collect such reimbursement.

d. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City a franchise fee of 5% of Gross Receipts. To determine the franchise fee, Grantee shall calculate the Gross Receipts and multiply such receipts by 5%. Thereafter, subject to subsection (b) hereafter, compensation for each calendar year of the remaining term of this Contract franchise shall continue to be based on a sum equal to 5% of Gross Receipts, unless the City notifies Grantee prior to ninety days (90) before the end of the calendar year that it intends to switch to an Access line fee in the following calendar year; provided, such Access line fee shall not exceed $2.00 per Access line per month. In the event the City elects to change its basis of compensation, nothing herein precludes the City from switching its basis of compensation back provided the City notifies Grantee prior to ninety days (90) before the end of the calendar year.

b. Beginning January 1, 2004, and every 36 months thereafter, the City, subject to the public notification procedures set forth in K.S.A. 12-2001 (m), and amendments thereto, may elect to adopt an increased Access line fee or gross receipts fee subject to the provisions and maximum fee limitations contained in K.S.A. 12-2001, and amendments thereto, or may choose to decline all or any portion of any increase in the Access line fee.

c. Grantee shall pay on a monthly basis without requirement for invoice or reminder from the City, and within 45 days of the last day of the month for which the payment applies franchise fees due and payable to the City. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.
d. Upon written request by the City, but no more than once per quarter, Grantee shall submit to the City either a 9K2 (gross receipts) or 9KN (access lines) statement showing the manner in which the franchise fee was calculated.

e. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

f. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

g. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

h. The franchise fee required herein pursuant to K.S.A. 12-2001(j) as amended shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and K.S.A. 17-1902, and amendments thereto. The franchise fee shall in no way be deemed a tax of any kind.

i. Grantee shall remit an access line (franchise) fee or gross receipts (franchise) fee to the City on those access lines that have been resold to another telecommunication local exchange service provider, but in such case the City shall not collect a franchise fee from the reseller service provider and shall not require the reseller service provider to enter a contract franchise ordinance.

SECTION 5. INDEMNITY AND HOLD HARMLESS.

a. It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including calling for utility locations and observing marker posts when working near Grantee’s Facilities.

b. Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the extent that it is found by a court of competent jurisdiction to be caused by the negligence of Grantee, any agent, officer, director, representative, employee or subcontractor of Grantee, while installing, repairing or maintaining Facilities in the Public right-of-way.

Code of the City of Leawood
c. The indemnity provided by this section does not apply to any liability resulting from the negligence of the City, its officers, employees, contractors or subcontractors. If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

d. Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with insurers rated at least A-VII by AM Best and that are lawfully permitted to do business in the state of Kansas. Grantee shall provide the following insurance:
   1. Statutory workers’ compensation as provided for under any workers’ compensation or similar law in the jurisdiction where any work is performed and an employers’ liability limit for bodily injury of $1,000,000 each accident, by disease policy limits and by disease each employee.
   2. Commercial general liability, written on Insurance Services Office (ISO) policy form CG 00 01 or its equivalent, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of Two Million Dollars ($2,000,000) combined single limit per occurrence and in the aggregate for bodily injury, personal injury, and property damage liability. The City shall be included as an additional insured as its interests may appear with respect to liability arising from Grantee’s operations under this Contract franchise.

b. As an alternative to the requirements of subsection (a), Grantee may self-insure and, as such, Grantee has the ability to provide coverage in an amount not less than One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) in aggregate, to protect the City from and against claims by any person for loss or damage from personal injury, bodily injury, death or property damage occasioned by Grantee, or alleged to so have been caused or occurred as respects this Contract franchise. If Grantee elects to self-insure, it shall furnish to the City a certificate of self-insurance listing the City as additionally insured with respect to liability arising from Grantee’s operations under this contract franchise. In the event Grantee elects to self-insure, the following provisions shall apply:
   1. City shall promptly and no later than thirty (30) days after notice thereof provide Grantee with written notice of any claim, demand, lawsuit or the like, for which it seeks coverage pursuant to the section and provide Grantee with copies of any demands, notices, summonses or legal papers received in connection with such claim, demand, lawsuit or the like;

Code of the City of Leawood
2. City shall not settle any such claim, demand, lawsuit or the like without the prior written consent of Grantee; and,

3. City shall fully cooperate with Grantee in the defense of the claim, demand, lawsuit or the like.

c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a certificate of insurance or evidence of self-insurance, satisfactory in form and content to the City, evidencing that the above insurance is in force. Grantee shall timely notify the City if the insurance is cancelled or non-renewed and not replaced. Upon renewal or replacement of any such insurance policies, the Grantee shall notify the City, in writing, and provide a current Certificate of Insurance.

d. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a construction bond in the amount of Fifty Thousand Dollars ($50,000), payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the state of Kansas, and satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.

a. In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures:

1. Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice, pursuant to Section 12 of this Contract franchise, upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise;

2. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided, pursuant to Section 12 of this Contract franchise, reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter.
3. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.

b. Nothing herein shall prevent the City or Grantee from invoking any other remedy that may otherwise exist at law.

SECTION 8. RESERVATION OF RIGHTS.

a. To the extent permitted by law, the City specifically reserves its right and authority as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Telecommunications service and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of: the laws of the State of Kansas as the same may be amended; its Home Rule powers and other authority established pursuant to the Constitution of the State of Kansas; nor, any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of: the laws of the State of Kansas or applicable federal laws and regulations as the same may be amended; under the Constitution of the State of Kansas; nor, any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of the Contract franchise or any present or future laws, non-franchise ordinances (e.g. the City’s right-of-way ordinance referenced in Section 3b of this Contract franchise) and/or rulings that may be the basis for parties entering into this Contract franchise.

Code of the City of Leawood
SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.
a. This Contract franchise shall be effective for a term of six (6) years from the effective date of this Contract franchise. Thereafter, this Contract franchise will renew for two (2) additional two (2) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least ninety (90) days before the termination of the then current term. The additional term shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.
b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder.
c. If any clause, sentence, section, or provision of K.S.A. 12-2001, and amendments thereto, shall be held to be invalid by a court or administrative agency of competent jurisdiction, provided such order is not stayed, either the City or Grantee may elect to terminate the entire Contract franchise. In the event of such invalidity, if Grantee is required by law to enter into a Contract franchise with the City, the parties agree to act in good faith in promptly negotiating a new Contract franchise.
d. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.
e. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. MOST FAVORED NATION
Pursuant to K.S.A. 12-2001 and K.S.A. 17-1902, and amendments thereto, City represents and warrants that all benefits, terms and conditions in this Contract franchise are and, during the term of this Contract franchise, will continue to be no less favorable to Grantee in the same or similar circumstances than those currently being offered to or that may be offered and agreed to by City and any other local exchange carrier, telecommunications carrier, or video services provider, or Internet Protocol services provider, regardless of the form or nature of the agreement with any such other carrier or provider, and that the City shall treat Grantee in a competitively neutral, non-discriminatory manner.

Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or overnight delivery by a nationally recognized courier. SECTION 2. GRANT OF CONTRACT FRANCHISE.

a. There is hereby granted to Grantee this nonexclusive Contract franchise to construct, maintain, extend and operate its Facilities along, across, upon or under any Public right-of-way for the purpose of supplying Wireless Services as a Wireless Services Provider within the corporate boundaries of the City, for the term of this Contract franchise, subject to the terms and conditions of this Contract franchise.

b. The grant of this Contract franchise by the City shall not convey title, equitable or legal, in the Public right-of-way, and shall give only the right to occupy the Public right-of-way, for the purposes and for the period stated in this Contract franchise. This Contract franchise does not:
   1. Grant the right to use Facilities or any other property, telecommunications related or otherwise, owned or controlled by the City or a third-party, without the consent of such party;
   2. Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of the Public right-of-way, specifically including, but not limited to, parkland property, City Hall property or public works facility property; or
   3. Excuse Grantee from obtaining appropriate access or attachment agreements before locating its Facilities on the facilities owned or controlled by the City or a third-party.

c. As a condition of this grant, Grantee is required to obtain and is responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the Federal Communications Commission (FCC) or the Kansas Corporation Commission (KCC). Grantee shall also comply with all applicable laws, statutes and/or City regulations (including, but not limited to those relating to the construction and use of the Public right-of-way or other public or private property).
d. Grantee shall not provide any additional services for which a franchise is required by the City, including but not limited to services as a Wireless Infrastructure Provider, without first obtaining a separate franchise from the City or amending this Contract franchise, and Grantee shall not knowingly allow the use of its Facilities by any third party in violation of any federal, state or local law. In particular, this Contract franchise does not provide Grantee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Grantee agrees that this franchise does not permit it to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

e. This authority to occupy the Public right-of-way shall be granted in a competitively neutral and nondiscriminatory basis and not in conflict with state or federal law.

SECTION 3. USE OF PUBLIC RIGHT-OF-WAY.

a. Pursuant to K.S.A. 66-2019, and amendments thereto, and subject to the provisions of this Contract franchise, Grantee shall have the right to construct, maintain and operate its Facilities along, across, upon and under the Public right-of-way. Such Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or obstruct the legal use by other utilities.

b. Grantee’s use of the Public right-of-way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. The City may exercise its home rule powers in its administration and regulation related to the management of the Public right-of-way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions and ordinances (hereinafter “Laws”) adopted by the City, relating to the construction and use of the Public right-of-way, including, but not limited to the City’s ordinance for managing the use and occupancy of the Public right-of-way, codified in the Code of the City of Leawood, 2000, Chapter 13, Article 3, and amendments thereto and the City’s zoning and land-use laws to specifically include the Leawood Development Ordinance and related rules and regulations and amendments thereto, to the extent such laws do not conflict with or are preempted by any Federal law or regulation.

c. Grantee shall participate in the Kansas One Call utility location program.

SECTION 4. COMPENSATION TO THE CITY.

a. In consideration of this Contract franchise, Grantee agrees to remit to the City an annual franchise fee of $25 per site in the Public right-of-way upon which Grantee has attached its Facilities. The franchise fee shall commence upon the Effective Date of the applicable Supplement to the Master License Agreement between the City and Grantee. As to any new Facility installed at a site during any calendar year, such fee shall be prorated based on the number of days in the calendar year remaining from the Effective Date of the applicable Supplement to the Master License Agreement.

It is understood that Grantee’s Facilities are primarily wireless communications antennae and their necessary transmission and accessory equipment, and that the Facilities might be attached to a wireless support structure, utility pole, street light or similar structure.

Code of the City of Leawood
b. Grantee shall pay the franchise fee in advance on an annual basis without requirement for invoice or reminder from the City, and within 15 days of the first day of the calendar year for which the payment applies; provided, that as to any new Facility installed during any calendar year, such fee shall be prorated and paid as to that partial year within 30 days after the Effective Date of the applicable Supplement to the Master License Agreement between the City and Grantee. If any franchise fee, or any portion thereof, is not postmarked or delivered on or before the due date, interest thereon shall accrue from the due date until received, at the applicable statutory interest rate.

c. Upon written request by the City, but no more than once per year, Grantee shall submit to the City a statement, executed by an authorized officer of Grantee or his or her designee, showing the manner in which the franchise fee was calculated for the period covered by the payment.

d. No acceptance by the City of any franchise fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any franchise fee be construed as a release of any claim of the City.

e. The City shall have the right to examine, upon written notice to Grantee no more often than once per calendar year, those records necessary to verify the correctness of the franchise fees paid by Grantee.

f. Unless previously paid, within sixty (60) days of the effective date of this Contract franchise, Grantee shall pay to the City a one-time application fee of One Thousand Dollars ($1,000.00). The parties agree that such fee reimburses the City for its reasonable, actual and verifiable costs of reviewing and approving this Contract franchise.

g. The franchise fee required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001 and 66-2019, and amendments thereto. The franchise fee is compensation for use of the Public right-of-way and shall in no way be deemed a tax of any kind.

SECTION 5. INDEMNITY AND HOLD HARMLESS.
It shall be the responsibility of Grantee to take adequate measures to protect and defend its Facilities in the Public right-of-way from harm or damage. If Grantee fails to accurately or timely locate Facilities when requested, in accordance with the Kansas Underground Utility Damage Prevention Act, K.S.A. 66-1801 et seq., it has no claim for costs or damages against the City and its authorized contractors unless such parties are responsible for the harm or damage caused by their gross negligence or intentional conduct. The City and its authorized contractors shall be responsible to take reasonable precautionary measures including observing marker posts when working near Grantee’s Facilities.
Grantee shall indemnify and hold the City and its officers and employees harmless against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including personal or bodily injury (including death), property damage or other harm for which recovery of damages is sought, to the degree that it is found by a court of competent jurisdiction to be caused by the negligence, gross negligence or wrongful act of Grantee, any agent, officer, director, representative, employee, affiliate or subcontractor of Grantee, or its respective officers, agents, employees, directors or representatives, while installing, repairing or maintaining Facilities in the Public right-of-way.

If Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of this state without, however, waiving any governmental immunity available to the City under state law and without waiving any defenses of the parties under state or federal law. This section is solely for the benefit of the City and Grantee and does not create or grant any rights, contractual or otherwise, to any other person or entity.

Grantee or City shall promptly advise the other in writing of any known claim or demand against Grantee or the City related to or arising out of Grantee’s activities in the Public right-of-way.

SECTION 6. INSURANCE REQUIREMENT AND PERFORMANCE BOND.

a. During the term of this Contract franchise, Grantee shall obtain and maintain insurance coverage at its sole expense, with financially reputable insurers that are licensed, authorized or permitted to do business in the State of Kansas. Grantee shall provide the following insurance:

1. Statutory Workers’ compensation as provided for under any worker’s compensation or similar law in the jurisdiction where any work is performed and employers’ liability with a limit of $1,000,000 each accident/disease/policy limit.

2. Commercial general liability, including coverage for contractual liability and products completed operations liability on an occurrence basis and not a claims made basis, with a limit of Five Million Dollars ($5,000,000) combined single limit per occurrence for bodily injury, (including death) and property damage. The City shall be included as an additional insured as their interest may appear under this Agreement with respect to liability arising from Grantee’s operations under this Contract franchise.

b. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and within fifteen (15) days of any renewal thereof, deliver to the City a certificate of insurance reasonably satisfactory in form and content to the City, evidencing that the above insurance is in force.

Code of the City of Leawood
c. Grantee shall, as a material condition of this Contract franchise, prior to the commencement of any work and prior to any renewal thereof, deliver to the City a performance bond in the amount of $50,000, payable to the City to ensure the appropriate and timely performance in the construction and maintenance of Facilities located in the Public right-of-way, provided the aforementioned performance bond shall not be required if Grantee has currently posted and in place a comparable $50,000 bond pursuant to the City’s Ordinance for Managing The Use and Occupancy of the Public Right-of-Way. The required performance bond must be with good and sufficient sureties, issued by a surety company authorized to transact business in the State of Kansas, and reasonably satisfactory to the City Attorney in form and substance.

SECTION 7. REVOCATION AND TERMINATION.
In case of failure on the part of Grantee to comply with any of the provisions of this Contract franchise, or if Grantee should do or cause to be done any act or thing prohibited by or in violation of the terms of this Contract franchise, Grantee shall forfeit all rights, privileges and franchise granted herein, and all such rights, privileges and franchise hereunder shall cease, terminate and become null and void, and this Contract franchise shall be deemed revoked or terminated, provided that said revocation or termination, shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Contract franchise, it shall first serve a written notice upon Grantee, setting forth in detail the neglect or failure complained of, and Grantee shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Contract franchise. If at the end of such sixty (60) day period the City deems that the conditions have not been complied with, the City shall take action to revoke and terminate this Contract franchise by an affirmative vote of the City Council present at the meeting and voting, setting out the grounds upon which this Contract franchise is to be revoked and terminated; provided, to afford Grantee due process, Grantee shall first be provided reasonable notice of the date, time and location of the City Council’s consideration, and shall have the right to address the City Council regarding such matter. Nothing herein shall prevent the City from invoking any other remedy that may otherwise exist at law. Upon any determination by the City Council to revoke and terminate this Contract franchise, Grantee shall have thirty (30) days to appeal such decision to the District Court of Johnson County, Kansas. This Contract franchise shall be deemed revoked and terminated at the end of this thirty (30) day period, unless Grantee has instituted such an appeal. If Grantee does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court’s final judgment. Provided, however, that the failure of Grantee to comply with any of the provisions of this Contract franchise or the doing or causing to be done by Grantee of anything prohibited by or in violation of the terms of this Contract franchise shall not be a ground for the revocation or termination thereof when such act or omission on the part of Grantee is due to any cause or delay beyond the control of Grantee or to bona fide legal proceedings.
SECTION 8. RESERVATION OF RIGHTS.

a. The City specifically reserves its right and authority as a customer of Grantee and as a public entity with responsibilities towards its citizens, to participate to the full extent allowed by law in proceedings concerning Grantee’s rates and services to ensure the rendering of efficient Wireless Services and any other services at reasonable rates, and the maintenance of Grantee’s property in good repair.

b. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, its Home Rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

c. In granting its consent hereunder, Grantee does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, or under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

d. In entering into this Contract franchise, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into the Contract franchise, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances and/or rulings.

SECTION 9. FAILURE TO ENFORCE.
The failure of either the City or the Grantee to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Contract franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

SECTION 10. TERM AND TERMINATION DATE.

a. This Contract franchise shall be effective for a term of six (6) years beginning on the Effective Date of this Contract franchise. Thereafter, this Contract franchise will automatically renew for two additional two (2) year terms, unless either party notifies the other party of its intent to terminate the Contract franchise at least ninety (90) days before the termination of the then current term. The additional terms shall be deemed a continuation of this Contract franchise and not as a new franchise or amendment.

b. Upon written request of either the City or Grantee, this Contract franchise shall be renegotiated at any time in accordance with the requirements of state law upon any of the following events: changes in federal, state, or local laws, regulations, or orders that materially affect any rights or obligations of either the City or Grantee, including but not limited to the scope of the Contract franchise granted to Grantee or the compensation to be received by the City hereunder. In the event a renegotiation is initiated pursuant to this Section, then compensation paid to the City shall also be updated as to reflect the current market rate paid for wireless infrastructure providers within the City.

Code of the City of Leawood
c. Amendments under this Section, if any, shall be made by contract franchise ordinance as prescribed by statute. This Contract franchise shall remain in effect according to its terms, pending completion of any review or renegotiation provided by this section.

d. In the event the parties are actively negotiating in good faith a new contract franchise ordinance or an amendment to this Contract franchise upon the termination date of this Contract franchise, the parties by written mutual agreement may extend the termination date of this Contract franchise to allow for further negotiations. Such extension period shall be deemed a continuation of this Contract franchise and not as a new contract franchise ordinance or amendment.

SECTION 11. POINT OF CONTACT AND NOTICES
Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Grantee in the event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and e-mail address. Emergency notice by Grantee to the City may be made by telephone to the City Clerk or the Public Works Director. All other notices between the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested, or by facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business day” for purposes of this section shall mean Monday through Friday, City and/or Grantee observed holidays excepted.

SECTION 12. TRANSFER AND ASSIGNMENT.
This Contract franchise is granted solely to the Grantee and shall not be transferred or assigned without the prior written approval of the City; provided that such transfer or assignment may occur without written consent of the City to (i) any Affiliate of Grantee; (ii) any successor in interest to Grantee in connection with any merger, acquisition, or similar transaction; or (iii) any purchaser of all or substantially all of Grantee’s assets used to provide Communications Services to residents and businesses located in the City of Leawood, Kansas. Following any transfer or assignment of either this Contract franchise or Grantee’s business or assets, Grantee shall timely notify the City of the successor entity; provide a point of contact for the successor entity; and advise the City of the effective date of the transfer or assignment. Additionally, Grantee’s obligations under this Contract franchise with regard to indemnity, bonding and insurance shall continue until the transferee or assignee has taken the appropriate measures necessary to assume and replace the same, the intent being that there shall be no lapse in any coverage as a result of the transfer or assignment.

SECTION 13. CONFIDENTIALITY.
Information provided to the City under this Contract franchise shall be governed by confidentiality procedures in compliance with K.S.A. 45-215 and 66-1220a, et seq., and amendments thereto. Grantee agrees to indemnify and hold the City harmless from any and all penalties or costs, including attorney’s fees, arising from the actions of Grantee, or of the City, at the written request of Grantee, in seeking to safeguard the confidentiality of information provided by Grantee to the City under this Contract franchise.

SECTION 14. ACCEPTANCE OF TERMS.
Grantee shall have sixty (60) days after the final passage and approval of this Contract franchise to file with the City Clerk its acceptance in writing of the provisions, terms and conditions of this Contract franchise, which acceptance shall be duly acknowledged before some officer authorized by law to administer oaths; and when so accepted, this Contract franchise and acceptance shall constitute a contract between the City and Grantee subject to the provisions of the laws of the state of Kansas, and such contract shall be deemed effective on the later of the date Grantee files acceptance with the City or publication of this Contract franchise in accordance with Statute (the “Effective Date”).

SECTION 15. PUBLICATION OF ORDINANCE
The City Clerk is hereby directed to publish a copy of this Contract franchise once in the official City newspaper.

SECTION 16. PAYMENT OF PUBLICATION COSTS.
In accordance with Kansas Statute, Grantee shall be responsible for payment of all costs and expense of publishing this Contract franchise, and any amendments thereof.

Code of the City of Leawood
SECTION 17. SEVERABILITY.
If any clause, sentence, or section of this Contract franchise, or any portion thereof, shall be held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder, as a whole or any part thereof, other than the part declared invalid; provided, however, the City or Grantee may elect to declare the entire Contract franchise invalidated if the portion declared invalid is, in the judgment of the City or Grantee, an essential part of the Contract franchise.

SECTION 18. FORCE MAJEURE.
Each and every provision hereof shall be reasonably subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond Grantee’s or the City’s control.
